26 to the amounts hereinabove appropriated, there are appropriated such additional amounts
27 as are determined to be necessary for reimbursement of non-recurring costs associated with
28 local government unit consolidations, subject to the approval of the Director of the Division
29 of Budget and Accounting; provided further that there are appropriated such additional
30 amounts, not to exceed \$15,000,000, as the Director of the Division of Budget and
31 Accounting, in consultation with the Commissioner of Community Affairs and the Director
32 of the Division of Local Government Services, shall determine to be necessary to design and
33 implement a voluntary county-based demonstration project to achieve efficiencies and future
34 cost savings in the provision of services at the local level.

35 Of the amount hereinabove appropriated for Transitional Aid to Localities, an amount may be
36 allocated by the Director of the Division of Local Government Services to provide short-
37 term financial assistance to a local government unit that is determined by the director to be
38 experiencing financial distress caused by the destruction or loss of a major local business
39 ratable. For purposes of this paragraph, a "major local business ratable" means one or more
40 related parcels of property owned by a single business entity, classified as commercial or
41 industrial, which comprised the largest assessed valuation of any one or more line items of
42 taxable property in a municipality, or generated an annual PILOT payment in excess of 10%
43 of the total municipal levy, or is otherwise determined by the director to be of such
44 significance to a municipality that its destruction or loss has resulted in financial distress;
45 provided, however, that notwithstanding the provisions of any law or regulation to the
46 contrary, the Director of the Division of Local Government Services may direct that part of
47 any such allocation be paid to an affected school district or county, or to both, in the same
48 manner as if the award of Transitional Aid were raised as revenue from the municipal tax
49 levy; and provided further that a local government unit determined to be experiencing
50 financial distress because of the loss or destruction of a major local business ratable shall
51 not be required to be subject to any additional conditions, requirements, orders, or other
52 operational efficiency or oversight measures authorized pursuant to P.L.2011, c.144
53 (C.52:27D-118.42a), except as determined to be appropriate by the Director of the Division
54 of Local Government Services.

55 The amount hereinabove appropriated for Transitional Aid to Localities is subject to the
56 following condition: notwithstanding the provisions of R.S.43:21-14, or any other law or
57 regulation to the contrary, the Commissioner of Labor and Workforce Development, in
58 consultation with the Commissioner of Community Affairs, is authorized to enter into
59 individualized payment plan agreements with municipalities that receive Transitional Aid
60 for the reimbursement of unemployment benefits paid to former employees of such
municipal government units, at reasonable interest rates based on current market conditions,

2 and on such other terms and conditions as may be determined to be appropriate by the
Commissioner of Labor and Workforce Development. Any municipality that enters into an
3 individualized payment plan agreement pursuant to this section shall be required to expend
4 all funds budgeted for this activity remaining as of the last day of its budget year for the
repayment of outstanding obligations under the plan.

6 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
appropriated for Transitional Aid to Localities shall be allocated to provide short-term
7 financial assistance where needed to help a municipality that is in serious fiscal distress
meet immediate budgetary needs and regain financial stability. A municipality shall be
8 deemed to be eligible for transitional aid if it is identified by the Director of the Division of
Local Government Services as experiencing serious fiscal distress where the director
10 determines that, despite local officials having implemented substantive cost reduction
strategies, there continue to exist conditions of serious fiscal distress, which may include but
12 shall not be limited to: substantial structural or accumulated deficits; ongoing reliance on
non-recurring revenues; limited ability to raise supplemental non-property tax revenues;
14 extraordinary demands for public safety appropriations; and other factors indicating a
constrained ability to raise sufficient revenues to meet budgetary requirements that
16 substantially jeopardizes the fiscal integrity of the municipality. Municipalities seeking
transitional aid shall file an application on a form prescribed by the director, which
18 application, among other things, shall set forth the minimum criteria that must be met in
order for an application to be considered by the director for a determination of eligibility.
20 The director shall determine whether a municipality which files an application meeting such
minimum criteria is in serious fiscal distress, and, if so, what amount of transitional aid
22 should be provided to address the municipality's serious fiscal distress. The transitional aid
shall be provided to the municipality subject to the provisions of subsection a. of section 1
24 of P.L.2011, c.144 (C.52:27D-118.42a); provided, however, that an amount of Transitional
Aid to Localities as determined by the Director of the Division of Local Government
26 Services for a municipality may be deemed to constitute Consolidated Municipal Property
Tax Relief Aid in an amount not in excess of the amount of Transitional Aid to Localities
28 such municipality received in the previous fiscal year and shall not reduce the amount of
Consolidated Municipal Property Tax Relief Aid such municipality shall receive for the
30 current fiscal year. Provided, however, if the Director of the Division of Local Government
Services deems an amount of Transitional Aid to Localities for a municipality as
32 constituting Consolidated Municipal Property Tax Relief Aid pursuant to this provision, that
municipality is not relieved from compliance with the requirements for transitional aid.

36 Notwithstanding the provisions of subsection d. of section 29 of P.L.1999, c.152 (C.13:8C-29)
or subsection d. of section 30 of P.L.1999, c.152 (C.13:8C-30), or any law or regulation to
38 the contrary, all payments to municipalities in lieu of taxes for lands acquired by the State
and non-profit organizations for recreation and conservation purposes shall be retained by
40 the municipality and not apportioned in the same manner as the general tax rate of the
municipality.

42 Notwithstanding the provisions of any law or regulation to the contrary, payments to
municipalities in lieu of taxes for lands acquired by the State and non-profit organizations
44 for recreation and conservation purposes shall be provided only to municipalities whose
payments received in fiscal year 2010 exceeded \$5,000 and shall be provided at two-thirds
46 of the payment amount provided in fiscal year 2010.

48 Notwithstanding the provisions of any law or regulation to the contrary, any qualifying
municipality, as defined in section 1 of P.L.1978, c.14 (C.52:27D-178) for the previous
fiscal year, shall continue to be a qualifying municipality thereunder during the current fiscal
50 year.

52 Notwithstanding the provisions of any law or regulation to the contrary, whenever funds
appropriated as State Aid and payable to any municipality, which municipality requests and
receives the approval of the Local Finance Board, such funds may be pledged as a guarantee
54 for payment of principal and interest on any bond anticipation notes issued pursuant to
section 11 of P.L.2003, c.15 (C.40A:2-8.1) and any tax anticipation notes issued pursuant
56 to N.J.S.40A:4-64 by such municipality. Such funds, if so pledged, shall be made available
by the State Treasurer upon receipt of a written notification by the Director of the Division
58 of Local Government Services that the municipality does not have sufficient funds available
for prompt payment of principal and interest on such notes, and shall be paid by the State
60 Treasurer directly to the holders of such notes at such time and in such amounts as specified

by the director, notwithstanding that payment of such funds does not coincide with any date for payment otherwise fixed by law.

