

ONE HUNDRED FIFTH LEGISLATURE

SECOND SESSION

LEGISLATIVE RESOLUTION 407

Introduced by Morfeld, 46.

PURPOSE: The State Records Board oversees and manages electronic access to state government information, including a contract with a network manager to provide for electronic access to public records. Since legislation was enacted in 1996, this self-funded model has led to the development and management of technology to allow citizens electronic access to government information and services without the use of any up-front expenditures from the state. The purpose of this resolution is to examine the self-funded model and the steps necessary to ensure its continued success in providing Nebraskans electronic access to government records and documents.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDRED FIFTH LEGISLATURE OF NEBRASKA, SECOND SESSION:

1. That the Government, Military and Veterans Affairs Committee of the Legislature shall be designated to conduct an interim study to carry out the purposes of this resolution.

2. That the committee shall upon the conclusion of its study make a report of its findings, together with its recommendations, to the Legislative Council or Legislature.
