13 distress; provided, however, that notwithstanding the provisions of any law or regulation to
14 the contrary, the Director of the Division of Local Government Services may direct that part
15 of any such allocation be paid to an affected school district or county, or to both, in the same
16 manner as if the award of Transitional Aid were raised as revenue from the municipal tax
17 levy; and provided further that a local government unit determined to be experiencing
18 financial distress because of the loss or destruction of a major local business ratable shall
19 not be required to be subject to any additional conditions, requirements, orders, or other
20 operational efficiency or oversight measures authorized pursuant to P.L.2011, c.144
21 (C.52:27D-118.42a), except as determined to be appropriate by the Director of the Division
22 of Local Government Services.

23 The amount hereinabove appropriated for Transitional Aid to Localities is subject to the
24 following condition: notwithstanding the provisions of R.S.43:21-14, or any other law or
25 regulation to the contrary, the Commissioner of Labor and Workforce Development, in
26 consultation with the Commissioner of Community Affairs, is authorized to enter into
27 individualized payment plan agreements with municipalities that receive Transitional Aid
28 for the reimbursement of unemployment benefits paid to former employees of such
29 municipal government units, at reasonable interest rates based on current market conditions,
30 and on such other terms and conditions as may be determined to be appropriate by the
31 Commissioner of Labor and Workforce Development. Any municipality that enters into an
32 individualized payment plan agreement pursuant to this section shall be required to expend
33 all funds budgeted for this activity remaining as of the last day of its budget year for the
34 repayment of outstanding obligations under the plan.

35 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
36 appropriated for Transitional Aid to Localities shall be allocated to provide short-term
37 financial assistance where needed to help a municipality that is in serious fiscal distress
38 meet immediate budgetary needs and regain financial stability. A municipality shall be
39 deemed to be eligible for transitional aid if it is identified by the Director of the Division of
40 Local Government Services as experiencing serious fiscal distress where the director
41 determines that, despite local officials having implemented substantive cost reduction
42 strategies, there continue to exist conditions of serious fiscal distress, which may include but
43 shall not be limited to: substantial structural or accumulated deficits; ongoing reliance on
44 non-recurring revenues; limited ability to raise supplemental non-property tax revenues;
45 extraordinary demands for public safety appropriations; and other factors indicating a
46 constrained ability to raise sufficient revenues to meet budgetary requirements that
47 substantially jeopardizes the fiscal integrity of the municipality. Municipalities seeking
48 transitional aid shall file an application on a form prescribed by the director, which
49 application, among other things, shall set forth the minimum criteria that must be met in
order for an application to be considered by the director for a determination of eligibility.

1 The director shall determine whether a municipality which files an application meeting such
2 minimum criteria is in serious fiscal distress, and, if so, what amount of transitional aid
3 should be provided to address the municipality's serious fiscal distress. The transitional aid
4 shall be provided to the municipality subject to the provisions of subsection a. of section 1
5 of P.L.2011, c.144 (C.52:27D-118.42a); provided, however, that an amount of Transitional
6 Aid to Localities as determined by the Director of the Division of Local Government
7 Services for a municipality may be deemed to constitute Consolidated Municipal Property
8 Tax Relief Aid in an amount not in excess of the amount of Transitional Aid to Localities
9 such municipality received in the previous fiscal year and shall not reduce the amount of
10 Consolidated Municipal Property Tax Relief Aid such municipality shall receive for the
11 current fiscal year. Provided, however, if the Director of the Division of Local Government
12 Services deems an amount of Transitional Aid to Localities for a municipality as
13 constituting Consolidated Municipal Property Tax Relief Aid pursuant to this provision, that
14 municipality is not relieved from compliance with the requirements for transitional aid.

15 Notwithstanding the provisions of subsection d. of section 29 of P.L.1999, c.152 (C.13:8C-29)
16 or subsection d. of section 30 of P.L.1999, c.152 (C.13:8C-30), or any law or regulation to
17 the contrary, all payments to municipalities in lieu of taxes for lands acquired by the State
18 and non-profit organizations for recreation and conservation purposes shall be retained by
19 the municipality and not apportioned in the same manner as the general tax rate of the
20 municipality.

21 Notwithstanding the provisions of any law or regulation to the contrary, payments to
22 municipalities in lieu of taxes for lands acquired by the State and non-profit organizations
23 for recreation and conservation purposes shall be provided only to municipalities whose
24 payments received in fiscal year 2010 exceeded \$5,000 and shall be provided at two-thirds
25 of the payment amount provided in fiscal year 2010.

26 Notwithstanding the provisions of any law or regulation to the contrary, any qualifying
27 municipality, as defined in section 1 of P.L.1978, c.14 (C.52:27D-178) for the previous
28 fiscal year, shall continue to be a qualifying municipality thereunder during the current fiscal
29 year.

30 Notwithstanding the provisions of any law or regulation to the contrary, whenever funds
31 appropriated as State Aid and payable to any municipality, which municipality requests and
32 receives the approval of the Local Finance Board, such funds may be pledged as a guarantee
33 for payment of principal and interest on any bond anticipation notes issued pursuant to
34 section 11 of P.L.2003, c.15 (C.40A:2-8.1) and any tax anticipation notes issued pursuant
35 to N.J.S.40A:4-64 by such municipality. Such funds, if so pledged, shall be made available
36 by the State Treasurer upon receipt of a written notification by the Director of the Division
37 of Local Government Services that the municipality does not have sufficient funds available
38 for prompt payment of principal and interest on such notes, and shall be paid by the State
39 Treasurer directly to the holders of such notes at such time and in such amounts as specified
40 by the director, notwithstanding that payment of such funds does not coincide with any date
41 for payment otherwise fixed by law.

42 The State Treasurer, in consultation with the Commissioner of Community Affairs, is
43 empowered to direct the Director of the Division of Budget and Accounting to transfer
44 appropriations from any State department to any other State department as may be necessary
45 to provide a loan for a term not to exceed 180 days to a municipality faced with a fiscal
46 crisis, including but not limited to a potential default on tax anticipation notes. Extension
47 of the term of the loan shall be conditioned on the municipality being an "eligible
48 municipality" pursuant to P.L.1987, c.75 (C.52:27D-118.24 et seq.).

49 Notwithstanding the provisions of N.J.S.40A:4-39 or any other law or regulation to the contrary,
a county that assumes responsibility for the provision of local police services in one or more

municipalities utilizing a new or expanded county police force may display the anticipated revenues and appropriations associated with such county police force in its annual budget by annexing to that budget a statement describing the sources and amounts of anticipated dedicated revenues and appropriating those dedicated amounts for the purposes of the county police force.

time equivalent employees [FTE], reported on Worksheet S-3 Part 1 Column 9 line 12 to
35 develop an average cost per FTE for each hospital used to calculate the overall median cost
per FTE. The median cost per FTE is multiplied by the 2013 resident FTEs reported on
37 Worksheet S-3 Part 1 Column 9 line 12 to develop approved total residency program costs.
The approved residency costs are multiplied by the quotient of Medicaid Managed Care days,
39 reported on Worksheet S-3 Column 5 Line 2, divided by the quantity of total days, on
Worksheet S-3 Column 8 Line 14, less nursery days, on Worksheet S-3 Column 8 Line 13.
41 Medicaid Managed Care IME cost is defined as the Medicare IME factor multiplied by
Medicaid Managed Care encounter payments for Medicaid and NJ FamilyCare clients as
43 reported by insurers to the State for the following reporting period: services dates between
January 1, 2013 and December 31, 2013; payment dates between January 1, 2013 and
45 December 31, 2014; and a run-date of not later than January 31, 2015. The IME factor is
calculated using the Medicare IME formula as follows: $1.35 * [(1 + x)^{0.405} - 1]$, in which "x"
47 is the quotient of submitted IME resident full-time equivalencies reported on Worksheet S-3
Part 1 Column 9 line 12 divided by the quantity of total available beds less nursery beds
49 reported Worksheet S-3 Part 1 Column 1 Line 12. In the event that a hospital believes that
there are mathematical errors in the calculations, or data not matching the actual source
51 documents used to calculate the subsidy as defined above, hospitals shall be permitted to file

1 calculation appeals within 15 working days of receipt of the subsidy allocation letter. If upon
 2 review it is determined by the DOH that the error has occurred and would constitute at least
 3 a five percent change in the hospital's allocation amount, a revised industry-wide allocation
 shall be issued.

5 There are appropriated such additional sums as are required to pay all amounts due from the State
 pursuant to any contract entered into between the State Treasurer and the New Jersey Health
 7 Care Facilities Financing Authority pursuant to section 6 of P.L.2000, c.98 (C.26:2I-7.1) in

1 08 Support of Patients in County Psychiatric
 Hospitals (PTRF) (\$113,733,000)

3 The unexpended balance at the end of the preceding fiscal year in the Support of Patients in
 County Psychiatric Hospitals account is appropriated for the same purpose.

