13 its policies in order to comply with state standards. The State Treasurer  
14 shall recognize any private school registered within the State of  
15 Nebraska as a valid recipient for monthly tuition payments from the  
16 Follow the Student Fund. No private school shall be obligated to receive  
17 money from the Follow the Student Fund.

18       Sec. 10. (1) In order to prevent fraud and theft from student  
19 accounts, the State Treasurer shall monitor student accounts, investigate

21 Whenever the State Treasurer determines that money from a student account  
22 has been used for noneducational purposes, the State Treasurer shall

7 school students statewide plus fifty percent of the adjusted average per  
8 pupil cost for the projected number of enrolled private school students  
9 statewide.

10       Sec. 12. (1) Each public school district shall have the authority  
11 to levy a tax on real property sufficient to cover the special education  
12 needs of the school district.

13       (2) If a school district intends to increase the tax levy by more  
14 than two percent under the My Student, My Choice Act, the school district  
15 shall hold a public hearing with members of the public invited to testify  
16 and such hearing shall take place no later than thirty days prior to  
17 approval of the school district's budget. The hearing shall not take  
18 place prior to the seventh hour of the day and the hearing shall start no
