

ONE HUNDRED SECOND LEGISLATURE

FIRST SESSION

LEGISLATIVE RESOLUTION 219

Introduced by Pahls, 31.

PURPOSE: The purpose of this resolution is to study insurance coverage of services to treat individuals with autism. The committee may determine the extent of coverage currently available in Nebraska, the need for greater coverage, the ways in which the current coverage could be broadened, and any costs incurred by the State of Nebraska if treatment is limited because of the prohibitive cost or lack of coverage. The committee may review how other states regulate reimbursement of treatment services for individuals with autism.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDRED SECOND LEGISLATURE OF NEBRASKA, FIRST SESSION:

1. That the Banking, Commerce and Insurance Committee of the Legislature shall be designated to conduct an interim study to carry out the purposes of this resolution.

2. That the committee shall upon the conclusion of its study make a report of its findings, together with its recommendations, to the Legislative Council or Legislature.