The State Treasurer, in consultation with the Commissioner of Community Affairs, is empowered to direct the Director of the Division of Budget and Accounting to transfer appropriations from any State department to any other State department as may be necessary to provide a loan for a term not to exceed 180 days to a local government unit faced with a fiscal crisis, including but not limited to a potential default on tax anticipation notes and on such other terms and conditions as may be required by the commissioner.

Notwithstanding the provisions of N.J.S.40A:4-39 or any other law or regulation to the contrary, a county that assumes responsibility for the provision of local police services in one or more municipalities utilizing a new or expanded county police force may display the anticipated revenues and appropriations associated with such county police force in its annual budget by annexing to that budget a statement describing the sources and amounts of anticipated dedicated revenues and appropriating those dedicated amounts for the purposes of the county police force.

In the event the hospital completed a merger, acquisition, or business combination resulting in two cost reports filed during the calendar year, two cost reports will be combined into one or a supplemental cost report for the calendar year 2017 submitted by the affected acute care hospital by October 31, 2018 shall be used. In the event that a hospital did not report its Medicaid managed care days on the cost report utilized in this calculation, the Department of Health (DOH) shall ascertain Medicaid managed care encounter days for Medicaid and NJ FamilyCare clients as reported by insurers to the State as per source data defined in (b) above; (d) Medicaid managed care DME cost begins with the intern and residency program costs using the 2017 submitted Medicaid cost report total residency costs, reported on Worksheet B Pt I Column 21 Line 21 plus Worksheet B Pt I Column 22 Line 22 divided by the 2017 resident full time equivalent employees (FTE), reported on Worksheet S-3 Pt 1 Column 9 line 14 to develop an average cost per resident FTE for each hospital; (e) median cost per resident FTE is calculated based on the average cost per resident FTE for each hospital; (f) the median cost per resident FTE is multiplied by the 2017 resident FTEs reported on Worksheet S-3 Pt 1 Column 9 Line 14 to develop total median residency program cost for each hospital; (g) median residency costs are multiplied by the ratio of Medicaid managed care days, reported on Worksheet S-3 Column 7 Line 2, divided by the difference of total days, reported on Worksheet S-3 Column 8 Line 14, less nursery days, reported on Worksheet S-3 Column 8 Line 13 to determine the Medicaid managed care DME cost of each hospital; (h) Medicaid managed care IME cost is defined as the Medicare IME factor multiplied by Medicaid managed care encounter payments as per source data defined in (b) above; (i) the IME factor is calculated using the Medicare IME formula as follows: $1.35 * [(1 + x)^{0.405} - 1]$, in which "x" is the ratio of submitted IME resident FTEs reported on Worksheet S-3 Pt 1 Column 9 Line 14 divided by the difference of total available beds, reported on Worksheet S-3 Column 2 Line 14, less nursery beds, reported on Worksheet S-3 Column 2 Line 13; (j) total 2017 Medicaid managed care GME costs shall equal total 2017 Medicaid managed care IME costs plus total 2017 Medicaid managed care DME costs; (k) the 2017 total Medicaid managed care DME costs is divided by the total 2017 Medicaid managed care GME costs; (l) the DME allocation portion is calculated by multiplying the total subsidy amount by the ratio in (k) above; (m) each hospital's percentage of total 2017 Medicaid managed care DME costs shall be multiplied by the DME allocation to calculate its DME payment; (n) the 2017 total Medicaid managed care IME costs are divided by the total 2017 Medicaid managed care GME costs; (o) the IME allocation portion is calculated by multiplying the total subsidy amount by the ratio in (n) above; (p) each hospital's percentage of total 2017 Medicaid managed care IME costs shall be multiplied by the IME allocation to calculate its IME payment; (q) the sum of a hospital's DME and IME payments shall equal its subsidy payment. The total GME Subsidy amount and these payments shall not exceed \$218,000,000 and shall be paid in 12 monthly payments; (r) in the event that a hospital believes that there are mathematical errors in the calculations, or data not matching the actual source documents used to calculate the subsidy as defined above, hospitals shall be permitted to file calculation appeals within 15 working days of receipt of the subsidy allocation letter. If upon review it is determined by the DOH that the error has occurred and would constitute at least a five percent change in the hospital's allocation amount, a revised industry-wide allocation shall be issued; (s) each hospital receiving a GME allocation shall, on or before May 31, 2020, provide a report to the Commissioner of Health indicating the total number of physicians who completed their training during the preceding calendar year, and the number of those physicians who plan to practice medicine within the State of New Jersey.

Notwithstanding the provisions of any law or regulation to the contrary, and except as otherwise provided and subject to such modifications as may be required by the Centers for Medicare and Medicaid Services in order to achieve any required federal approval and full Federal Financial Participation, \$24,000,000 from the amounts hereinabove appropriated from Graduate Medical Education (GME) shall be designated as Supplemental Graduate Medical Education Subsidy (GME-S), and shall be available to hospitals that meet the following eligibility criteria: (a) an eligible hospital has a Relative Medicaid Percentage (RMP) that is among the top fourteen acute care hospitals with a residency program; (b) the RMP is a ratio calculated using the 2017 Audited Acute Care Hospital (ACH) Cost Reports; (c) the RMP numerator equals a hospital's gross revenue from patient care for Medicaid and

Medicaid HMO payers as reported on Forms E5 and E6, Line 1, Column D & Column H; (d) the RMP denominator equals a hospital's gross revenue from patient care as reported on Form E4, Line 1, Column E; (e) for instances where hospitals that have a single Medicaid identification number submit a separate ACH Cost Report for each individually licensed hospital, the ACH Cost Report data for those hospitals shall be consolidated to the single Medicaid identification number; (f) the GME-S Subsidy shall be calculated using the same methodology as the GME Subsidy is calculated in this act, except the total amount of the GME-S Subsidy payments shall not exceed \$24,000,000.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Graduate Medical Education (GME) is subject to the following condition: participating hospitals shall provide to residents and fellows participating in the GME program instruction concerning prevention of opioid addiction as well as diagnosis, assessment, and treatment strategies: provided, however, that such instruction may also be provided to other students and providers including, but not limited to, physicians, nurses, pharmacists, and social workers, working within the hospital or in the outpatient setting. To satisfy this condition, participating hospitals may develop an internal training program, enter into a partnership with a school or university, or provide financial support for residents and fellows to participate in independent educational programs or conferences that provide continuing medical education credits that are specifically focused in the subject area of addiction. To document compliance, participating hospitals shall complete a report to the Department of Health no later than May 31, 2020.

