**ASSEMBLY, No. 4889**

with Senate Floor Amendments  
(Proposed by Senator SCUTARI)

ADOPTED: MARCH 20, 2023

These amendments remove the requirement that local government officials certify their residency within the relevant jurisdiction on their financial disclosure form. These amendments also provide that local government officers who are judicial or law enforcement officers will not be required to disclose their home address, or that of a secondary residence where their immediate family, as defined in P.L.2021, c.371, may reside, under any circumstances. These amendments allow for the local finance board to postpone the due date for financial disclosure forms for up to 60 days for those forms due to be filed in the year 2023.