5 Notwithstanding the provisions of R.S.30:4-78, or any law or regulation to the contrary, the State
 share of payments from the Support of Patients in County Psychiatric Hospitals account to
7 the several county psychiatric facilities on behalf of the reasonable cost of maintenance of
 patients deemed to be county indigents shall be at the rate of 125% of the rate established by
9 the Commissioner of Human Services for the period July 1 to December 31 and at the rate
 of 45% of the rate established by the Commissioner of Human Services for the period
11 January 1 to June 30 such that the total amount to be paid by the State on behalf of county
 indigent patients for the calendar year shall not exceed 85% of the total reasonable per capita
13 cost; and further provided that the rate at which the State will reimburse the county
 psychiatric hospitals shall not exceed 100% of the per capita rate at which each county pays
15 to the State for the reasonable cost of maintenance and clothing of each patient residing in
 a State psychiatric facility, excluding the depreciation, interest and carry-forward adjustment
17 components of this rate, and including the depreciation, interest, and carry-forward
 adjustment components of each individual county psychiatric hospital's rate established for
19 the period January 1 to December 31 by the Commissioner of Human Services. The initial
 determination of whether a county hospital rate exceeds the per capita rate that counties pay
21 to the State on behalf of applicable patients residing in a State psychiatric facility will be
 based on a comparison of estimated cost used to set reimbursement rates for the upcoming
23 calendar year. A second comparison of the actual per diem costs of the county psychiatric
 hospital and State psychiatric hospitals will be completed after actual cost reports for the
25 period are available including an inflationary adjustment for the six-month difference in
 fiscal reporting periods between State and county hospitals. The county hospital
27 carry-forward adjustment to be included in rates paid by the State will exclude costs found
 to exceed 100% of the actual cost rate of the State psychiatric facilities.

29 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
 appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the
31 following provision: payments to county psychiatric hospitals will only be made after receipt
 of their claims by the Division of Mental Health and Addiction Services. County psychiatric
33 hospitals shall submit such claims no less frequently than quarterly and within 15 days of the
 close of each quarter.

35 With the exception of all past, present, and future revenues representing federal financial
 participation received by the State from the United States that is based on payments to
37 hospitals that serve a disproportionate share of low-income patients, which shall be retained
 by the State, the sharing of revenues received to defray the State Aid appropriation for the
39 costs of maintaining patients in State and county psychiatric hospitals shall be based on the
 same percent as costs are shared between the State and counties.

41 The amount hereinabove appropriated for State Aid reimbursement payments for maintenance
 of patients in county psychiatric facilities shall be limited to inpatient services only, except
43 that such reimbursement shall be paid to a county for outpatient and partial hospitalization
 services as defined by the Department of Human Services, if outpatient and/or partial
45 hospitalization services had been previously provided at the county psychiatric facility prior
 to January 1, 1998. These outpatient and partial hospitalization payments shall not exceed
47 the amount of State Aid funds paid to reimburse outpatient and partial hospitalization
 services provided during calendar year 1997. In addition, any revision or expansion to the
49 number of inpatient beds or inpatient services provided at such hospitals which will have a
 material impact on the amount of State Aid payments made for such services, must first be

1 approved by the Department of Human Services before such change is implemented.

2 The amount hereinabove appropriated for the Division of Mental Health and Addiction Services
3 for State facility operations and the amount appropriated as State Aid for the costs of county
4 facility operations are first charged to the federal Disproportionate Share Hospital (DSH)
5 reimbursements anticipated as Medicaid uncompensated care. Accordingly, DSH revenues
6 earned by the State related to services provided by county psychiatric hospitals which are
7 supported through this State Aid appropriation shall be considered as the first source
8 supporting the State Aid appropriation.

9 In addition to the amounts hereinabove appropriated for the Support of Patients in County
10 Psychiatric Hospitals, in the event that the Assistant Commissioner of the Division of Mental
11 Health and Addiction Services determines that, in order to provide the least restrictive setting
12 appropriate, a patient should be admitted to a county psychiatric hospital in a county other
13 than the one in which the patient is domiciled rather than to a State psychiatric hospital, there
14 are hereby appropriated such additional amounts as may be required, as determined by the
15 Assistant Commissioner to reimburse a county for the extra costs, if any, which were incurred
16 in connection with the care of such patient in a county psychiatric hospital which exceeded
17 the cost of care which would have been incurred had the patient been placed in a State
18 psychiatric hospital, subject to the approval of the Director of the Division of Budget and
19 Accounting.

20 The amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is
21 conditioned upon the following provisions: County psychiatric hospitals shall: (1) enroll and
22 continue to maintain enrollment as providers in the State's NJ FamilyCare program; (2)
23 complete or pursue in good faith the completion of eligibility applications for patients who
24 could be NJ FamilyCare eligible; (3) bill the NJ FamilyCare program for all applicable
25 services; and (4) neither admit nor discharge patients based upon NJ FamilyCare eligibility.

26 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
27 appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the
28 county psychiatric hospitals providing and certifying all information that is required by the
29 State, in the form specified by the Division of Mental Health and Addiction Services, to
30 prepare a complete, accurate, and timely claim to federal authorities for Medicaid
31 Disproportionate Share Hospital (DSH) claim revenues.

32 Notwithstanding the provisions of R.S.30:4-78, or any other law or regulation to the contrary, the
33 amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is
34 conditioned upon the following provisions: for rates effective January 1, 2013, and any prior
35 year rate adjustments that may be required beginning January 1, 2013, the approval of the
36 State House Commission shall not be required for the setting of such rates and the
37 Commissioner of Human Services shall set the per capita cost rates to be paid by the State
38 to the several counties on behalf of the reasonable cost of maintenance of State and county
39 patients in any county psychiatric facility, including outpatient psychiatric services, the per
40 capita rates which each county shall pay to the Treasurer for the reasonable cost of
41 maintenance and clothing of each patient residing in a State psychiatric facility having a legal
42 settlement in such county ("County Patients"), the rates to be paid for the reasonable cost of
43 maintenance and clothing of the convict and criminal mentally ill in any State psychiatric
44 facility and the cost of maintenance of County Patients residing in State developmental
45 centers or receiving other residential functional services for the developmentally disabled.
46 Such rates will be fixed no later than October 1 of each calendar year. Notice of such rates
47 shall be provided by the Commissioner of Human Services to the clerk of the respective
48 boards of chosen freeholders.

49 In the event that the Division of Mental Health and Addiction Services is notified that a county
50 psychiatric hospital will cease operations for the current fiscal year, or any portion thereof,
51 in order to assure continuity of care for patients who otherwise would have been served by

the county hospital, as well as to preserve patient and public safety, the Division shall have the authority to transfer funds from the Support of Patients in County Psychiatric Hospitals account to Direct State Services and Grants-In-Aid accounts in the Division of Mental Health and Addiction Services, for the fiscal year, subject to a plan approved by the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, as a condition of receipt of any NJ FamilyCare payments a nursing home shall provide to the Commissioner of Human Services information on the facility’s finances comparable to the information provided by hospitals to the Department of Health pursuant to N.J.A.C.8:31B-3.1 et seq. and N.J.A.C.8:31B-4.1 et seq., as requested by the commissioner, and the commissioner shall periodically assess the financial status of the industry.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from the various items of appropriation within the General Medical Services program classification in the Division of Medical Assistance and Health Services and the Medical Services for the Aged program classification in the Division of Aging Services, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred between the various items of appropriation within the Medical Services for the Aged and Programs for the Aged program classifications to ensure the continuity of long-term care support services for beneficiaries receiving services within the Medical Services for the Aged program classification in the Division of Aging Services in the Department of Human Services, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.) during the preceding fiscal year are appropriated for payments to providers in the same program classification from which the recovery originated.

Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of receipts generated or savings realized in the Medical Services for the Aged or Pharmaceutical Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives included in the current fiscal year appropriations act may be transferred to administration accounts to fund costs incurred in realizing these additional receipts or savings, subject to the approval of the Director of the Division of Budget and Accounting.

Subject to federal approval, the appropriations for those programs within the Medical Services for the Aged program classification are conditioned upon the Department of Human Services implementing policies that would limit the ability of persons who have the financial ability to provide for their own long-term care needs to manipulate current NJ FamilyCare rules to avoid payment for that care. The Division of Medical Assistance and Health Services and the Division of Aging Services shall require, in the case of a married individual requiring long-term care services, that the portion of the couple’s resources which are not protected for the needs of the community spouse be used solely for the purchase of long-term care services.

Such amounts as may be necessary are hereinabove appropriated from enhanced audit recoveries obtained by the Department of Human Services to fund the costs of enhanced audit recovery efforts of the department within the Medical Services for the Aged program classification, subject to the approval of the Director of the Division of Budget and Accounting.

The amounts hereinabove appropriated for Payments for Medical Assistance Recipients - Nursing Homes are available for the payment of obligations applicable to prior fiscal years.

Such amounts as may be necessary are hereinabove appropriated from the General Fund for the payment of increased nursing home rates to reflect the costs incurred due to the payment of a nursing home provider assessment, pursuant to the “Nursing Home Quality of Care

1 Improvement Fund Act,” P.L.2003, c.105 (C.26:2H-92 et seq.), and P.L.2004, c.41, subject
to the approval of the Director of the Division of Budget and Accounting.