In addition to the amount hereinabove appropriated for Health Care Systems Analysis, an amount not to exceed \$1,000,000 is appropriated from amounts assessed and collected by the Department of Banking and Insurance pursuant to section 9 of P.L.2007, c.330 (C.17:1D-2), for the purpose of funding costs associated with the development and maintenance of the New Jersey Health Information Network, subject to a plan prepared by the Department of Health and approved by the Director of the Division of Budget and Accounting.

13 Support of Patients in County Psychiatric
Hospitals (PTRF) (\$105,214,000)

8 The unexpended balance at the end of the preceding fiscal year in the Support of Patients in
County Psychiatric Hospitals account is appropriated for the same purpose.

10 Notwithstanding the provisions of R.S.30:4-78, or any law or regulation to the contrary, the
State share of payments from the Support of Patients in County Psychiatric Hospitals
12 account to the several county psychiatric facilities on behalf of the reasonable cost of
maintenance of patients deemed to be county indigents shall be at the rate of 125 percent of
14 the rate established by the Commissioner of Human Services, in consultation with the
Commissioner of Health, for the period July 1 to December 31 and at the rate of 45 percent
16 of the rate established by the Commissioner of Human Services, in consultation with the
Commissioner of Health, for the period January 1 to June 30 such that the total amount to
18 be paid by the State on behalf of county indigent patients for the calendar year shall not
exceed 85 percent of the total reasonable per capita cost; and further provided that the rate
20 at which the State will reimburse the county psychiatric hospitals shall not exceed 100
percent of the per capita rate at which each county pays to the State for the reasonable cost
22 of maintenance and clothing of each patient residing in a State psychiatric facility, excluding
the depreciation, interest, and carry-forward adjustment components of this rate, and
24 including the depreciation, interest, and carry-forward adjustment components of each
individual county psychiatric hospital's rate established for the period January 1 to
26 December 31 by the Commissioner of Human Services in consultation with the
Commissioner of Health. The initial determination of whether a county hospital rate exceeds
28 the per capita rate that counties pay to the State on behalf of applicable patients residing in
a State psychiatric facility will be based on a comparison of estimated cost used to set
30 reimbursement rates for the upcoming calendar year. A second comparison of the actual per
diem costs of the county psychiatric hospital and State psychiatric hospitals will be
32 completed after actual cost reports for the period are available including an inflationary
adjustment for the six-month difference in fiscal reporting periods between State and county
34 hospitals. The county hospital carry-forward adjustment to be included in rates paid by the
State will exclude costs found to exceed 100 percent of the actual cost rate of the State
36 psychiatric facilities.

38 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the
following provision: payments to county psychiatric hospitals will only be made after
40 receipt of their claims by the Division of Mental Health and Addiction Services. County
psychiatric hospitals shall submit such claims no less frequently than quarterly and within
42 15 days of the close of each quarter.

44 With the exception of all past, present, and future revenues representing federal financial
participation received by the State from the United States that is based on payments to
hospitals that serve a disproportionate share of low-income patients, which shall be retained
46 by the State, the sharing of revenues received to defray the State Aid appropriation for the
costs of maintaining patients in State and county psychiatric hospitals shall be based on the
48 same percent as costs are shared between the State and counties.

50 The amount hereinabove appropriated for State Aid reimbursement payments for maintenance
of patients in county psychiatric facilities shall be limited to inpatient services only, except
52 that such reimbursement shall be paid to a county for outpatient and partial hospitalization
services as defined by the Department of Human Services, if outpatient and/or partial
54 hospitalization services had been previously provided at the county psychiatric facility prior
to January 1, 1998. These outpatient and partial hospitalization payments shall not exceed
the amount of State Aid funds paid to reimburse outpatient and partial hospitalization
56 services provided during calendar year 1997. In addition, any revision or expansion to the
number of inpatient beds or inpatient services provided at such hospitals which will have

a material impact on the amount of State Aid payments made for such services, must first be approved by the Department of Human Services before such change is implemented.

The amount hereinabove appropriated for the Division of Mental Health and Addiction Services for State facility operations and the amount appropriated as State Aid for the costs of county facility operations are first charged to the federal Disproportionate Share Hospital (DSH) reimbursements anticipated as Medicaid uncompensated care. Accordingly, DSH revenues earned by the State related to services provided by county psychiatric hospitals which are supported through this State Aid appropriation shall be considered as the first source supporting the State Aid appropriation.

In addition to the amounts hereinabove appropriated for the Support of Patients in County Psychiatric Hospitals, in the event that the Assistant Commissioner of the Division of Mental Health and Addiction Services determines that, in order to provide the least restrictive setting appropriate, a patient should be admitted to a county psychiatric hospital in a county other than the one in which the patient is domiciled rather than to a State psychiatric hospital, there are hereby appropriated such additional amounts as may be required, as determined by the Assistant Commissioner to reimburse a county for the extra costs, if any, which were incurred in connection with the care of such patient in a county psychiatric hospital which exceeded the cost of care which would have been incurred had the patient been placed in a State psychiatric hospital, subject to the approval of the Director of the Division of Budget and Accounting.

The amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provisions: County psychiatric hospitals shall: (1) enroll and continue to maintain enrollment as providers in the State's NJ FamilyCare program; (2) complete or pursue in good faith the completion of eligibility applications for patients who could be NJ FamilyCare eligible; (3) bill the NJ FamilyCare program for all applicable services; and (4) neither admit nor discharge patients based upon NJ FamilyCare eligibility.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the county psychiatric hospitals providing and certifying all information that is required by the State, in the form specified by the Division of Mental Health and Addiction Services, to prepare a complete, accurate, and timely claim to federal authorities for Medicaid Disproportionate Share Hospital claim revenues.

Notwithstanding the provisions of R.S.30:4-78, or any other law or regulation to the contrary, the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provisions: for rates effective January 1, 2013, and any prior year rate adjustments that may be required beginning January 1, 2013, the approval of the State House Commission shall not be required for the setting of such rates and the Commissioner of Human Services, in consultation with the Commissioner of Health, shall set: (1) the per capita cost rates to be paid by the State to the several counties on behalf of the reasonable cost of maintenance of State and county patients in any county psychiatric facility, including outpatient psychiatric services, (2) the per capita rates which each county shall pay to the Treasurer for the reasonable cost of maintenance and clothing of each patient residing in a State psychiatric facility having a legal settlement in such county ("County Patients"), and (3) the rates to be paid for the reasonable cost of maintenance and clothing of the convict and criminal mentally ill in any State psychiatric facility and the cost of maintenance of County Patients residing in State developmental centers or receiving other residential functional services for the developmentally disabled. Such rates will be fixed no later than October 1 of each calendar year. Notice of such rates shall be provided by the Commissioner of Human Services to the clerk of the respective boards of chosen freeholders.

