14 Sec. 4. The State of Nebraska adopts the Audiology and Speech-  
15 Language Pathology Interstate Compact in the form substantially as  
16 follows:

17 Section 1

18 PURPOSE

19 The purpose of this Compact is to facilitate interstate practice of  
20 audiology and speech-language pathology with the goal of improving public  
21 access to audiology and speech-language pathology services. The practice  
22 of audiology and speech-language pathology occurs in the state where the  
23 patient, client, or student is located at the time of the patient,  
24 client, or student encounter. The Compact preserves the regulatory  
25 authority of states to protect public health and safety through the  
26 current system of state licensure.

27 This Compact is designed to achieve the following objectives:

28 (1) Increase public access to audiology and speech-language  
29 pathology services by providing for the mutual recognition of other  
30 member state licenses;

31 (2) Enhance the states' ability to protect the public's health and

1 safety;

2 (3) Encourage the cooperation of member states in regulating  
3 multistate audiology and speech-language pathology practice;

4 (4) Support spouses of relocating active duty military personnel;

5 (5) Enhance the exchange of licensure, investigative, and  
6 disciplinary information between member states;

7 (6) Allow a remote state to hold a provider of services with a  
8 compact privilege in that state accountable to that state's practice  
9 standards; and

10 (7) Allow for the use of telehealth technology to facilitate  
11 increased access to audiology and speech-language pathology services.

6       A. A license issued to an audiologist or speech-language pathologist

10 practice, in each member state.

11       B. A state must implement or utilize procedures for considering the  
12 criminal history records of applicants for initial privilege to practice.

28 in the issuing remote state shall ascertain, through the data system,  
29 whether the applicant has ever held, or is the holder of, a license  
30 issued by any other state, whether there are any encumbrances on any  
31 license or privilege to practice held by the applicant, or whether any

1 adverse action has been taken against any license or privilege to  
2 practice held by the applicant.

3 D. Each member state shall require an applicant to obtain or retain

23 J. Member states may charge a fee for granting a compact privilege.

24 K. Member states must comply with the bylaws and rules and  
25 regulations of the Commission.

8 privilege;

9       7. Report to the Commission adverse action taken by any nonmember  
10 state within thirty days from the date the adverse action is taken.

11       B. For the purposes of the compact privilege, an audiologist or  
12 speech-language pathologist shall only hold one home state license at a  
13 time.

14       C. Except as provided in Section 6, if an audiologist or speech-  
15 language pathologist changes primary state of residence by moving between  
16 two member states, the audiologist or speech-language pathologist must  
17 apply for licensure in the new home state, and the license issued by the  
18 prior home state shall be deactivated in accordance with applicable rules  
19 adopted by the Commission.

20       D. The audiologist or speech-language pathologist may apply for  
21 licensure in advance of a change in primary state of residence.

22       E. A license shall not be issued by the new home state until the

24 of a change in primary state of residence to the new home state and  
25 satisfies all applicable requirements to obtain a license from the new  
26 home state.

27       F. If an audiologist or speech-language pathologist changes primary  
28 state of residence by moving from a member state to a nonmember state,  
29 the license issued by the prior home state shall convert to a single-  
30 state license, valid only in the former home state.

31       G. The compact privilege is valid until the expiration date of the

1 home state license. The licensee must comply with the requirements of  
2 Section 4A to maintain the compact privilege in the remote state.

3 H. A licensee providing audiology or speech-language pathology  
4 services in a remote state under the compact privilege shall function  
5 within the laws and regulations of the remote state.

6 I. A licensee providing audiology or speech-language pathology  
7 services in a remote state is subject to that state's regulatory  
8 authority. A remote state may, in accordance with due process and that  
9 state's laws, remove a licensee's compact privilege in the remote state  
10 for a specific period of time, impose fines, or take any other necessary  
11 actions to protect the health and safety of its citizens.

12 J. If a home state license is encumbered, the licensee shall lose  
13 the compact privilege in any remote state until the following occur:

- 14 1. The home state license is no longer encumbered; and  
15 2. Two years have elapsed from the date of the adverse action.