3 Notwithstanding the provisions of chapter 85 of Title 8 of the New Jersey Administrative Code

25 payments in accordance with paragraph (1) of subsection d. of section 6 of P.L.2003, c.105
(C.26:2H-97), shall be combined with amounts hereinabove appropriated for Payments for
27 Medical Assistance Recipients -Nursing Homes for the purpose of calculating NJ FamilyCare
reimbursements for nursing facilities; and (5) for the purposes of this paragraph, a nursing
29 facility’s per diem reimbursement rate or negotiated rate shall not include, if the nursing
facility is eligible for reimbursement, the difference between the full calculated provider tax
31 add-on and the quality-of-care portion of the provider tax add-on, which difference shall be

25 prescription drug claims with no Medicare Part D coverage except under the following

drug's Wholesale Acquisition Cost less a volume discount of one (1) percent; (ii) the federal
29 upper limit (FUL); or (iii) the State upper limit (SUL); and (iv) cost acquisition data
submitted by providers of pharmaceutical services for single-source or brand-name
31 multi-source drugs where an alternative pricing benchmark is not available; (2) pharmacy

Department of Human Services shall mandate ongoing submission of current drug acquisition
41 data by providers, of pharmaceutical services. No funds hereinabove appropriated shall be

49 Program, P.L.2001, c.96 (C.30:4D-43 et seq.), shall be the last resource benefits,
notwithstanding any provisions contained in contracts, wills, agreements, or other
51 instruments. Any provision in a contract of insurance, will, trust agreement, or other

1 instrument which reduces or excludes coverage or payment to an individual because of that
individual's eligibility for, or receipt of, PAAD or Senior Gold Prescription Discount
3 Program benefits shall be void, and no PAAD and Senior Gold Prescription Discount

Assistance to the Aged and Disabled program shall be \$5 for generic drugs and \$7 for brand
9 name drugs.

11 Notwithstanding the provisions of any law or regulation to the contrary, subject to the approval
of a plan by the Commissioner of Human Services, no funds appropriated for the
Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975,
13 c.194 (C.30:4D-20 et seq.), or the Senior Gold Prescription Discount Program (Senior Gold),

15 Gold is the primary payer, unless participating pharmaceutical manufacturing companies
execute contracts with the Department of Human Services. Name brand manufacturers must
17 provide for the payment of rebates to the State on the same basis as provided for in
subsections (a) through (c) of section 1927 of the federal Social Security Act, 42 U.S.C.
19 s.1396r-8.

21 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated

23 pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended unless participating
pharmaceutical manufacturing companies execute contracts with the Department of Human
25 Services, providing for the payment of rebates to the State. Furthermore, rebates from
pharmaceutical manufacturing companies for prescriptions purchased by the PAAD program
27 and the Senior Gold Prescription Discount Program shall continue during the current fiscal
year, provided that the manufacturer's rebates for PAAD claims paid as secondary to

the PAAD program and the Senior Gold Prescription Discount Program.

33 In addition to the amount hereinabove appropriated for the Pharmaceutical Assistance to the
Aged and Disabled and the Senior Gold Prescription Discount programs, there are
35 appropriated from the General Fund and available federal matching funds such additional

in a Medicare Part D provider network or private third party liability plan network for
43 beneficiaries enrolled in a Medicare Part D program or beneficiaries with primary
prescription coverage that requires use of mail order. The mail-order program may waive,
45 discount, or rebate the beneficiary copayment and mail-order pharmacy providers may
dispense up to a 90-day supply on prescription refills with the voluntary participation of the
47 beneficiary, subject to the approval of the Commissioner of Human Services and the Director
of the Division of Budget and Accounting.

49 Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove
appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance

1 Services coordinating the benefits of the PAAD programs with the prescription drug benefits
2 of the federal “Medicare Prescription Drug, Improvement, and Modernization Act of 2003”
3 as the primary payer due to the current federal prohibition against State automatic enrollment
4 of PAAD recipients in the federal program. The PAAD program benefit and reimbursement
5 shall only be available to cover the beneficiary cost share to in-network pharmacies and for
6 deductible and coverage gap costs (as determined by the Commissioner of Human Services)
7 associated with enrollment in Medicare Part D for beneficiaries of the PAAD and Senior
8 Gold Prescription Discount programs, and for Medicare Part D premium costs for PAAD
9 beneficiaries.

10 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
11 in the Pharmaceutical Assistance to the Aged or Pharmaceutical Assistance to the Aged and
12 Disabled (PAAD) program and Senior Gold Prescription Discount Program accounts shall
13 be available as payment as a PAAD program or Senior Gold Prescription Discount Program
14 benefit to any pharmacy that is not enrolled as a participating pharmacy in a pharmacy
15 network under Medicare Part D.

16 Consistent with the requirements of the federal “Medicare Prescription Drug, Improvement, and
17 Modernization Act of 2003” and the current federal prohibition against State automatic
18 enrollment of Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance to the
19 Aged and Disabled (PAAD) program and Senior Gold Prescription Discount Program
20 recipients, no funds hereinabove appropriated to the PAAD program or Senior Gold
21 Prescription Discount Program accounts shall be expended for any individual unless the
22 individual enrolled in the PAAD program or Senior Gold Prescription Discount Program
23 provides all data necessary to enroll the individual in Medicare Part D, including data
24 required for the subsidy assistance, as outlined by the Centers for Medicare and Medicaid
25 Services.

26 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
27 appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance
28 to the Aged and Disabled (PAAD) programs, and Senior Gold Prescription Discount Program
29 shall be conditioned upon the following provision: no funds shall be appropriated for the
30 refilling of a prescription drug when paid by PAAD or the Senior Gold Prescription Discount
31 Program as the primary payer until such time as the original prescription is 85% finished.

32 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
33 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
34 or the Senior Gold Prescription Discount Program shall be expended to cover medications
35 not on the formulary of a PAAD program or Senior Gold Prescription Discount Program
36 beneficiary’s Medicare Part D plan. This exclusion shall not apply to those drugs covered
37 by the PAAD program and Senior Gold Prescription Discount Program which are specifically
38 excluded by the federal Medicare Prescription Drug Program. In addition, this exclusion
39 shall not impact the beneficiary’s rights, guaranteed by the Medicare Prescription Drug
40 Improvement, and Modernization Act of 2003 (MMA), to appeal the medical necessity of
41 coverage for drugs not on the formulary of a Medicare Part D plan.

42 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
43 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
44 or the Senior Gold Prescription Discount Program shall be expended for diabetic testing
45 materials and supplies which are covered under the federal Medicare Part B program, or for
46 vitamins, cough/cold medications, drugs used for the treatment of erectile dysfunction, or
47 cosmetic drugs, including, but not limited to: drugs used for baldness, weight loss, and skin
48 conditions.

49 From the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged -
50 Claims and Senior Gold Prescription Discount Program, an amount not to exceed \$2,850,000
51 may be transferred to various accounts as required, including Direct State Services accounts,

1 subject to the approval of the Director of the Division of Budget and Accounting.

2 Notwithstanding the provisions of any law or regulation to the contrary, all financial recoveries
3 obtained through the efforts of any entity authorized to undertake the prevention and
4 detection of NJ FamilyCare fraud, waste, and abuse, are appropriated to Medical Services for
5 the Aged in the Division of Aging Services.

6 Notwithstanding the provisions of any law or regulation to the contrary, in order to maximize
7 drug coverage under Medicare Part D, the appropriation for the Senior Gold Prescription
8 Discount Program is conditioned on the Senior Gold Prescription Discount Program being
9 designated the authorized representative for the purpose of coordinating benefits with the
10 Medicare drug program, including appeals of coverage determinations. The Senior Gold
11 Prescription Discount Program is authorized to represent program beneficiaries in the pursuit
12 of such coverage. Senior Gold Prescription Discount Program representation shall include,
13 but not be limited to, the following actions: pursuit of appeals, grievances, and coverage
14 determinations.

15 In order to permit flexibility in implementing the ElderCare Advisory Commission Initiatives,
16 hereinabove appropriated as part of Community Based Senior Programs within the Programs
17 for the Aged program classification, amounts may be transferred between Direct State
18 Services and Grants-In-Aid accounts, subject to the approval of the Director of the Division
19 of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and
20 Finance Officer on the effective date of the approved transfer.

21 Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove
22 appropriated for Payments for Medical Assistance Recipients - Nursing Homes are subject
23 to the following condition: nursing facilities shall not receive payments for bed hold or
24 therapeutic leave days for NJ FamilyCare beneficiaries; provided that nursing facilities shall
25 continue to reserve beds for NJ FamilyCare beneficiaries who are hospitalized or on
26 therapeutic leave as required by N.J.A.C.8:85-1.14.

27 Of the amounts appropriated for Payments for Medical Assistance Recipients - Nursing Homes,
28 \$1,000,000 shall be allocated to funding additional beds for patients suffering from
29 Huntington's Disease, pursuant to the issuance of a certificate of need call by the Department
30 of Health for such additional beds.

31 Notwithstanding the provision of any law or regulation to the contrary, beginning not later than
32 January 1, 2016, the Commissioner of Human Services may make an advance payment to a
33 nursing facility licensed pursuant to P.L.1971, c.136 (C.26:2H-1 et seq.), at the facility's
34 request, whenever the facility is providing uncompensated services to one or more residents
35 whose eligibility for Medicaid has not been determined more than 90 days after an
36 application has been filed. Any such advance payment shall be made with State funding only
37 and shall not exceed fifty percent of the estimated amount due for the uncompensated
38 services. No later than 30 days after any such application is granted and payment has been
39 made to the facility, or after any such application has been denied, the commissioner shall:
40 provide reimbursement for any balance due to the facility; or recover any advance payments
41 made on behalf of an applicant deemed ineligible for Medicaid by reducing any payments due
42 to the facility.