In the event that the Division of Mental Health and Addiction Services is notified that a county psychiatric hospital will cease operations for the current fiscal year, or any portion thereof, in order to assure continuity of care for patients who otherwise would have been served by the county hospital, as well as to preserve patient and public safety, the Division shall have the authority to transfer funds from the Support of Patients in County Psychiatric Hospitals account to Direct State Services and Grants-In-Aid accounts in the Division of Mental Health and Addiction Services, for the fiscal year, subject to a plan approved by the Director of the Division of Budget and Accounting.

15 made by a third party to the State shall be considered final two years after payment is made.

16 Notwithstanding the provisions of subparagraph (8) of subsection i. of section 3 of P.L.1968,
17 c.413 (C.30:4D-3) and subparagraphs (3), (4), and (5) of subsection g. of section 6 of
18 P.L.1968, c.413 (C.30:4D-6), or any other law or regulation to the contrary, the amounts

34 subject to the approval of the Director of the Division of Budget and Accounting and subject
35 to any required federal approval.

36 Of the amount hereinabove appropriated within the General Medical Services program
37 classification, the Division of Medical Assistance and Health Services, subject to federal
38 approval, shall implement policies that would limit the ability of persons who have the
39 financial ability to provide for their own long-term care needs to manipulate current NJ
40 FamilyCare rules to avoid payment for that care. The Division shall require, in the case of
41 a married individual requiring long-term care services, that the portion of the couple's
42 resources that is not protected for the needs of the community spouse be used solely for the
43 purchase of long-term care services.

44 Notwithstanding the provisions of any law or regulation to the contrary, all object accounts
45 appropriated in the General Medical Services program classification shall be conditioned
46 upon the following provision: when any action by a county welfare agency, whether alone

8 the approval of the Director of the Division of Budget and Accounting.

9 Notwithstanding the provisions of any law or regulation to the contrary, and subject to federal
10 approval, of the amounts appropriated in the General Medical Services program
11 classification, the Commissioner of Human Services is authorized to develop and introduce

20 worker may be removed from the outstation location.

21 For the purposes of account balance maintenance, all object accounts appropriated in the

24 overspending will occur in the program classification.

25 The amounts hereinabove appropriated for the General Medical Services program classification
26 are conditioned upon the Commissioner of Human Services making changes to such
27 programs to make them consistent with the federal "Deficit Reduction Act of 2005,"
28 Pub.L.109-171.

29 All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194
30 (C.30:4D-20 et seq.) during the current fiscal year are appropriated for payments to
31 providers in the same program classification from which the recovery originated.

32 The amount hereinabove appropriated for the Division of Medical Assistance and Health
33 Services first shall be charged to the federal disproportionate share hospital reimbursements
34 anticipated as Medicaid uncompensated care.

42 if required, under State or federal law for such matching are obtained.

2 however, in the event that the number of licensed beds decreases by 20 percent or more, the
3 prospective per diem rate may be renegotiated. Any Medicaid cost reports not final settled
4 for Medicaid fee-for-service reimbursement prior to July 1, 2016 shall be prospectively
5 settled based on the per diem rate in effect and paid on June 30, 2015, adjusted to deflate
6 to the applicable cost report year.

7 Of the amounts hereinabove appropriated for General Medical Services, effective January 1,
8 2018 such sums as are necessary shall be made available to reimburse medical professionals

28 respectively, as reimbursement for each NJ FamilyCare beneficiary under their care.

29 Subject to federal approval, the appropriations for those programs within the General Medical

31 implementing policies that would limit the ability of individuals who have the financial
32 ability to provide for their own long-term care needs to manipulate current NJ FamilyCare
33 rules to avoid payment for that care. The Division of Medical Assistance and Health
34 Services shall require, in the case of a married individual requiring long-term care services,

53 medical day care services shall be conditioned on the following provision: effective August
54 15, 2010, no payments for NJ FamilyCare adult medical day care services shall be provided
55 on behalf of any beneficiary who received prior authorization for these services based
56 exclusively on the need for medication administration.

Notwithstanding the provisions of chapter 85 of Title 8 of the New Jersey Administrative Code or any other law or regulation to the contrary, and subject to any required federal approval, the amounts hereinabove appropriated within the General Medical Services program classification are subject to the following conditions: (1) Class I (private), Class II (county), and Class III (special care) nursing facilities being paid on a fee-for-service basis, shall be reimbursed at the greater of the rate received on June 30, 2019, or the per diem rate, including the quality of care add-on, of \$188.35; (2) nursing facilities that are being paid by a Managed Care Organization (MCO) for custodial care through a provider contract that includes a negotiated rate shall receive that negotiated rate; (3) any Class I and Class III nursing facility that is being paid by an MCO for custodial care through a provider contract but has not yet negotiated a rate shall receive the greater of the equivalent fee-for-service per diem reimbursement rate as it received as of June 30, 2019, or the per diem rate, including the quality of care add-on, of \$188.35, and any Class II nursing facility that is being paid by an MCO but has not yet negotiated a rate shall receive the greater of the equivalent fee-for-service per diem reimbursement rate received on June 30, 2019, had it been a Class I nursing facility, or the per diem rate, including the quality of care add-on, of \$188.35; (4) notwithstanding paragraph (1) of subsection d. of section 6 of P.L.2003, c.105 (C.26:2H-97), the provider tax add-on payable as an allowable cost shall be \$13.67; (5) the quality of care portion of the provider tax add-on shall be equivalent to the amount received as of June 30, 2019; (6) for the purposes of this paragraph, a nursing facility's per diem reimbursement rate or negotiated rate shall not include, if the nursing facility is eligible for reimbursement, the difference between the full calculated provider tax add-on and the quality-of-care portion of the provider tax add-on, or any performance add-on amount as outlined in this paragraph; (7) each Class I, Class II, and Class III nursing facility with a performance score greater than or equal to the national average performance score, as collected and published by the Centers for Medicare and Medicaid Services, for reporting periods Q2 2017, Q3 2017, Q4 2017, and Q1 2018, for one or more of the following metrics shall receive a performance add-on of \$.60 for each metric where average facility performance across the four quarters of data combined is greater than or equal to the national average performance for the same twelve month period: antipsychotic medication use; incidence of pressure ulcers; use of physical restraints; and falls with major injury; (8) each Class I, Class II, and Class III nursing facility that received a composite score of 75 or greater on the Core Q Resident and Family Experience Survey for Q2 2018 shall receive a \$.60 performance add-on; (9) ; each class I and class III nursing facility shall receive a per diem adjustment that shall be calculated based upon an additional \$15,000,000 in State and \$15,000,000 in federal appropriations; and (10) additional revenues derived from the fiscal year 2020 adjustment to the nursing home provider assessment are appropriated to implement the provisions of this paragraph.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for the General Medical Services program classification are subject to the following condition: nursing facilities shall not receive payments for bed hold or therapeutic leave days for NJ FamilyCare beneficiaries, provided that nursing facilities shall continue to reserve beds for NJ FamilyCare beneficiaries who are hospitalized or on therapeutic leave as required by N.J.A.C. 8:85-1.14.

