

ONE HUNDRED THIRD LEGISLATURE

FIRST SESSION

LEGISLATIVE RESOLUTION 52

Introduced by Price, 3; Haar, 21; Smith, 14; Krist, 10.

WHEREAS, engineers plan, design, and implement engineering works that propel the nation's economy, enhance our quality of life, and safeguard America's infrastructure; and

WHEREAS, engineers face the major technological challenges of our time - from rebuilding towns devastated by natural disasters to designing an information superhighway that will speed our country into the twenty-first century. Engineers have used their scientific and technical knowledge and skills in creative and innovative ways to fulfill society's needs; and

WHEREAS, engineers are encouraging our young math and science students to realize the practical power of their knowledge; and

WHEREAS, Nebraska will look more than ever to engineers and their knowledge and skills to bridge the gap between science, theory, and practical application to meet the challenges of the future; and

WHEREAS, National Engineers Week was founded in 1951 and is celebrated at the time of George Washington's birthday, who himself was a military engineer and surveyor.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDRED THIRD LEGISLATURE OF NEBRASKA, FIRST SESSION:

1. That the Legislature recognizes the contributions and achievements of Nebraska's engineers and that the week of February 17th through the 23rd, 2013, be recognized as Engineers Week in Nebraska.

2. That a copy of this resolution be sent to the American Council of Engineering Companies of Nebraska.