43 As a condition upon the appropriation hereinabove for Managed Long Term Services and
44 Supports, the Commissioner shall issue quarterly reports to the Legislature in accordance
45 with section 2 of P.L.1991, c.164 (C.52:14-19.1) on enrollment, State and federal
46 expenditures, access to care and measures of care quality.

47 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
48 appropriated from the Community Based Senior Programs account for the Alzheimer's
49 Medical Day Care Program are conditioned upon that program being administered in the
50 same manner and with payment rates not less than those that were in effect during Fiscal
51 Year 2013.

3 In addition to the amounts hereinabove appropriated for Pharmaceutical Assistance to the Aged
5 and Disabled and Hearing Aid Assistance for the Aged and Disabled programs, there are
7 appropriated from the Casino Revenue Fund and available federal matching funds such
9 additional amounts as may be required for the payment of claims, credits, and rebates, subject
11 to the approval of the Director of the Division of Budget and Accounting.

All funds recovered under P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20
et seq.), during the current fiscal year are appropriated for payments to providers in the same
program classification from which the recovery originated.

For the purposes of account balance maintenance, all object accounts in the Medical Services for
the Aged program classification shall be considered as one object. This will allow timely
payment of claims to providers of medical services, but ensure that no overspending will
occur in the program classification.

Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of
receipts generated or savings realized in Casino Revenue Fund, Medical Services for the
Aged, or Pharmaceutical Assistance to the Aged and Disabled Grants-In-Aid accounts from
initiatives included in the current fiscal year's annual appropriations act may be transferred
to administration accounts to fund costs incurred in realizing these additional receipts or
savings, subject to the approval of the Director of the Division of Budget and Accounting.

The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the
Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), and Community Based
Senior Programs are available for the payment of obligations applicable to prior fiscal years.
Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD)
program, P.L.1975, c.194 (C.30:4D-20 et seq.), shall be the last resource benefits,
notwithstanding any provision contained in contracts, wills, agreements, or other instruments.
Any provision in a contract of insurance, will, trust agreement, or other instrument which
reduces or excludes coverage or payment to an individual because of that individual's
eligibility for or receipt of PAAD benefits shall be void, and no PAAD payments shall be
made as a result of any such provision.

Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and
Disabled-Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194
(C.30:4D-22) or any law or regulation to the contrary, the copayment in the Pharmaceutical
Assistance to the Aged and Disabled program shall be \$5 for generic drugs and \$7 for brand
name drugs.

Notwithstanding the provisions of any law or regulation to the contrary, subject to the approval
of a plan by the Commissioner of Human Services, no funds appropriated for the
Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975,
c.194 (C.30:4D-20 et seq.), shall be expended, when PAAD is the primary payer, unless
participating pharmaceutical manufacturing companies execute contracts with the
Department of Human Services. Name brand manufacturers must provide for the payment
of rebates to the State on the same basis as provided for in subsections (a) through (c) of
section 1927 of the federal Social Security Act, 42 U.S.C. s.1396r-8.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to
P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended unless participating pharmaceutical
manufacturing companies execute contracts with the Department of Human Services,
providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical
manufacturing companies for prescriptions purchased by the PAAD program shall continue
during the current fiscal year, provided that the manufacturers' rebates for PAAD claims paid
as secondary to Medicare Part D shall apply only to the amount paid by the State under the

1 PAAD program. All revenues from such rebates during the current fiscal year are
appropriated for the PAAD program.

3 Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for
the Pharmaceutical Assistance to the Aged and Disabled program are conditioned upon the
5 Department of Human Services coordinating benefits with any voluntary prescription drug
mail-order or specialty pharmacy in a Medicare Part D provider network or private third party
7 liability plan network for beneficiaries enrolled in a Medicare Part D program or
beneficiaries with primary prescription coverage that requires use of mail-order. The
9 mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order
pharmacy providers may dispense up to a 90-day supply on prescription refills with the
11 voluntary participation of the beneficiary, subject to the approval of the Commissioner of
Human Services and the Director of the Division of Budget and Accounting.

13 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
appropriated to the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
15 is conditioned upon the Department of Human Services coordinating the benefits of the
PAAD program with the prescription drug benefits of the federal "Medicare Prescription
17 Drug, Improvement, and Modernization Act of 2003" as the primary payer due to the current
federal prohibition against State automatic enrollment of PAAD program recipients in the
19 federal program. The PAAD program benefit and reimbursement shall only be available to
cover the beneficiary cost share to in-network pharmacies and for deductible and coverage
21 gap costs (as determined by the Commissioner of Human Services) associated with
enrollment in Medicare Part D for beneficiaries of the PAAD and the Senior Gold
23 Prescription Discount Program, and for Medicare Part D premium costs for PAAD program
beneficiaries.

25 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
in the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and the Senior
27 Gold Prescription Discount Program accounts shall be available as payment as a PAAD
program or Senior Gold Prescription Discount Program benefit to any pharmacy that is not
29 enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and
31 Modernization Act of 2003" and the current federal prohibition against State automatic
enrollment of Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
33 recipients, no funds hereinabove appropriated from the PAAD account shall be expended for
any individual enrolled in the PAAD program unless the individual provides all data that may
35 be necessary to enroll the individual in Medicare Part D, including data required for the
subsidy assistance, as outlined by the Centers for Medicare and Medicaid Services.

37 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
39 shall be conditioned upon the following provision: no funds shall be appropriated for the
refilling of a prescription drug paid by PAAD as a primary payer until such time as the
41 original prescription is 85% finished.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
43 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
shall be expended to cover medications not on the formulary of a PAAD program
45 beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered
by PAAD which are specifically excluded by the federal Medicare Prescription Drug
47 Program. In addition, this exclusion shall not impact the beneficiary's rights, guaranteed by
the "Medicare Prescription Drug, Improvement, and Modernization Act of 2003" (MMA),
49 to appeal the medical necessity of coverage for drugs not on the formulary of a Medicare Part
D plan.

51 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove

1 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
 shall be expended for diabetic testing materials and supplies which are covered under the
 3 federal Medicare Part B program, or for vitamins, cough/cold medications, drugs used for the
 treatment of erectile dysfunction, or cosmetic drugs including but not limited to: drugs used
 5 for baldness, weight loss, and skin conditions.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
 7 in the Pharmaceutical Assistance to the Aged and Disabled program classification shall be
 expended for fee-for-service prescription drug claims with no Medicare Part D coverage
 9 except under the following conditions: (1) the maximum allowable cost for legend and
 non-legend drugs shall be calculated based on the lowest of (i) the Estimated Acquisition
 11 Cost (EAC), defined as a drug’s Wholesale Acquisition Cost less a volume discount of 1%;
 (ii) the federal upper limit (FUL); or (iii) the State upper limit (SUL); and (iv) cost
 13 acquisition data submitted by providers of pharmaceutical services for single-source or
 brand-name multi-source drugs where an alternative pricing benchmark is not available; (2)
 15 pharmacy reimbursement for legend and non-legend drugs shall be calculated based on the
 (i) the lowest of the EAC, FUL or SUL plus a dispensing fee of \$3.73 to \$3.99; or a
 17 provider’s usual and customary charge; or (ii) the lower of cost acquisition data submitted
 by providers of pharmaceutical services for single-source or brand-name multi-source drugs,
 19 where an alternative pricing benchmark is not available, plus a professional fee; or a
 provider’s usual and customary charge. To effectuate the calculation of SUL rates and/or the
 21 calculation of single-source and brand-name multi-source legend and non-legend drug costs
 where an alternative pricing benchmark is not available, which is intended to be budget
 23 neutral, the Department of Human Services shall mandate ongoing submission of current
 drug acquisition data by providers, of pharmaceutical services. No funds hereinabove
 25 appropriated shall be paid to any entity that fails to submit required data.

Notwithstanding the provisions of any law or regulation to the contrary, of the amount
 27 hereinabove appropriated for the Community Based Senior Programs (CRF) account,
 \$175,000 shall be charged to the Casino Simulcasting Fund.

1 Total Appropriation, Federal Funds \$17,323,048,000

2 Notwithstanding the provisions of any State law or regulation to the contrary, no State agency
3 shall accept or expend federal funds except as appropriated by the Legislature or otherwise
4 provided in this act.

5 In addition to the federal funds appropriated in this act, there are appropriated the following
6 federal funds, subject to the approval of the Director of the Division of Budget and
7 Accounting: emergency disaster aid funds including grants for preventive measures;
8 pass-through grants to political subdivisions of the State over which the State is not permitted
9 to exercise discretion in the use or distribution of the funds and for which no State matching
10 funds are required; the first 25% of unanticipated grant awards, and up to 25% of increases in
11 previously anticipated grant awards for which no State matching funds are required except,
12 for the purpose of this section, federal funds received by one executive agency that are
13 ultimately expended by another executive agency shall not be considered pass-through grants;
14 federal financial aid funds for students attending post-secondary educational institutions in
15 excess of the amount specifically appropriated, and any such grants intended to prevent threats
16 to homeland security up to 100% of previously anticipated or unanticipated grant award
17 amounts for which no State matching funds are required, provided, however, that the Director
18 of the Division of Budget and Accounting shall notify the Legislative Budget and Finance
19 Officer of such grants; and all other grants of \$500,000 or less.