Notwithstanding the provisions of any law or regulation to the contrary, as a condition of receipt of any NJ FamilyCare payments a nursing home shall provide to the Commissioner of Human Services information on the facility's finances comparable to the information provided by hospitals to the Department of Health pursuant to N.J.A.C.8:31B-3.1 et seq. and N.J.A.C.8:31B-4.1 et seq., as requested by the commissioner, and the commissioner shall periodically assess the financial status of the industry.

costs where an alternative pricing benchmark is not available, the Department of Human
12 Services shall mandate ongoing submission of current drug acquisition data by providers of
pharmaceutical services. No funds hereinabove appropriated shall be paid to any entity that
fails to submit required data.

14 The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the

32 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to

(Senior Gold), pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended, when
36 PAAD or Senior Gold is the primary payer, unless participating pharmaceutical
manufacturing companies execute contracts with the Department of Human Services. Name
38 brand manufacturers must provide for the payment of rebates to the State on the same basis
as provided for in subsections (a) through (c) of section 1927 of the federal Social Security
40 Act, 42 U.S.C. s.1396r-8.

42 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program pursuant to
P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program,
44 pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended unless participating
pharmaceutical manufacturing companies execute contracts with the Department of Human
46 Services, providing for the payment of rebates to the State. Furthermore, rebates from
pharmaceutical manufacturing companies for prescriptions purchased by the PAAD program
48 and the Senior Gold Prescription Discount Program shall continue during the current fiscal
year, provided that the manufacturer's rebates for PAAD claims paid as secondary to
50 Medicare Part D and for the Senior Gold Prescription Discount Program shall apply only
to the amount paid by the State under the PAAD and Senior Gold Prescription Discount
52 Programs. All revenues from such rebates during the current fiscal year are appropriated for
the PAAD program and the Senior Gold Prescription Discount Program.

54 In addition to the amount hereinabove appropriated for the Pharmaceutical Assistance to the
Aged and Disabled and the Senior Gold Prescription Discount programs, there are
56 appropriated from the General Fund and available federal matching funds such additional

3 Medicaid costs, pursuant to an approved cost allocation plan, shall be disbursed to counties
4 solely for the expansion of long-term care services and supports for older adults and
5 individuals seeking home and community based services.

6 Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for
7 the Pharmaceutical Assistance to the Aged and Disabled program and the Senior Gold
8 Prescription Discount Program are conditioned upon the Department of Human Services
9 coordinating benefits with any voluntary prescription drug mail-order or specialty pharmacy
10 in a Medicare Part D provider network or private third party liability plan network for
11 beneficiaries enrolled in a Medicare Part D program or beneficiaries with primary
12 prescription coverage that requires use of mail order. The mail-order program may waive,
13 discount, or rebate the beneficiary copayment and mail-order pharmacy providers may
14 dispense up to a 90-day supply on prescription refills with the voluntary participation of the
15 beneficiary, subject to the approval of the Commissioner of Human Services and the
16 Director of the Division of Budget and Accounting.

17 Notwithstanding the provisions of any law or regulation to the contrary, the amounts
18 hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical

20 Department of Human Services coordinating the benefits of the PAAD programs with the
21 prescription drug benefits of the federal "Medicare Prescription Drug, Improvement, and
22 Modernization Act of 2003," Pub.L.108-173, as the primary payer due to the current federal
23 prohibition against State automatic enrollment of PAAD program recipients in the federal
24 program. The PAAD program benefit and reimbursement shall only be available to cover
25 the beneficiary cost share to in-network pharmacies and for deductible and coverage gap
26 costs (as determined by the Commissioner of Human Services) associated with enrollment
27 in Medicare Part D for beneficiaries of the PAAD and Senior Gold Prescription Discount
28 programs, and for Medicare Part D premium costs for PAAD beneficiaries.

31 Gold Prescription Discount Program accounts shall be available as payment as a PAAD
32 program or the Senior Gold Prescription Discount Program benefit to any pharmacy that is
33 not enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

34 Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and
35 Modernization Act of 2003," Pub.L.108-173, and the current federal prohibition against
36 State automatic enrollment of Pharmaceutical Assistance to the Aged and Pharmaceutical
37 Assistance to the Aged and Disabled (PAAD) programs and Senior Gold Prescription
38 Discount Program recipients, no funds hereinabove appropriated to the PAAD program or
39 Senior Gold Prescription Discount Program accounts shall be expended for any individual
40 unless the individual enrolled in the PAAD program or Senior Gold Prescription Discount
41 Program provides all data necessary to enroll the individual in Medicare Part D, including
42 data required for the subsidy assistance, as outlined by the Centers for Medicare and
43 Medicaid Services.

44 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
45 appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance
46 to the Aged and Disabled (PAAD) programs, and Senior Gold Prescription Discount
47 Program shall be conditioned upon the following provision: no funds shall be appropriated
48 for the refilling of a prescription drug when paid by PAAD or the Senior Gold Prescription
49 Discount Program as the primary payer until such time as the original prescription is 85
50 percent finished.

51 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
52 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
53 or the Senior Gold Prescription Discount Program shall be expended to cover medications
54 not on the formulary of a PAAD program or Senior Gold Prescription Discount Program
55 beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered
56 by the PAAD program and Senior Gold Prescription Discount Program which are
57 specifically excluded by the federal Medicare Prescription Drug Program. In addition, this
58 exclusion shall not impact the beneficiary's rights, guaranteed by the "Medicare Prescription
59 Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, to appeal the medical
60 necessity of coverage for drugs not on the formulary of a Medicare Part D plan.

2 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
3 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
4 or the Senior Gold Prescription Discount Program shall be expended for diabetic testing
5 materials and supplies which are covered under the federal Medicare Part B program, or for
6 vitamins, cough/cold medications, drugs used for the treatment of erectile dysfunction, or
7 cosmetic drugs, including, but not limited to: drugs used for baldness, weight loss, and skin
8 conditions.

9 From the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged -
10 Claims and Senior Gold Prescription Discount Program, an amount not to exceed
11 \$2,850,000 may be transferred to various accounts as required, including Direct State
12 Services accounts, subject to the approval of the Director of the Division of Budget and
13 Accounting.

