

SENATE MILITARY AND VETERANS' AFFAIRS  
COMMITTEE

STATEMENT TO

**SENATE RESOLUTION No. 15**

**STATE OF NEW JERSEY**

DATED: FEBRUARY 28, 2022

The Senate Military and Veterans Affairs Committee reports favorably Senate Resolution No.15.

The State of New Jersey greatly appreciates the service of the millions of honorable men and women who have served our country in the United States Armed Forces. America's service men and women make great sacrifices while serving the nation and, in recognition of their service and sacrifice, the creation of a military veterans toll discount program administered by the Delaware River Port Authority would complement the existing toll discount programs currently offered for senior citizens and commuters who utilize the electronic toll collection and monitoring system, known as E-ZPass.

This bill was pre-filed for introduction in the 2022-2023 session pending technical review. As reported, the bill includes the changes required by technical review, which has been performed.