20 For the purposes of federal funds appropriations, “political subdivisions of the State” means
21 counties, municipalities, school districts, or agencies thereof, regional, county or municipal
22 authorities, or districts other than interstate authorities or districts; “discretion” refers to any
23 action in which an agency may determine either the amount of funds to be allocated or the
24 recipient of the allocation; and “grants” refers to one-time, or time limited awards, which are
25 received pursuant to submission of a grant application in competition with other grant
26 applications.

27 The unexpended balances at the end of the preceding fiscal year of federal funds are appropriated
28 for the same purposes. The Director of the Division of Budget and Accounting shall inform
29 the Legislative Budget and Finance Officer by November 1 of the current fiscal year of any
30 unexpended balances which are continued.

31 Out of the appropriations herein, the Director of the Division of Budget and Accounting is
32 empowered to approve payments to liquidate any unrecorded liabilities for materials delivered
33 or services rendered in prior fiscal years, upon the written recommendations of any department
34 head or the department head’s designated representative. The Director of the Division of
35 Budget and Accounting shall reject any recommendations for payment which the Director
36 deems improper.

37 In order to permit flexibility in the handling of appropriations and ensure the timely payment of
38 claims to providers of medical services, amounts may be transferred to and from the various
39 items of appropriation within the General Medical Services program classification, and within
40 the federal matching funding, in the Division of Medical Assistance and Health Services and
41 Division of Disability Services in the Department of Human Services, and within the Medical
42 Services for the Aged program classification, and within the federal matching funding, in the
43 Division of Aging Services in the Department of Human Services, subject to the approval of
44 the Director of the Division of Budget and Accounting. Notice thereof shall be provided to
45 the Legislative Budget and Finance Officer on the effective date of the approved transfer.

46 Notwithstanding the provisions of any law, regulation or Executive Order to the contrary, any
47 purchase by the State or by a State agency or local government unit of equipment, goods or
48 services related to homeland security and domestic preparedness, that is paid for or reimbursed
49 by federal funds awarded by the U.S. Department of Homeland Security or other federal
50 agency, appropriated in the current fiscal year, may be made through the receipt of public bids

1 or as an alternative to public bidding and subject to the provisions of this paragraph, through
2 direct purchase without advertising for bids or rejecting bids already received but not awarded.

3 The equipment, goods or services purchased by a local government unit shall be referred to
4 in the grant agreement issued by the State administrative agency administering such funds and
5 shall be authorized by resolution of the governing body of the local government unit entering
6 into the grant agreement. Such resolution may, without subsequent action of the local
7 governing body, simultaneously accept the grant from the State administrative agency,
8 authorize the insertion of the revenue and offsetting appropriation in the budget of the local
9 government unit, and authorize the contracting agent of the local government unit to procure
10 the equipment, goods or services. A copy of such resolution shall be filed with the chief
11 financial officer of the local government unit, the State administrative agency and the Division
12 of Local Government Services in the Department of Community Affairs. Purchases made
13 without public bidding shall be from vendors that shall either (1) be holders of a current State
14 contract for the equipment, goods or services sought, or (2) be participating in a federal
15 procurement program established by a federal department or agency, or (3) have been
16 approved by the State Treasurer in consultation with the New Jersey Domestic Security
17 Preparedness Task Force. All homeland security purchases herein shall continue to be subject
18 to all grant requirements and conditions approved by the State administrative agency. The
19 Director of the Division of Purchase and Property may enter into or participate in purchasing
20 agreements with one or more other states, or political subdivisions or compact agencies
21 thereof, for the purchase of such equipment, goods or services, using monies appropriated
22 under this act, to meet the domestic preparedness and homeland security needs of this State.
23 Such purchasing agreement may provide for the sharing of costs and the methods of payments
24 relating to such purchases. Furthermore, a county government awarding a contract for
25 Homeland Security equipment, goods or services, may, with the approval of the vendor, extend
26 the terms and conditions of the contract to any other county government that wants to purchase
27 under that contract, subject to notice and documentation requirements issued by the Director
28 of the Division of Local Government Services.

29 Of the amounts appropriated for Income Maintenance Management, amounts may be transferred
30 to the various departments in accordance with the Division of Family Development's
31 agreements, subject to the approval of the Director of the Division of Budget and Accounting.
32 Any unobligated balances remaining from funds transferred to the departments shall be
33 transferred back to the Division of Family Development subject to the approval of the Director
34 of the Division of Budget and Accounting.

35 Notwithstanding the provisions of any law or regulation to the contrary, in addition to the federal
36 funds hereinabove appropriated, there are appropriated to the appropriate executive agencies,
37 subject to the approval of the Director of the Division of Budget and Accounting, such
38 additional federal funds received during this fiscal year pursuant to any federal law authorizing
39 a federal economic stimulus program or any other similar federal program for the purposes,
40 projects, and programs set forth in such law; provided, however, that if the federal law does
41 not delineate the specific purposes, projects, and programs to be funded by the federal funds,
42 the purposes, projects, and programs to be funded by the federal funds shall be subject to the
43 approval of the Joint Budget Oversight Committee, and further provided, however, that the
44 State Treasurer shall report to the President of the Senate, the Speaker of the General
45 Assembly, the Chair of the Senate Budget and Appropriations Committee, and the Chair of the
46 Assembly Budget Committee at least quarterly on the receipt and utilization of all additional
47 federal funds received during this fiscal year pursuant to any federal law authorizing a federal
48 economic stimulus program.

49 Officials from the appropriate executive agencies are hereby authorized to take such steps, if any,
50 as may be necessary to qualify for, apply for, receive and expend such federal funds and to
51 make such commitments, representations and other agreements as may be required by the

1 federal government to receive federal funds under federal law authorizing the federal
economic stimulus program or any other similar federal law. Furthermore, and
3 notwithstanding the provisions of any other law or regulation to the contrary, officials from
the appropriate executive agencies may encumber any of these federal funds appropriated
5 pursuant to this provision prior to entering into any contract, grant or other agreement
obligating the federal funds, subject to the approval of the Director of the Division of Budget
7 and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, federal funds provided
9 under the State Energy Program (SEP) and the Energy Efficiency and Conservation Block
Grant Program (Block Grant Program), pursuant to the American Recovery and Reinvestment
11 Act, Pub.L. 111-5 and any other similar type of federal stimulus law which may be hereinafter
enacted (collectively referred to as ARRA), are appropriated. Subject to the approval of the
13 Director of the Division of Budget and Accounting as set forth below, such appropriations are
to include the administrative costs of the respective agencies in administering the specified
15 programs provided such use is consistent with ARRA and federal approvals. In the event that
the administrative costs are not permitted to be paid from the ARRA monies received by the
17 State, there is hereby appropriated from the Clean Energy Fund, subject to the approval of the
Director of the Division of Budget and Accounting such amounts as shall be necessary to pay
19 for the administrative costs of the agencies administering the specified programs listed below.
Notwithstanding the specific appropriations made below, in the event that the federal funds
21 received under ARRA are not in their entirety or in part allocated to the specific purposes
listed below, to permit flexibility in the handling of appropriations, amounts may be
23 transferred to and from the various items of the appropriations listed below or may be used for
such other purposes permitted under ARRA subject to the approval of the Director of the
25 Division of Budget and Accounting and upon the recommendation of the State Treasurer. The
federal funds provided pursuant to ARRA with respect to the SEP shall be used only for
27 purposes allowed under part D of Title III of the Energy Policy and Conservation Act (42
U.S.C. 6321 et seq.), and the federal funds provided pursuant to ARRA with respect to the
29 Block Grant Program shall be used only for implementation of programs authorized under
subtitle E of Title V of the Energy Independence and Security Act of 2007 (42 U.S.C. 17151
31 et seq.). With respect to all federal funds which are appropriated pursuant to this provision,
New Jersey Economic Development Authority (NJEDA), New Jersey Housing Mortgage
33 Finance Agency (HMFA), the Office of Energy Savings and the BPU shall prepare and timely
submit to the United States Department of Energy (USDOE) the reports required under
35 subsection (c) of section 1512 of Pub.L. 111-5, including without limitation the detailed
information required with respect to all projects or activities for which such federal funds were
37 expended or obligated.

a. SEP. SEP monies received by the State under ARRA are hereby appropriated to the Clean
39 Energy Fund and shall be allocated by the Board of Public Utilities (BPU) as follows.
The BPU shall enter into memoranda of understanding with the applicable agencies listed
41 below which memoranda of understanding shall provide for the transfer of such monies
to the applicable agencies for the purposes listed below.