14 Notwithstanding the provisions of any law or regulation to the contrary, in order to maximize
15 drug coverage under Medicare Part D, the appropriation for the Senior Gold Prescription
16 Discount Program is conditioned on the Senior Gold Prescription Discount Program being
17 designated the authorized representative for the purpose of coordinating benefits with the
18 Medicare drug program, including appeals of coverage determinations. The Senior Gold
19 Prescription Discount Program is authorized to represent program beneficiaries in the
20 pursuit of such coverage. Senior Gold Prescription Discount Program representation shall
21 include, but not be limited to, the following actions: pursuit of appeals, grievances, and
22 coverage determinations.

23 In order to permit flexibility in implementing ElderCare Initiatives hereinabove appropriated as
24 part of Community Based Senior Programs, amounts may be transferred between Direct
25 State Services and Grants-In-Aid accounts, subject to the approval of the Director of the
26 Division of Budget and Accounting. Notice thereof shall be provided to the Legislative
27 Budget and Finance Officer on the effective date of the approved transfer.

28 Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of
29 receipts generated or savings realized in the Casino Revenue Fund or Pharmaceutical
30 Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives included in the
31 current fiscal year's annual appropriations act may be transferred to administration accounts
32 to fund costs incurred in realizing these additional receipts or savings, subject to the
33 approval of the Director of the Division of Budget and Accounting.

34 In addition to the amounts hereinabove appropriated for Pharmaceutical Assistance to the Aged
35 and Disabled and Hearing Aid Assistance for the Aged and Disabled programs, there are
36 appropriated from the Casino Revenue Fund and available federal matching funds such
37 additional amounts as may be required for the payment of claims, credits, and rebates,
38 subject to the approval of the Director of the Division of Budget and Accounting.

39 All funds recovered under P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20
40 et seq.), during the current fiscal year are appropriated for payments to providers in the same
41 program classification from which the recovery originated.

42 The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the
43 Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), are available for the
44 payment of obligations applicable to prior fiscal years.

45 Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD)
46 program, P.L.1975, c.194 (C.30:4D-20 et seq.), shall be the last resource benefits,
47 notwithstanding any provision contained in contracts, wills, agreements, or other
48 instruments. Any provision in a contract of insurance, will, trust agreement, or other
49 instrument which reduces or excludes coverage or payment to an individual because of that
50 individual's eligibility for or receipt of PAAD benefits shall be void, and no PAAD
51 payments shall be made as a result of any such provision.

52 Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and
53 Disabled-Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194
54 (C.30:4D-22) or any law or regulation to the contrary, the copayment in the Pharmaceutical
55 Assistance to the Aged and Disabled program shall be \$5 for generic drugs and \$7 for brand
56 name drugs.

57 Notwithstanding the provisions of any law or regulation to the contrary, subject to the approval
58 of a plan by the Commissioner of Human Services, no funds appropriated for the
59 Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to
60 P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended, when PAAD is the primary payer,

2 unless participating pharmaceutical manufacturing companies execute contracts with the
Department of Human Services. Name brand manufacturers must provide for the payment
3 of rebates to the State on the same basis as provided for in subsections (a) through (c) of
4 section 1927 of the federal Social Security Act, 42 U.S.C. s.1396r-8.

5 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
6 for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to
P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended unless participating pharmaceutical
7 manufacturing companies execute contracts with the Department of Human Services,
8 providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical
9 manufacturing companies for prescriptions purchased by the PAAD program shall continue
10 during the current fiscal year, provided that the manufacturers' rebates for PAAD claims
11 paid as secondary to Medicare Part D shall apply only to the amount paid by the State under
12 the PAAD program. All revenues from such rebates during the current fiscal year are
13 appropriated for the PAAD program.

14 Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for
15 the Pharmaceutical Assistance to the Aged and Disabled program are conditioned upon the
16 Department of Human Services coordinating benefits with any voluntary prescription drug
17 mail-order or specialty pharmacy in a Medicare Part D provider network or private third
18 party liability plan network for beneficiaries enrolled in a Medicare Part D program or
19 beneficiaries with primary prescription coverage that requires use of mail-order. The mail-
20 order program may waive, discount, or rebate the beneficiary copayment and mail-order
21 pharmacy providers may dispense up to a 90-day supply on prescription refills with the
22 voluntary participation of the beneficiary, subject to the approval of the Commissioner of
23 Human Services and the Director of the Division of Budget and Accounting.

24 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
25 appropriated to the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
26 is conditioned upon the Department of Human Services coordinating the benefits of the
27 PAAD program with the prescription drug benefits of the federal "Medicare Prescription
28 Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, as the primary payer
29 due to the current federal prohibition against State automatic enrollment of PAAD program
30 recipients in the federal program. The PAAD program benefit and reimbursement shall only
31 be available to cover the beneficiary cost share to in-network pharmacies and for deductible
32 and coverage gap costs (as determined by the Commissioner of Human Services) associated
33 with enrollment in Medicare Part D for beneficiaries of the PAAD and the Senior Gold
34 Prescription Discount Program, and for Medicare Part D premium costs for PAAD program
35 beneficiaries.

36 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
37 in the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and the Senior
38 Gold Prescription Discount Program accounts shall be available as payment as a PAAD
39 program or Senior Gold Prescription Discount Program benefit to any pharmacy that is not
40 enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

41 Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and
42 Modernization Act of 2003," Pub.L.108-173, and the current federal prohibition against
43 State automatic enrollment of Pharmaceutical Assistance to the Aged and Disabled (PAAD)
44 program recipients, no funds hereinabove appropriated from the PAAD account shall be
45 expended for any individual enrolled in the PAAD program unless the individual provides
46 all data that may be necessary to enroll the individual in Medicare Part D, including data
47 required for the subsidy assistance, as outlined by the Centers for Medicare and Medicaid
48 Services.

49 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
50 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
51 shall be conditioned upon the following provision: no funds shall be appropriated for the
52 refilling of a prescription drug paid by PAAD as a primary payer until such time as the
53 original prescription is 85 percent finished.

