## STATEMENT TO

### ASSEMBLY COMMITTEE SUBSTITUTE FOR ASSEMBLY, No. 998

# STATE OF NEW JERSEY

DATED: JUNE 27, 2022

The Assembly Budget Committee reports favorably Assembly Committee Substitute for Assembly No. 998.

As reported by the committee, this Assembly committee substitute codifies and expands the Alternative Response to Reduce Instances of Violence and Escalation (ARRIVE) Together Pilot Program and appropriates \$2 million.

Under the committee substitute, the expanded program is to provide accessible crisis intervention, mental health screening, or other support to individuals experiencing mental health crisis who have contacted or are engaging with law enforcement. The committee substitute requires the Attorney General, within the limits of available funding, to select for participation in the pilot program expansion two municipalities in each of the northern, central, and southern regions of the State that meet certain conditions. The selection of municipalities would not exclude participation by other counties or municipalities in the pilot program.

The committee substitute requires the county prosecutor's office in each pilot county to designate a crisis response support coordinator who is to coordinate with the Attorney General to develop procedures consistent with the Attorney General's guidelines. In addition, under the committee substitute, one or more mental health service providers is to be contracted to provide services as needed to the State Police or the police department or force, as appropriate, in the pilot municipality when responding to a call that involves a person who is experiencing a mental health or substance use crisis. The provider is to provide services as needed for up to 24 hours a day, seven days a week.

Under the committee substitute, the governing body of a pilot municipality or county is to provide documentation or information to the Attorney General.

The Attorney General is required to cause to be transmitted a report evaluating the implementation and operation of the pilot program expansion to the Governor and the Legislature within 90 days after the completion of the pilot program. The report is to recommend whether the pilot program expansion should be continued, modified, or made permanent.

Finally, the committee substitute appropriates from the General Fund to the Department of Law and Public Safety the sum of \$2 million to effectuate the committee substitute's provisions. The Attorney General and any other department, as appropriate, may also seek assistance from the federal government, private foundations, and any other source to fund the pilot program expansion established by the committee substitute.