43 (1) \$14,216,606 to the NJEDA for a grant and loan program to be developed and
administered by the NJEDA to fund public and private renewable energy, energy
45 efficiency and alternative energy projects, with applications prioritized based on
the ability to create jobs, reduce greenhouse gas emissions, save or create
47 energy, and provide for innovative technology;

49 (2) \$20,187,801 for a program to be developed and administered by the BPU for grants
to State departments, agencies, authorities and public colleges and universities
51 for renewable and energy efficiency projects at such entities, including but not
limited to, wind, solar, or hydro energy, biofuels, geothermal, and energy storage

1 applications, with applications prioritized by an interagency evaluation team
2 consisting of one representative each from each of the following, BPU, NJEDA,
3 Office of Economic Growth, New Jersey Commission on Science and

5 jobs, reduce greenhouse gas emissions, save or create energy, and provide for
6 innovative technology;

7 (3) \$9,110,306.50 to the HMFA for a program to be developed and administered by the
8 HMFA to provide financing for the construction of solar energy projects on
9 qualified multi-family housing financed through the HMFA, such funds to be
10 leveraged with existing State energy rebate programs and the federal investment
11 tax credit, with grants prioritized based on the ability to create jobs, generate
12 energy, provide benefits to property residents and to meet HMFA timeframes,
13 and with HMFA retaining ownership of all related solar renewable energy
14 certificates for the purpose of establishing a revolving fund to support additional
15 solar energy projects at HMFA-supported residential properties;

16 (4) \$1,331,402 to the HMFA for a low-interest loan program to be developed and
17 administered by the HMFA for energy efficiency upgrades at single-family and
18 multi-family facilities that are at or below 250% of the area median income (the
19 higher of statewide or county median income) based on a family of four, and
20 affordable multi-family housing owners which meet HMFA's affordability
21 requirements, and which are not eligible for equivalent financing programs
22 offered by the utilities or the Clean Energy Program;

23 (5) \$15,500,870.50 to the Clean Energy Program for energy efficiency programs
24 administered by the BPU, to be issued to public and private entities on a
25 first-come, first-served basis and specifically targeting customers who are either
26 not currently eligible for Clean Energy Fund incentives or whose energy
27 consumption patterns do not make them likely applicants;

28 (6) \$6,328,000 to the Office of Energy Savings in the Department of the Treasury for the
29 purposes of energy efficiency and renewable energy programs and projects in
30 State facilities, including State offices, State health facilities and State prisons;

31 (7) \$4,871,651 to the State Energy Office for implementing energy conservation
32 measures in State-owned and operated facilities; and

33 (8) \$2,093,363 for grants administered by the BPU to State departments, agencies,
34 authorities and public colleges and universities for energy efficient equipment
35 purposes which will reduce energy demand and greenhouse gas emissions by
36 replacing aging, energy intense equipment with new, more efficient models.

37 In the event that any of the SEP monies appropriated pursuant to the preceding paragraph
38 are not expended by the date required by the USDOE, the appropriations of such
39 funds pursuant to the preceding paragraph are hereby cancelled, and such
40 unexpended funds are hereby appropriated, subject to the approval of the
41 USDOE and the Director of the Division of Budget and Accounting to the New
42 Jersey Department of the Treasury to establish a revolving energy efficiency
43 project fund (Energy Efficiency Project Fund) for the purposes of funding
44 energy efficiency and renewable energy programs and projects in State facilities,
45 including but not limited to State offices, State health facilities and State prisons.
46 The monies appropriated from the Energy Efficiency Project Fund shall be
47 repaid to the Energy Efficiency Project Fund by the department receiving such
48 monies as follows: of the amounts hereinabove appropriated in this Act to each
49 department receiving monies from the Energy Efficiency Project Fund, there is
50 hereby appropriated for deposit in the Energy Efficiency Project Fund an amount
51 equivalent to the annual repayment due to the Energy Efficiency Project Fund

1 or the actual savings achieved, whichever is greater.

3 b. Block Grant Program. Block Grant monies received by the State under ARRA are hereby
appropriated as follows:

5 (1) \$4,160,700 to the Office of Energy Savings in the Department of the Treasury for the
purposes of energy efficiency and renewable energy programs and projects in
7 State facilities, including State offices, State health facilities and State prisons;
and

9 (2) \$10,240,000 to the BPU for grants to cities, counties and other local units of
government which are not eligible to receive directly from the federal
government funds under the Block Grant Program.

11 Notwithstanding the provisions of any law or regulation to the contrary, the Department of Labor
and Workforce Development shall consider consistent with applicable federal law a formal
13 association of community based organizations to be a “local consortium” for the purposes of
receiving funding for the delivery of English as a Second Language or Civics
15 education/training.

17 In order to permit flexibility in the handling of appropriations and ensure the timely payment of
claims to providers of medical services, amounts may be transferred among accounts in the
Children’s System of Care Services program classification. Amounts may also be transferred
19 to and from various items of appropriation within the General Medical Services program
classification of the Division of Medical Assistance and Health Services in the Department of
21 Human Services and the Children’s System of Care Services program classification in the
Department of Children and Families. All such transfers are subject to the approval of the
23 Director of the Division of Budget and Accounting. Notice thereof shall be provided to the
Legislative Budget and Finance Officer on the effective date of the approved transfer.

25 The federal grant funds hereinabove appropriated are subject to the following condition: in the
event that the agency receiving the funds from the federal government enters into an agreement
27 with another agency as the subgrantee of such federal funds, the funds may be transferred to
such subgrantee agency, subject to the approval of the Director of the Division of Budget and
29 Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer
on the effective date of the approved transfer.

31 Notwithstanding the provisions of any law or regulation to the contrary, in order to permit
flexibility in the management of federal grant funds, amounts appropriated or transferred from
33 such federal funds to State departments as subgrantees of other State departments may be
transferred back to an item of appropriation in the original grant recipient department upon
35 completion of the funded activity, subject to the approval of the Director of the Division of
Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and
37 Finance Officer on the effective date of the approved transfer.

39 Notwithstanding the provisions of any law or regulation to the contrary, the federal funds
hereinabove appropriated to the Department of Transportation are subject to the following
condition: in order to ensure the continued flow of necessary federal funds for important State
41 and local transportation projects, in the event the Federal Highway Administration (FHWA)
objects to the form of the department’s request for submission of competitive bids or to the
43 form or contents of related grant agreements funded with federal funds, the department shall
make any changes to such requests or contracts as may be determined by the FHWA to be
45 necessary to comply with federal law; and any other department, agency or authority affected
by such action is required to take any further actions required in order for it to be in
47 accordance with the changes required by FHWA.

36
37 17. The following transfer of appropriations rules are in effect for the current fiscal year:
- 38 a. To permit flexibility in the handling of appropriations, any department or agency that
39 receives an appropriation by law, may, subject to the provisions of this section, or unless
40 otherwise provided in this act, apply to the Director of the Division of Budget and
41 Accounting for permission to transfer funds from one item of appropriation to a different
42 item of appropriation. For the purposes of this section, "item of appropriation" means
43 the spending authority identified by an organization code, appropriation source, and
44 program code, unique to the item. If the director consents to the transfer, the amount
45 transferred shall be credited by the director to the designated item of appropriation and
46 notice thereof shall be provided to the Legislative Budget and Finance Officer on the
47 effective date of the approved transfer. However, the director, after consenting thereto,
48 shall submit the following transfer requests to the Legislative Budget and Finance Officer
49 for legislative approval or disapproval unless otherwise provided in this act:
50
51 (1) Requests for the transfer of State and other nonfederal funds, in amounts greater than

- 1 \$300,000, to or from any item of appropriation;
- 2 (2) Requests for the transfer of State and other nonfederal funds, in amounts greater than
- 3 \$50,000, to or from any Special Purpose account, as defined by major object 5,
- 4 or Grant account, as defined by major object 6, within an item of appropriation,
- 5 from or to a different item of appropriation;
- 6 (3) Requests for the transfer of State and other nonfederal funds, in amounts greater than
- 7 \$50,000, to or from any Special Purpose or Grant account in which the
- 8 identifying organization code, appropriation source, and program code, remain
- 9 the same, provided that the transfer would effect a change in the legislative
- 10 intent of the appropriations;
- 11 (4) Requests for the transfer of State funds, in amounts greater than \$50,000, between
- 12 items of appropriation in different departments or between items of
- 13 appropriation in different appropriation classifications herein entitled as Direct
- 14 State Services, Grants-In-Aid, State Aid, Capital Construction and Debt Service;
- 15 (5) Requests for the transfer of federal funds, in amounts greater than \$300,000, from
- 16 one item of appropriation to another item of appropriation, if the amount of the
- 17 transfer to an item in combination with the amount of the appropriation to that
- 18 item would result in an amount in excess of the appropriation authority for that
- 19 item, as defined by the program class;
- 20 (6) Requests for such other transfers as are appropriate in order to ensure compliance
- 21 with the legislative intent of this act.
- 22 b. The Joint Budget Oversight Committee or its successor may review all transfer requests
- 23 submitted for legislative approval and may direct the Legislative Budget and Finance
- 24 Officer to approve or disapprove any such transfer request. Transfers submitted for
- 25 legislative approval pursuant to paragraph (4) of subsection a. of this section shall be
- 26 made only if approved by the Legislative Budget and Finance Officer at the direction of
- 27 the committee.
- 28 c. The Legislative Budget and Finance Officer shall approve or disapprove requests for the
- 29 transfer of funds submitted for legislative approval within 10 working days of the
- 30 physical receipt thereof and shall return them to the director. If any provision of this act
- 31 or any supplement thereto requires the Legislative Budget and Finance Officer to approve
- 32 or disapprove requests for the transfer of funds, the request shall be deemed to be
- 33 approved by the Legislative Budget and Finance Officer if, within 20 working days of
- 34 the physical receipt of the request, he has not disapproved the request and so notified the
- 35 requesting officer. However, this time period shall not pertain to any transfer request
- 36 under review by the Joint Budget Oversight Committee or its successor, provided notice
- 37 of such review has been given to the director.
- 38 d. No amount appropriated for any capital improvement shall be used for any temporary
- 39 purpose except extraordinary snow removal or extraordinary transportation maintenance,
- 40 subject to the approval of the Director of the Division of Budget and Accounting.
- 41 However, an amount from any appropriation for an item of capital improvement may be
- 42 transferred to any other item of capital improvement subject to the approval of the
- 43 director, and, if in an amount greater than \$300,000, subject to the approval of the
- 44 Legislative Budget and Finance Officer.
- 45 e. The provisions of subsections a. through d. of this section shall not apply to appropriations
- 46 made to the Legislative or Judicial branches of State government. To permit flexibility
- 47 in the handling of these appropriations, amounts may be transferred to and from the
- 48 various items of appropriation by the appropriate officer or designee with notification
- 49 given to the director on the effective date thereof.
- 50 f. Notwithstanding any provisions of this section to the contrary, transfers to and from the
- 51 Special Purpose appropriation to the Governor for emergency or necessity under the

1 Other Interdepartmental Accounts program classification and transfers from the
2 appropriations to the various accounts in the category of Salary Increases and Other
3 Benefits, both in the Interdepartmental Accounts, shall not be subject to legislative
4 approval or disapproval.