16 K. Once an encumbered license in the home state is restored to good  
17 standing, the licensee must meet the requirements of Section 4A to obtain  
18 a compact privilege in any remote state.

19 L. Once the requirements of Section 4J have been met, the licensee  
20 must meet the requirements in Section 4A to obtain a compact privilege in

22 Section 5

23 COMPACT PRIVILEGE TO PRACTICE TELEHEALTH

24 Member states shall recognize the right of an audiologist or speech-  
25 language pathologist, licensed by a home state in accordance with Section  
26 3 and under rules promulgated by the Commission, to practice audiology or  
27 speech-language pathology in any member state via telehealth under a

29 the Commission.

30 Section 6

31 ACTIVE DUTY MILITARY PERSONNEL OR THEIR SPOUSES

1       Active duty military personnel, or their spouse, shall designate a  
2 home state where the individual has a current license in good standing.  
3 The individual may retain the home state designation during the period  
4 the service member is on active duty. Subsequent to designating a home  
5 state, the individual shall only change the home state through  
6 application for licensure in the new state.

7       Section 7

8       ADVERSE ACTIONS

9       A. In addition to the other powers conferred by state law, a remote  
10 state shall have the authority, in accordance with existing state due  
11 process law, to:

12       1. Take adverse action against an audiologist's or speech-language  
13 pathologist's privilege to practice within that member state.

14       2. Issue subpoenas for both hearings and investigations that require  
15 the attendance and testimony of witnesses as well as the production of  
16 evidence. Subpoenas issued by a licensing board in a member state for the  
17 attendance and testimony of witnesses or the production of evidence from  
18 another member state shall be enforced in the latter state by any court  
19 of competent jurisdiction, according to the practice and procedure of  
20 that court applicable to subpoenas issued in proceedings pending before  
21 it. The issuing authority shall pay any witness fees, travel expenses,  
22 mileage, and other fees required by the service statutes of the state in  
23 which the witnesses or evidence are located.

24       3. Only the home state shall have the power to take adverse action  
25 against an audiologist's or speech-language pathologist's license issued  
26 by the home state.

27       B. For purposes of taking adverse action, the home state shall give  
28 the same priority and effect to reported conduct received from a member  
29 state as it would if the conduct had occurred within the home state. In  
30 so doing, the home state shall apply its own state laws to determine  
31 appropriate action.

1        C. The home state shall complete any pending investigations of an  
2 audiologist or speech-language pathologist who changes primary state of  
3 residence during the course of the investigations. The home state shall  
4 also have the authority to take appropriate action and shall promptly  
5 report the conclusions of the investigations to the administrator of the  
6 data system. The administrator of the coordinated licensure information  
7 system shall promptly notify the new home state of any adverse action.

8        D. If otherwise permitted by state law, recover from the affected  
9 audiologist or speech-language pathologist the costs of investigations  
10 and disposition of cases resulting from any adverse action taken against  
11 that audiologist or speech-language pathologist.

12        E. Take adverse action based on the factual findings of the remote  
13 state, provided that the home state follows its own procedures for taking  
14 the adverse action.

15        F. Joint Investigations

16        1. In addition to the authority granted to a member state by its  
17 respective audiology or speech-language pathology practice act or other  
18 applicable state law, any member state may participate with other member  
19 states in joint investigations of licensees.

20        2. Member states shall share any investigative, litigation, or  
21 compliance materials in furtherance of any joint or individual  
22 investigation initiated under the Compact.

23        G. If adverse action is taken by the home state against an  
24 audiologist's or speech language pathologist's license, the audiologist's  
25 or speech-language pathologist's privilege to practice in all other  
26 member states shall be deactivated until all encumbrances have been  
27 removed from the state license. All home state disciplinary orders that  
28 impose adverse action against an audiologist's or speech-language  
29 pathologist's license shall include a statement that the audiologist's or  
30 speech-language pathologist's privilege to practice is deactivated in all  
31 member states during the pendency of the order.

1       H. If a member state takes adverse action, it shall promptly notify  
2 the administrator of the data system. The administrator of the data  
3 system shall promptly notify the home state of any adverse actions by  
4 remote states.

