2 school district's property tax request for any year shall not exceed the  
3 school district's property tax request authority.

4           (2) The department shall calculate each school district's property  
5 tax request authority on an annual basis as follows:

6           (a) The school district's property tax request from the prior year  
7 shall be increased by whichever of the following percentages is the

16           (iv) The percentage obtained by first dividing the annual increase

21 shall then be:

22           (i) Decreased by an amount equal to the amount by which the school  
23 district's total non-property-tax revenue for the current year exceeds  
24 the total non-property-tax revenue for the prior year. In determining the  
25 total non-property-tax revenue for the current year, any category of non-  
26 property-tax revenue for which there is insufficient data as of August 1  
27 to make an accurate determination shall be deemed to be equal to the  
28 prior year's amount; or

29           (ii) Increased by an amount equal to the amount by which the school  
30 district's total non-property-tax revenue for the prior year exceeds the  
31 total non-property-tax revenue for the current year. In determining the

1 total non-property-tax revenue for the current year, any category of non-  
2 property-tax revenue for which there is insufficient data as of August 1  
3 to make an accurate determination shall be deemed to be equal to the  
4 prior year's amount.

5 (3) The department shall certify the amount determined for each  
6 school district under this section to the school board of such school  
7 district. Such certified amount shall be the school district's property  
8 tax request authority.

9 Sec. 4. The School District Property Tax Limitation Act shall not  
10 apply to that portion of a school district's property tax request that is  
11 needed to pay the principal and interest on approved bonds.

12 Sec. 5. (1) A school district's property tax request may exceed its  
13 property tax request authority by an amount approved by a sixty percent  
14 majority of legal voters voting on the issue at a special election called  
15 for such purpose upon the recommendation of the school board of such  
16 school district or upon the receipt by the county clerk or election  
17 commissioner of a petition requesting an election signed by at least five  
18 percent of the legal voters of the school district. The recommendation of  
19 the school board or the petition of the legal voters shall include the  
20 amount by which the school board would increase its property tax request  
21 for the year over and above the property tax request authority of such  
22 school district. The county clerk or election commissioner shall call for  
23 a special election on the issue within thirty days after the receipt of  
24 such school board recommendation or legal voter petition. The election  
25 shall be held pursuant to the Election Act, and all costs shall be paid  
26 by the school board.

27 (2) A school district's property tax request may exceed its property

31 (a) Seven percent for school districts with an average daily

1 membership of no more than four hundred seventy-one students;

4 than three thousand forty-four students;

5 (c) Five percent for school districts with an average daily  
6 membership of more than three thousand forty-four students but no more  
7 than ten thousand students; or

8 (d) Four percent for school districts with an average daily  
9 membership of more than ten thousand students.

10 (3) A school district's property tax request may exceed its property  
11 tax request authority pursuant to any property tax authority approved by  
12 the voters at a levy override election under section 77-3444 held prior  
13 to January 1, 2023.

14 Sec. 6. A school district may choose not to increase its property  
15 tax request by the full amount allowed by the school district's property  
16 tax request authority in a particular year. In such cases, the school  
17 district may carry forward to future years the amount of unused property  
18 tax request authority. The department shall calculate each school  
19 district's unused property tax request authority and shall submit an  
20 accounting of such amount to the school board of the school district.  
21 Such unused property tax request authority may then be used in later  
22 years for increases in the school district's property tax request.

23 Sec. 7. The department shall prepare documents to be submitted by  
24 school districts to aid the department in calculating each school  
25 district's property tax request authority and unused property tax request  
26 authority. Each school district shall submit such documents to the  
27 department on or before September 20 of each year. If a school district  
28 fails to submit such documents to the department or if the department  
29 determines from such documents that a school district is not complying  
30 with the limits provided in the School District Property Tax Limitation  
31 Act, the department shall notify the school district of its

1 determination. The Commissioner of Education shall then direct that any  
2 state aid granted pursuant to the Tax Equity and Educational  
3 Opportunities Support Act be withheld until such time as the school  
4 district submits the required documents or complies with the School  
5 District Property Tax Limitation Act. The state aid shall be held for six  
6 months. If the school district complies within the six-month period, it  
7 shall receive the suspended state aid. If the school district fails to  
8 comply within the six-month period, the suspended state aid shall revert  
9 to the General Fund.

10       Sec. 8.     The department may adopt and promulgate rules and  
11 regulations to carry out the School District Property Tax Limitation Act.

12       Sec. 9.     Section 77-1632, Revised Statutes Supplement, 2021, is  
13 amended to read:

14       77-1632 (1) If the annual assessment of property would result in an  
15 increase in the total property taxes levied by a county, city, village,  
16 school district, learning community, sanitary and improvement district,  
17 natural resources district, educational service unit, or community  
18 college, as determined using the previous year's rate of levy, such  
19 political subdivision's property tax request for the current year shall  
20 be no more than its property tax request in the prior year, and the  
21 political subdivision's rate of levy for the current year shall be

23 equalization pursuant to section 77-1601. The governing body of the  
24 political subdivision shall pass a resolution or ordinance to set the  
25 amount of its property tax request after holding the public hearing  
26 required in subsection (3) of this section. If the governing body of a  
27 political subdivision seeks to set its property tax request at an amount  
28 that exceeds its property tax request in the prior year, it may do so to  
29 the extent allowed by law after holding the public hearing required in  
30 subsection (3) of this section and by passing a resolution or ordinance  
31 that complies with subsection (4) of this section. If any county, city,

1 school district, or community college seeks to increase its property tax

3 subdivision shall comply with the requirements of section 77-1633 in lieu  
4 of the requirements in subsections (3) and (4) of this section.

6 or a decrease in the total property taxes levied by a county, city,  
7 village, school district, learning community, sanitary and improvement

9 community college, as determined using the previous year's rate of levy,  
10 such political subdivision's property tax request for the current year  
11 shall be no more than its property tax request in the prior year, and the  
12 political subdivision's rate of levy for the current year shall be  
13 adjusted accordingly when such rate is set by the county board of  
14 equalization pursuant to section 77-1601. The governing body of the  
15 political subdivision shall pass a resolution or ordinance to set the  
16 amount of its property tax request after holding the public hearing  
17 required in subsection (3) of this section. If the governing body of a  
18 political subdivision seeks to set its property tax request at an amount  
19 that exceeds its property tax request in the prior year, it may do so to  
20 the extent allowed by law after holding the public hearing required in  
21 subsection (3) of this section and by passing a resolution or ordinance  
22 that complies with subsection (4) of this section. If any county, city,  
23 school district, or community college seeks to increase its property tax  
24 request by more than the allowable growth percentage, such political  
25 subdivision shall comply with the requirements of section 77-1633 in lieu  
26 of the requirements in subsections (3) and (4) of this section.

27 (3) The resolution or ordinance required under this section shall  
28 only be passed after a special public hearing called for such purpose is  
29 held and after notice is published in a newspaper of general circulation  
30 in the area of the political subdivision at least four calendar days  
31 prior to the hearing. For purposes of such notice, the four calendar days

1 shall include the day of publication but not the day of hearing. If the