5
6 18. The Director of the Division of Budget and Accounting shall make such correction of the
7 title, text or account number of an appropriation necessary to make such appropriation available
8 in accordance with legislative intent. Such correction shall be by written ruling, reciting in
9 appropriate detail the facts thereof, and reasons therefore, attested by the signature of the Director
10 of the Division of Budget and Accounting and filed in the Division of Budget and Accounting
11 of the Department of the Treasury as an official record thereof, and any action thereunder,
12 including disbursement and the audit thereof, shall be legally binding and of full force and virtue.
13 An official copy of each such written ruling shall be transmitted to the Legislative Budget and
14 Finance Officer, upon the effective date of the ruling.

15
16 19. The Legislative Budget and Finance Officer with the cooperation and assistance of the
17 Director of the Division of Budget and Accounting is authorized to adjust this appropriations bill
18 to reflect any reorganizations which have been implemented since the presentation of the
19 Governor's Budget Message and Recommendations that were proposed for this fiscal year.

20
21 20. None of the funds appropriated to the Executive Branch of State government for
22 Information Processing, Development, Telecommunications, and Related Services and Equipment
23 shall be available to pay for any of these services or equipment without the review of the Office
24 of Information Technology, and compliance with statewide policies and standards and an
25 approved department Information Technology Strategic Plan.

26
27 21. If the amount provided in this act for a State Aid payment pursuant to formula is
28 insufficient to meet the full requirements of the formula, all recipients of State Aid shall have
29 their allocation proportionately reduced, subject to the approval of the Director of the Division
30 of Budget and Accounting.

31
32 22. When the duties or responsibilities of any department or branch, except for the Legislature
33 and any of its agencies, are transferred to any other department or branch, it shall be the duty of
34 the Director of the Division of Budget and Accounting and the director is hereby empowered to
35 transfer funds appropriated for the maintenance and operation of any such department or branch
36 to such department or branch as shall be charged with the responsibility of administering the
37 functions so transferred. The Director of the Division of Budget and Accounting shall have the
38 authority to create such new accounts as may be necessary to carry out the intent of the transfer.
39 Information copies of such transfers shall be transmitted to the Legislative Budget and Finance
40 Officer upon the effective date thereof. If such transfers may be required among appropriations
41 made to the Legislature and its agencies, the Legislative Budget and Finance Officer, subject to
42 the approval of the President of the Senate and the Speaker of the General Assembly, is hereby
43 empowered and it shall be that officer's duty to effect such transactions hereinabove described
44 and to notify the Director of the Division of Budget and Accounting upon the effective date
45 thereof.

46
47 23. The Director of the Division of Budget and Accounting is empowered and it shall be the
48 director's duty in the disbursement of funds for payment of expenses classified as salary increases
49 and other benefits, employee benefits, debt service, rent, telephone, data processing, motor pool,
50 insurance, travel, postage, lease payments on equipment purchases, additions, improvements and
51 equipment, and compensation awards, to credit or transfer to the Department of the Treasury, to

1 an Interdepartmental account, or to the General Fund, as applicable, from any other department,
3 branch or non-State fund source out of funds appropriated or credited thereto, such amounts as
5 may be required to cover the costs of such payment attributable to such other department, branch
7 or non-State fund source, or to reimburse the Department of the Treasury, an Interdepartmental
9 account, or the General Fund for reductions made representing statewide savings in the above
11 expense classifications, as the director shall determine. With respect to payment of expenses
13 classified as utilities and maintenance contracts, the Director is empowered and it shall be the
15 Director's duty in the disbursement of funds to credit or transfer to the Department of the
Treasury, to an Interdepartmental account, or to the General Fund, as applicable, from any other
department or non-State fund source, but not from the Legislature or the Judiciary, out of funds
appropriated or credited thereto, such amounts as may be required to cover the costs of such
payment attributable to such other department or non-State fund source, or to reimburse the
Department of the Treasury, an Interdepartmental account, or the General Fund for reductions
made representing statewide savings in these expense classifications, as the director shall
determine. Receipts in any non-State funds are appropriated for the purpose of such transfer.

17 24. The Governor is empowered to direct the State Treasurer to transfer from any State
19 department to any other State department such amounts as may be necessary for the cost of any
21 emergency occasioned by aggression, civil disturbance, sabotage, or disaster. In addition, there
23 are appropriated such additional amounts as may be necessary for emergency repairs and
25 reconstruction of State facilities or property, subject to the approval of the Director of the
Division of Budget and Accounting and the Joint Budget Oversight Committee. Appropriations
referred to the Joint Budget Oversight Committee shall be deemed approved, unless a resolution
of disapproval is adopted within 10 working days of receipt of notification of the proposed
appropriation.

27 25. Upon request of any department receiving non-State funds, the Director of the Division
29 of Budget and Accounting is empowered to transfer such funds from that department to other
departments as may be charged with the responsibility for the expenditure thereof.

31 26. The Director of the Division of Budget and Accounting is empowered to transfer or credit
33 appropriations to any State agency for services provided, or to be provided, by that agency to any
35 other agency or department; provided further, however, that funds have been appropriated or
allocated to such agency or department for the purpose of purchasing these services.

37 27. Notwithstanding the provisions of any law or regulation to the contrary, should
39 appropriations in the Property Tax Relief Fund exceed available revenues, the Director of the
41 Division of Budget and Accounting is authorized to transfer General Fund unreserved,
undesigned fund balances into the Property Tax Relief Fund, providing unreserved,
undesigned fund balances are available from the General Fund, as determined by the Director
of the Division of Budget and Accounting.

43 28. Notwithstanding the provisions of any law or regulation to the contrary, should
45 appropriations in the Casino Revenue Fund exceed available revenues, the Director of the
47 Division of Budget and Accounting is authorized to transfer General Fund unreserved,
undesigned fund balances into the Casino Revenue Fund, providing unreserved, undesigned
fund balances are available from the General Fund, as determined by the Director of the Division
of Budget and Accounting.

49 29. Notwithstanding the provisions of P.L.1954, c.48 (C.52:34-6 et seq.), amounts
51 appropriated for services for the various State departments and agencies may be expended for the

1 purchase of contract services from the New Jersey Sea Grant Consortium as if it were a State
government agency pursuant to subsection (a) of section 5 of P.L.1954, c.48 (C.52:34-10).

3
5 30. Out of the amounts hereinabove appropriated, the Director of the Division of Budget and
Accounting is empowered to approve payment of obligations applicable to prior fiscal years, upon
7 the written recommendation of any department head, or the department head's designated
representative. The Director of the Division of Budget and Accounting shall reject any
9 recommendations for payment which the Director deems improper.

11 31. Whenever any county, municipality, school district, college, university, or a political
subdivision thereof withholds funds from a State agency, or causes a State agency to make
13 payment on behalf of a county, municipality, school district, college, university or a political
subdivision thereof, then the Director of the Division of Budget and Accounting may withhold
15 State aid or grant payments and transfer the same as payment for such funds, as the Director of
the Division of Budget and Accounting shall determine.

17 32. The Director of the Division of Budget and Accounting is empowered to establish
revolving and dedicated funds as required. Notice of the establishment of such funds shall be
19 transmitted to the Legislative Budget and Finance Officer upon the effective date thereof.

21 33. The Director of the Division of Budget and Accounting may, upon application therefore,
allot from appropriations made to any official, department, commission or board, an amount to
23 establish a petty cash fund for the payment of expenses under rules and regulations established
by the director. Allotments thus made by the Director of the Division of Budget and Accounting
25 shall be paid to such person as shall be designated as the custodian thereof by the official,
department, commission or board making a request therefore, and the money thus allotted shall
27 be disbursed by such custodian who shall require a receipt therefore from all persons obtaining
money from the fund. The director shall make regulations governing disbursement from petty
29 cash funds.

31 34. From appropriations to the various departments of State government, the Director of the
Division of Budget and Accounting is empowered to transfer amounts sufficient to pay any
33 obligation due and owing in any other department or agency.