5       I. Nothing in this Compact shall override a member state's decision  
6 that participation in an alternative program may be used in lieu of  
7 adverse action.

8       Section 8

4 for damage to or loss of property or personal injury or other civil  
5 liability caused by or arising out of any actual or alleged act, error or  
6 omission that occurred, or that the person against whom the claim is made  
7 had a reasonable basis for believing occurred, within the scope of  
8 Commission employment, duties, or responsibilities; provided that nothing  
9 in this paragraph shall be construed to protect any person from suit or

11 intentional or willful or wanton misconduct of that person.

12       2. The Commission shall defend any member, officer, executive  
13 director, employee or representative of the Commission in any civil  
14 action seeking to impose liability arising out of any actual or alleged  
15 act, error, or omission that occurred within the scope of Commission  
16 employment, duties, or responsibilities, or that the person against whom  
17 the claim is made had a reasonable basis for believing occurred within  
18 the scope of Commission employment, duties, or responsibilities; provided  
19 that nothing herein shall be construed to prohibit that person from  
20 retaining his or her own counsel; and provided further, that the actual  
21 or alleged act, error, or omission did not result from that person's  
22 intentional or willful or wanton misconduct.

23       3. The Commission shall indemnify and hold harmless any member,  
24 officer, executive director, employee, or representative of the  
25 Commission for the amount of any settlement or judgment obtained against

30 responsibilities, provided that the actual or alleged act, error, or  
31 omission did not result from the intentional or willful or wanton

1 misconduct of that person.

2 Section 9

3 DATA SYSTEM

4 A. The Commission shall provide for the development, maintenance,  
5 and utilization of a coordinated data base and reporting system  
6 containing licensure, adverse action, and investigative information on  
7 all licensed individuals in member states.

8 B. Notwithstanding any other provision of state law to the contrary,  
9 a member state shall submit a uniform data set to the data system on all  
10 individuals to whom this Compact is applicable as required by the rules  
11 of the Commission, including:

12 1. Identifying information;

13 2. Licensure data;

14 3. Adverse actions against a license or compact privilege;

15 4. Nonconfidential information related to alternative program  
16 participation;

17 5. Any denial of application for licensure, and any reason for  
18 denial; and

19 6. Other information that may facilitate the administration of this  
20 Compact, as determined by the rules of the Commission.

21 C. Investigative information pertaining to a licensee in any member  
22 state shall only be available to other member states.

23 D. The Commission shall promptly notify all member states of any  
24 adverse action taken against a licensee or an individual applying for a  
25 license. Adverse action information pertaining to a licensee in any  
26 member state shall be available to any other member state.

27 E. Member states contributing information to the data system may  
28 designate information that may not be shared with the public without the  
29 express permission of the contributing state.

30 F. Any information submitted to the data system that is subsequently  
31 required to be expunged by the laws of the member state contributing the

1 information shall be removed from the data system.

2 Section 10

3 RULEMAKING

4 A. The Commission shall exercise its rulemaking powers pursuant to  
5 the criteria set forth in this Section and the rules adopted thereunder.  
6 Rules and amendments shall become binding as of the date specified in  
7 each rule or amendment.

8 B. If a majority of the legislatures of the member states rejects a  
9 rule, by enactment of a statute or resolution in the same manner used to  
10 adopt the Compact within four years of the date of adoption of the rule,  
11 the rule shall have no further force and effect in any member state.

12 C. Rules or amendments to the rules shall be adopted at a regular or  
13 special meeting of the Commission.

14 D. Prior to promulgation and adoption of a final rule or rules by  
15 the Commission, and at least thirty days in advance of the meeting at  
16 which the rule shall be considered and voted upon, the Commission shall  
17 file a Notice of Proposed Rulemaking:

18 1. On the web site of the Commission or other publicly accessible  
19 platform; and

20 2. On the web site of each member state audiology or speech-language  
21 pathology licensing board or other publicly accessible platform or the  
22 publication in which each state would otherwise publish proposed rules.