54 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
55 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
56 shall be expended to cover medications not on the formulary of a PAAD program
57 beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered
58 by PAAD which are specifically excluded by the federal Medicare Prescription Drug
59 Program. In addition, this exclusion shall not impact the beneficiary's rights, guaranteed by
60

the “Medicare Prescription Drug, Improvement, and Modernization Act of 2003,” Pub.L.108-173, to appeal the medical necessity of coverage for drugs not on the formulary of a Medicare Part D plan.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be expended for diabetic testing materials and supplies which are covered under the federal Medicare Part B program, or for vitamins, cough/cold medications, drugs used for the treatment of erectile dysfunction, or cosmetic drugs including but not limited to: drugs used for baldness, weight loss, and skin conditions.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled program classification and the Senior Gold Prescription Discount Program account shall be expended for fee-for-service prescription drug claims with no Medicare Part D coverage except under the following conditions: (1) the maximum allowable cost for legend and non-legend drugs shall be calculated based on Actual Acquisition Cost (AAC) defined as the lowest of (i) the National Average Drug Acquisition Cost (NADAC) Retail Price Survey, developed in accordance with Section 1927(f) of the Social Security Act; (ii) Wholesale Acquisition Cost less a volume discount, in the absence of a NADAC price, that is consistent with the NJ FamilyCare Program; (iii) the federal upper limit; or (iv) the State upper limit (SUL); and (v) cost acquisition data submitted by providers of pharmaceutical services for brand-name multi-source drugs and multi-source drugs in the absence of any alternative pricing benchmarks; (2) pharmacy reimbursement for legend and non-legend drugs shall be calculated based on (i) the lower of the AAC plus a professional fee, that is consistent with the NJ FamilyCare Program; or a provider’s usual and customary charge; or (ii) the lower of cost acquisition data submitted by providers of pharmaceutical services for brand-name multi-source and multi-source drugs, where an alternative pricing benchmark is not available, plus a professional fee that is consistent with the NJ FamilyCare Program; or a provider’s usual and customary charge. To effectuate the calculation of SUL rates and/or the calculation of single-source and brand-name multi-source legend and non-legend drug costs where an alternative pricing benchmark is not available, the Department of Human Services shall mandate ongoing submission of current drug acquisition data by providers of pharmaceutical services. No funds hereinabove appropriated shall be paid to any entity that fails to submit required data.

Notwithstanding the provisions of any law or regulation to the contrary, of the amount hereinabove appropriated for the Community Based Senior Programs (CRF) account, \$172,000 shall be charged to the Casino Simulcasting Fund.

24 Notwithstanding the provisions of any State law or regulation to the contrary, no State agency
26 shall accept or expend federal funds except as appropriated by the Legislature or otherwise
provided in this act.

28 In addition to the federal funds appropriated in this act, there are appropriated the following
30 federal funds, subject to the approval of the Director of the Division of Budget and
Accounting: emergency disaster aid funds including grants for preventive measures; pass-
32 through grants to political subdivisions of the State over which the State is not permitted to
exercise discretion in the use or distribution of the funds and for which no State matching
34 funds are required; the first 25 percent of unanticipated grant awards, and up to 25 percent
of increases in previously anticipated grant awards for which no State matching funds are
36 required except, for the purpose of this section, federal funds received by one executive
agency that are ultimately expended by another executive agency shall not be considered
38 pass-through grants; federal financial aid funds for students attending post-secondary
educational institutions in excess of the amount specifically appropriated, and any such
40 grants intended to prevent threats to homeland security up to 100 percent of previously
anticipated or unanticipated grant award amounts for which no State matching funds are
42 required, provided, however, that the Director of the Division of Budget and Accounting
shall notify the Legislative Budget and Finance Officer of such grants; and all other grants
of \$500,000 or less.

44 For the purposes of federal funds appropriations, “political subdivisions of the State” means
counties, municipalities, school districts, or agencies thereof, regional, county or municipal
46 authorities, or districts other than interstate authorities or districts; “discretion” refers to any
action in which an agency may determine either the amount of funds to be allocated or the
recipient of the allocation; and “grants” refers to one-time, or time limited awards, which
48 are received pursuant to submission of a grant application in competition with other grant
applications.

50 The unexpended balances at the end of the preceding fiscal year of federal funds are
appropriated for the same purposes. The Director of the Division of Budget and Accounting
52 shall inform the Legislative Budget and Finance Officer by November 1 of the current fiscal
year of any unexpended balances which are continued.

54 Out of the appropriations herein, the Director of the Division of Budget and Accounting is
empowered to approve payments to liquidate any unrecorded liabilities for materials

2 delivered or services rendered in prior fiscal years, upon the written recommendations of
any department head or the department head's designated representative. The Director of
the Division of Budget and Accounting shall reject any recommendations for payment which
4 the director deems improper.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of
6 claims to providers of medical services, amounts may be transferred to and from the various
items of appropriation within the General Medical Services program classification, and
8 within the federal matching funding, in the Division of Medical Assistance and Health
Services and Division of Disability Services in the Department of Human Services, and
10 within the Medical Services for the Aged program classification, and within the federal
matching funding, in the Division of Aging Services in the Department of Human Services,
12 subject to the approval of the Director of the Division of Budget and Accounting. Notice
thereof shall be provided to the Legislative Budget and Finance Officer on the effective date
14 of the approved transfer.

Notwithstanding the provisions of any law, regulation or Executive Order to the contrary, any
16 purchase by the State or by a State agency or local government unit of equipment, goods or
services related to homeland security and domestic preparedness, that is paid for or
18 reimbursed by federal funds awarded by the U.S. Department of Homeland Security or other
federal agency, appropriated in the current fiscal year, may be made through the receipt of
20 public bids or as an alternative to public bidding and subject to the provisions of this
paragraph, through direct purchase without advertising for bids or rejecting bids already
22 received but not awarded. The equipment, goods or services purchased by a local
government unit shall be referred to in the grant agreement issued by the State
24 administrative agency administering such funds and shall be authorized by resolution of the
governing body of the local government unit entering into the grant agreement. Such
26 resolution may, without subsequent action of the local governing body, simultaneously
accept the grant from the State administrative agency, authorize the insertion of the revenue
28 and offsetting appropriation in the budget of the local government unit, and authorize the
contracting agent of the local government unit to procure the equipment, goods or services.
30 A copy of such resolution shall be filed with the chief financial officer of the local
government unit, the State administrative agency and the Division of Local Government
32 Services in the Department of Community Affairs. Purchases made without public bidding
shall be from vendors that shall either (1) be holders of a current State contract for the
34 equipment, goods or services sought, or (2) be participating in a federal procurement
program established by a federal department or agency, or (3) have been approved by the
36 State Treasurer in consultation with the New Jersey Domestic Security Preparedness Task
Force. All homeland security purchases herein shall continue to be subject to all grant
38 requirements and conditions approved by the State administrative agency. The Director of
the Division of Purchase and Property may enter into or participate in purchasing
40 agreements with one or more other states, or political subdivisions or compact agencies
thereof, for the purchase of such equipment, goods or services, using monies appropriated
42 under this act, to meet the domestic preparedness and homeland security needs of this State.
Such purchasing agreement may provide for the sharing of costs and the methods of
44 payments relating to such purchases. Furthermore, a county government awarding a
contract for Homeland Security equipment, goods or services, may, with the approval of the
46 vendor, extend the terms and conditions of the contract to any other county government that
wants to purchase under that contract, subject to notice and documentation requirements
48 issued by the Director of the Division of Local Government Services.