35 35. Notwithstanding the provisions of any law or regulation to the contrary, the State
Treasurer may transfer from any fund in the State Treasurer's custody, deposited with the State
37 Treasurer pursuant to law, sufficient amounts to enable payments from any appropriation made
herein for any obligations due and owing. Any such transfer shall be restored out of the taxes or
39 other revenue received in the Treasury in support of this act. Except for transfers from the several
funds established pursuant to statutes that provide for interest earnings to accrue to those funds,
41 all such transfers shall be without interest. If the statute provides for interest earnings, it shall be
calculated at the average rate of earnings during the fiscal year from the State's general
43 investments and such amounts as are necessary shall be appropriated, subject to the approval of
the Director of the Division of Budget and Accounting.

45 36. Any qualifying State Aid appropriation, or part thereof, made from the General Fund may
47 be transferred and recorded as an appropriation from the Property Tax Relief Fund, as deemed
necessary by the State Treasurer, in order that the Director of the Division of Budget and
49 Accounting may warrant the necessary payments; provided, however, that the available
unreserved, undesignated fund balance in the Property Tax Relief Fund, as determined by the
51 State Treasurer, is sufficient to support the expenditure.

1
3 37. Notwithstanding any other provisions of this act, the State Treasurer, upon warrant of the
5 Director of the Division of Budget and Accounting, shall pay any claim not exceeding \$4,000 out
7 of any appropriations made to the several departments, provided such claim is recommended for
9 payment by the head of such department. The Legislative Budget and Finance Officer shall be
notified of the amount and description of any such claim at the time such payment is made. Any
claimant who has presented a claim not exceeding \$4,000, which has been denied or not
recommended by the head of such department, shall be precluded from presenting said claim to
the Legislature for consideration.

11 38. Unless otherwise provided, federal grant and project receipts representing reimbursement
13 for agency and central support services, indirect and administrative costs, as determined by the
15 Director of the Division of Budget and Accounting, shall be transmitted to the Department of the
17 Treasury for credit to the General Fund; provided, however, that a portion of the indirect and
19 administrative cost recoveries received which are in excess of the amount anticipated may be
21 reclassified into a dedicated account and returned to State departments and agencies, as
23 determined by the Director of the Division of Budget and Accounting, who shall notify the
Legislative Budget and Finance Officer of the amount of such funds returned, the departments
or agencies receiving such funds and the purpose for which such funds will be used, within 10
working days of any such transaction. Such receipts shall be forwarded to the Director of the
Division of Budget and Accounting upon completion of the project or at the end of the fiscal year,
whichever occurs earlier.

25 39. Notwithstanding the provisions of any law or regulation to the contrary, each local school
27 district that participates in the Special Education Medicaid Initiative (SEMI) shall receive a
29 percentage of the federal revenue realized for current year claims. The percentage share shall be
17.5% of claims approved by the State by June 30. The impact of federal claim adjustments may
be charged against current year revenue disbursements, subject to the approval of the Director
of the Division of Budget and Accounting.

31 40. Notwithstanding the provisions of any law or regulation to the contrary, each local school
33 district that participates in the Medicaid Administrative Claiming (MAC) initiative shall receive
35 a percentage of the federal revenue realized for current year claims. The percentage share shall
be 17.5% of claims approved by the State by June 30.

37 41. Notwithstanding the provisions of P.L.1943, c.188 (C.52:14-17.1 et seq.), the rate of
39 reimbursement for mileage allowed for employees traveling by personal automobile on official
business shall be \$.31 per mile.

41 42. State agencies shall prepare and submit a copy of their agency or departmental budget
43 requests for the next ensuing fiscal year to the Director of the Division of Budget and Accounting
45 by the deadline and in the manner required by the Director. In addition, State agencies shall
47 prepare and submit a copy of their spending plans involving all State, federal and other non-State
funds to the Director of the Division of Budget and Accounting and the Legislative Budget and
Finance Officer by November 1, and updated spending plans on February 1 and May 1 of this
fiscal year. The spending plans shall account for any changes in departmental spending which
differ from this appropriations act and all supplements to this act. The spending plans shall be
submitted on forms specified by the Director of the Division of Budget and Accounting.

49 43. The Director of the Division of Budget and Accounting shall provide the Legislative
51 Budget and Finance Officer with copies of all BB-4s, Application for non-State Funds, and

1 accompanying project proposals or grant applications, which require a State match and that may
2 commit or require State support after the grant's expiration.

3
4 44. In order to provide effective cash flow management for revenues and expenditures of the
5 General Fund and the Property Tax Relief Fund in the implementation of this annual
6 appropriations act, there are appropriated from the General Fund such amounts as may be
7 required to pay the principal of and interest on tax and revenue anticipation notes including notes
8 in the form of commercial paper (hereinafter collectively referred to as short-term notes), together
9 with any costs or obligations relating to the issuance thereof or contracts related thereto,
10 according to the terms set forth hereinabove. Provided further that, to the extent that short-term
11 notes are issued for cash flow management purposes in connection with the Property Tax Relief
12 Fund, there are appropriated from the Property Tax Relief Fund such amounts as may be required
13 to pay the principal of those short-term notes.

14 45. The State Treasurer is authorized to issue short-term notes, which notes shall not
15 constitute a general obligation of the State or a debt or a liability within the meaning of the State
16 Constitution, and the State Treasurer is authorized to pay any costs or obligations relating to the
17 issuance of such short-term notes or contracts relating thereto. Such short-term notes shall be
18 issued in such amounts and at such times as the State Treasurer shall deem necessary for the
19 above stated purposes and for the payment of related costs, and on such terms and conditions,
20 sold in such manner and at such prices, bearing interest at such fixed or variable rate or rates,
21 renewable at such time or times, and entitled to such security, and using such paying agents as
22 shall be determined by the State Treasurer. The State Treasurer is authorized to enter into such
23 contracts and to take such other actions, all as determined by the State Treasurer to be appropriate
24 to carry out the above cash flow management purposes. The State Treasurer shall give
25 consideration to New Jersey-based vendors in entering into such contracts. Whenever the State
26 Treasurer issues such short-term notes, the State Treasurer shall report on each such issuance to
27 the Chairman of the Senate Budget and Appropriations Committee and the Chairman of the
28 Assembly Appropriations Committee.

29
30 46. Notwithstanding the provisions of section 29 of P.L.1983, c.303 (C.52:27H-88), or any
31 law or regulation to the contrary, interest earned in the current fiscal year on balances in the
32 Enterprise Zone Assistance Fund, shall be credited to the General Fund.

33
34 47. There is appropriated \$175,000 from the Casino Simulcasting Fund for transfer to the
35 Casino Revenue Fund.

36
37 48. In all cases in which language authorizes the appropriation of additional receipts not to
38 exceed a specific amount, and the specific amount is insufficient to cover the amount due for
39 fringe benefits and indirect costs, there are appropriated from receipts such additional amounts
40 as are required to fully cover the amount due for fringe benefits and indirect costs, subject to the
41 approval of the Director of the Division of Budget and Accounting.

42
43 49. There are appropriated, from receipts from any structured financing transaction, such
44 amounts as may be necessary to satisfy any obligation incurred in connection with any structured
45 financing agreement, subject to the approval of the Director of the Division of Budget and
46 Accounting. In addition, there are appropriated such amounts as may be necessary to pay costs
47 incurred in connection with any proposed structured financing transaction, subject to the approval
48 of the Director of the Division of Budget and Accounting.

49
50 50. Notwithstanding the provisions of any departmental language or statute, receipts in excess

1 of those anticipated or appropriated as provided in the Departmental Revenue Statements
3 (BB-103s) in the budget submission for this fiscal year are not available for expenditure until a
5 comprehensive expenditure plan is submitted to and approved by the Director of the Division of
7 Budget and Accounting.

9 51. Such amounts as may be necessary are appropriated or transferred from existing
11 appropriations for the purpose of promoting awareness to increase participation in programs that

15 health and safety, subject to the approval of the Director of the Division of Budget and
17 Accounting.

19 52. There are appropriated such additional amounts as may be required to pay the amount of
21 any civil penalty imposed on a State officer, employee or custodian pursuant to section 12 of
23 P.L.2001, c.404 (C.47:1A-11), as recommended by the Attorney General and as the Director of
25 the Division of Budget and Accounting shall determine.

27 53. Receipts from the provision of copies and other materials related to compliance with
29 section 12 of P.L.2001, c.404 (C.47:1A-11), are appropriated for the purpose of offsetting agency
31 and departmental expenses of complying with the public access law, subject to the approval of
33 the Director of the Division of Budget and Accounting.

35 54. Notwithstanding the provisions of any law or regulation to the contrary, there is
37 appropriated from the Universal Service Fund \$67,337,000 for transfer to the General Fund as
39 State revenue.

41 55. Any qualifying State Aid or Grants-In-Aid appropriation, or part thereof, made from the
43 General Fund may be transferred and recorded as an appropriation from the Casino Revenue
45 Fund, as deemed necessary by the State Treasurer, in order that the Director of the Division of
47 Budget and Accounting may warrant the necessary payments; provided, however, that the
49 available unreserved, undesignated fund balance in the Casino Revenue Fund, as determined by
51 the State Treasurer, is sufficient to support the expenditure.

53 56. Notwithstanding the provisions of any law or regulation to the contrary, from the
55 amounts appropriated in this act, the State shall make its required contributions to the Teachers'
57 Pension and Annuity Fund, the Judicial Retirement System, the Public Employees' Retirement