23 E. The Notice of Proposed Rulemaking shall include:

24 1. The proposed time, date, and location of the meeting in which the  
25 rule shall be considered and voted upon;

26 2. The text of the proposed rule or amendment and the reason for the  
27 proposed rule;

28 3. A request for comments on the proposed rule from any interested  
29 person; and

30 4. The manner in which interested persons may submit notice to the  
31 Commission of their intention to attend the public hearing and any

1 written comments.

2 F. Prior to the adoption of a proposed rule, the Commission shall  
3 allow persons to submit written data, facts, opinions and arguments,  
4 which shall be made available to the public.

5 G. The Commission shall grant an opportunity for a public hearing  
6 before it adopts a rule or amendment if a hearing is requested by:

7 1. At least twenty-five persons;

8 2. A state or federal governmental subdivision or agency; or

9 3. An association having at least twenty-five members.

10 H. If a hearing is held on the proposed rule or amendment, the  
11 Commission shall publish the place, time, and date of the scheduled  
12 public hearing. If the hearing is held via electronic means, the  
13 Commission shall publish the mechanism for access to the electronic  
14 hearing.

15 1. All persons wishing to be heard at the hearing shall notify the  
16 executive director of the Commission or other designated member in  
17 writing of their desire to appear and testify at the hearing not less  
18 than five business days before the scheduled date of the hearing.

19 2. Hearings shall be conducted in a manner providing each person who  
20 wishes to comment a fair and reasonable opportunity to comment orally or  
21 in writing.

22 3. All hearings shall be recorded. A copy of the recording shall be  
23 made available on request.

24 4. Nothing in this section shall be construed as requiring a  
25 separate hearing on each rule. Rules may be grouped for the convenience  
26 of the Commission at hearings required by this section.

27 I. Following the scheduled hearing date, or by the close of business  
28 on the scheduled hearing date if the hearing was not held, the Commission  
29 shall consider all written and oral comments received.

30 J. If no written notice of intent to attend the public hearing by  
31 interested parties is received, the Commission may proceed with

1 promulgation of the proposed rule without a public hearing.

2 K. The Commission shall, by majority vote of all members, take final  
3 action on the proposed rule and shall determine the effective date of the  
4 rule, if any, based on the rulemaking record and the full text of the  
5 rule.

6 L. Upon determination that an emergency exists, the Commission may  
7 consider and adopt an emergency rule without prior notice, opportunity  
8 for comment, or hearing, provided that the usual rulemaking procedures  
9 provided in the Compact and in this section shall be retroactively  
10 applied to the rule as soon as reasonably possible, in no event later  
11 than ninety days after the effective date of the rule. For the purposes  
12 of this provision, an emergency rule is one that must be adopted  
13 immediately in order to:

- 14 1. Meet an imminent threat to public health, safety, or welfare;  
15 2. Prevent a loss of Commission or member state funds; or  
16 3. Meet a deadline for the promulgation of an administrative rule  
17 that is established by federal law or rule.

18 M. The Commission or an authorized committee of the Commission may  
19 direct revisions to a previously adopted rule or amendment for purposes  
20 of correcting typographical errors, errors in format, errors in  
21 consistency, or grammatical errors. Public notice of any revisions shall  
22 be posted on the web site of the Commission. The revision shall be  
23 subject to challenge by any person for a period of thirty days after  
24 posting. The revision may be challenged only on grounds that the revision  
25 results in a material change to a rule. A challenge shall be made in  
26 writing and delivered to the chairperson of the Commission prior to the  
27 end of the notice period. If no challenge is made, the revision shall  
28 take effect without further action. If the revision is challenged, the  
29 revision may not take effect without the approval of the Commission.

30 Section 11

31 OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

1           A. Dispute Resolution

2           1. Upon request by a member state, the Commission shall attempt to  
3 resolve disputes related to the Compact that arise among member states  
4 and between member and nonmember states.

5           2. The Commission shall promulgate a rule providing for both  
6 mediation and binding dispute resolution for disputes as appropriate.

7           B. Enforcement

8           1. The Commission, in the reasonable exercise of its discretion,  
9 shall enforce the provisions and rules of this Compact.

10           2. By majority vote, the Commission may initiate legal action in the  
11 United States District Court for the District of Columbia or the federal  
12 district where the Commission has its principal offices against a member  
13 state in default to enforce compliance with the provisions of the Compact  
14 and its promulgated rules and bylaws. The relief sought may include both  
15 injunctive relief and damages. In the event judicial enforcement is  
16 necessary, the prevailing member shall be awarded all costs of  
17 litigation, including reasonable attorney's fees.

18           3. The remedies herein shall not be the exclusive remedies of the  
19 Commission. The Commission may pursue any other remedies available under  
20 federal or state law.

21           Section 12

22           DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR AUDIOLOGY  
23 AND SPEECH-LANGUAGE PATHOLOGY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL,  
24 AND AMENDMENT

25           A. The Compact shall come into effect on the date on which the  
26 Compact statute is enacted into law in the tenth member state. The  
27 provisions, which become effective at that time, shall be limited to the  
28 powers granted to the Commission relating to assembly and the  
29 promulgation of rules. Thereafter, the Commission shall meet and exercise  
30 rulemaking powers necessary to the implementation and administration of  
31 the Compact.

1           B. Any state that joins the Compact subsequent to the Commission's  
2 initial adoption of the rules shall be subject to the rules as they exist  
3 on the date on which the Compact becomes law in that state. Any rule that  
4 has been previously adopted by the Commission shall have the full force  
5 and effect of law on the day the Compact becomes law in that state.

6           C. Any member state may withdraw from this Compact by enacting a  
7 statute repealing the same.

8           1. A member state's withdrawal shall not take effect until six  
9 months after enactment of the repealing statute.

10           2. Withdrawal shall not affect the continuing requirement of the  
11 withdrawing state's audiology or speech-language pathology licensing  
12 board to comply with the investigative and adverse action reporting  
13 requirements of this Compact prior to the effective date of withdrawal.

14           D. Nothing contained in this Compact shall be construed to  
15 invalidate or prevent any audiology or speech-language pathology  
16 licensure agreement or other cooperative arrangement between a member  
17 state and a nonmember state that does not conflict with the provisions of  
18 this Compact.

19           E. This Compact may be amended by the member states. No amendment to  
20 this Compact shall become effective and binding upon any member state  
21 until it is enacted into the laws of all member states.

22           Section 13

23           CONSTRUCTION AND SEVERABILITY

24           This Compact shall be liberally construed so as to effectuate the  
25 purposes thereof. The provisions of this Compact shall be severable and  
26 if any phrase, clause, sentence, or provision of this Compact is declared  
27 to be contrary to the constitution of any member state or of the United  
28 States or the applicability thereof to any government, agency, person, or  
29 circumstance is held invalid, the validity of the remainder of this  
30 Compact and the applicability thereof to any government, agency, person,  
31 or circumstance shall not be affected thereby. If this Compact shall be

1 held contrary to the constitution of any member state, the Compact shall  
2 remain in full force and effect as to the remaining member states and in  
3 full force and effect as to the member state affected as to all severable  
4 matters.

5 Section 14

6 BINDING EFFECT OF COMPACT AND OTHER LAWS

7 A. Nothing herein prevents the enforcement of any other law of a  
8 member state that is not inconsistent with the Compact.

9 B. All laws in a member state in conflict with the Compact are  
10 superseded to the extent of the conflict.

11 C. All lawful actions of the Commission, including all rules and  
12 bylaws promulgated by the Commission, are binding upon the member states.

13 D. All agreements between the Commission and the member states are  
14 binding in accordance with their terms.

15 E. In the event any provision of the Compact exceeds the  
16 constitutional limits imposed on the legislature of any member state, the  
17 provision shall be ineffective to the extent of the conflict with the  
18 constitutional provision in question in that member state.

19 Sec. 5. Original sections 38-513 and 38-515, Reissue Revised  
20 Statutes of Nebraska, and section 38-1509, Revised Statutes Cumulative  
21 Supplement, 2018, are repealed.