Of the amounts appropriated for Income Maintenance Management, amounts may be transferred
50 to the various departments in accordance with the Division of Family Development's
agreements, subject to the approval of the Director of the Division of Budget and
52 Accounting. Any unobligated balances remaining from funds transferred to the departments
shall be transferred back to the Division of Family Development subject to the approval of
54 the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, in addition to the
56 federal funds hereinabove appropriated, there are appropriated to the appropriate executive
agencies, subject to the approval of the Director of the Division of Budget and Accounting,
58 such additional federal funds received during this fiscal year pursuant to any federal law
authorizing a federal economic stimulus program or any other similar federal program for
60 the purposes, projects, and programs set forth in such law; provided, however, that if the

2 federal law does not delineate the specific purposes, projects, and programs to be funded by
the federal funds, the purposes, projects, and programs to be funded by the federal funds
3 shall be subject to the approval of the Joint Budget Oversight Committee, and further
4 provided, however, that the State Treasurer shall report to the President of the Senate, the
Speaker of the General Assembly, the Chair of the Senate Budget and Appropriations
5 Committee, and the Chair of the Assembly Budget Committee at least quarterly on the
6 receipt and utilization of all additional federal funds received during this fiscal year pursuant
7 to any federal law authorizing a federal economic stimulus program.

8 Officials from the appropriate executive agencies are hereby authorized to take such steps, if
9 any, as may be necessary to qualify for, apply for, receive and expend such federal funds
10 and to make such commitments, representations and other agreements as may be required
11 by the federal government to receive federal funds under federal law authorizing the federal
12 economic stimulus program or any other similar federal law. Furthermore, and
13 notwithstanding the provisions of any other law or regulation to the contrary, officials from
14 the appropriate executive agencies may encumber any of these federal funds appropriated
15 pursuant to this provision prior to entering into any contract, grant or other agreement
16 obligating the federal funds, subject to the approval of the Director of the Division of
17 Budget and Accounting.

18 Notwithstanding the provisions of any law or regulation to the contrary, federal funds provided
19 under the State Energy Program (SEP) and the Energy Efficiency and Conservation Block
20 Grant Program (Block Grant Program), pursuant to the American Recovery and
21 Reinvestment Act, Pub.L. 111-5 and any other similar type of federal stimulus law which
22 may be hereinafter enacted (collectively referred to as ARRA), are appropriated. Subject
23 to the approval of the Director of the Division of Budget and Accounting as set forth below,
24 such appropriations are to include the administrative costs of the respective agencies in
25 administering the specified programs provided such use is consistent with ARRA and
26 federal approvals. In the event that the administrative costs are not permitted to be paid
27 from the ARRA monies received by the State, there is hereby appropriated from the Clean
28 Energy Fund, subject to the approval of the Director of the Division of Budget and
29 Accounting such amounts as shall be necessary to pay for the administrative costs of the
30 agencies administering the specified programs listed below. Notwithstanding the specific
31 appropriations made below, in the event that the federal funds received under ARRA are not
32 in their entirety or in part allocated to the specific purposes listed below, to permit flexibility
33 in the handling of appropriations, amounts may be transferred to and from the various items
34 of the appropriations listed below or may be used for such other purposes permitted under
35 ARRA subject to the approval of the Director of the Division of Budget and Accounting and
36 upon the recommendation of the State Treasurer. The federal funds provided pursuant to
37 ARRA with respect to the SEP shall be used only for purposes allowed under part D of Title
38 III of the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.), and the federal
39 funds provided pursuant to ARRA with respect to the Block Grant Program shall be used
40 only for implementation of programs authorized under subtitle E of Title V of the Energy
41 Independence and Security Act of 2007 (42 U.S.C. 17151 et seq.). With respect to all
42 federal funds which are appropriated pursuant to this provision, New Jersey Economic
43 Development Authority (NJEDA), New Jersey Housing Mortgage Finance Agency
44 (HMFA), the Office of Energy Savings, and the Board of Public Utilities (BPU) shall
45 prepare and timely submit to the United States Department of Energy (USDOE) the reports
46 required under subsection (c) of section 1512 of Pub.L. 111-5, including without limitation
47 the detailed information required with respect to all projects or activities for which such
48 federal funds were expended or obligated.

49 a. SEP. SEP monies received by the State under ARRA are hereby appropriated to the Clean
50 Energy Fund and shall be allocated by the BPU as follows. The BPU shall enter into
51 memoranda of understanding with the applicable agencies listed below which
52 memoranda of understanding shall provide for the transfer of such monies to the
53 applicable agencies for the purposes listed below.

55 administered by the NJEDA to fund public and private renewable energy, energy

58 provide for innovative technology;

- 2 (2) \$20,187,801 for a program to be developed and administered by the BPU for grants
to State departments, agencies, authorities and public colleges and universities for
4 renewable and energy efficiency projects at such entities, including but not limited

leveraged with existing State energy rebate programs and the federal investment tax
16 credit, with grants prioritized based on the ability to create jobs, generate energy,
provide benefits to property residents and to meet HMFA timeframes, and with
18 HMFA retaining ownership of all related solar renewable energy certificates for the
purpose of establishing a revolving fund to support additional solar energy projects
at HMFA-supported residential properties;
- 20 (4) \$1,331,402 to the HMFA for a low-interest loan program to be developed and
administered by the HMFA for energy efficiency upgrades at single-family and

(the higher of statewide or county median income) based on a family of four, and
24 affordable multi-family housing owners which meet HMFA's affordability
requirements, and which are not eligible for equivalent financing programs offered
26 by the utilities or the Clean Energy Program;
- 28 (5) \$15,500,870.50 to the Clean Energy Program for energy efficiency programs
administered by the BPU, to be issued to public and private entities on a first-come,
30 first-served basis and specifically targeting customers who are either not currently
eligible for Clean Energy Fund incentives or whose energy consumption patterns
do not make them likely applicants;

the purposes of energy efficiency and renewable energy programs and projects in
34 State facilities, including State offices, State health facilities and State prisons;

authorities and public colleges and universities for energy efficient equipment
40 purposes which will reduce energy demand and greenhouse gas emissions by
replacing aging, energy intense equipment with new, more efficient models.

42 In the event that any of the SEP monies appropriated pursuant to the preceding
paragraph are not expended by the date required by the USDOE, the appropriations
44 of such funds pursuant to the preceding paragraph are hereby cancelled, and such
unexpended funds are hereby appropriated, subject to the approval of the USDOE
46 and the Director of the Division of Budget and Accounting to the New Jersey
Department of the Treasury to establish a revolving energy efficiency project fund
(Energy Efficiency Project Fund) for the purposes of funding energy efficiency and
48 renewable energy programs and projects in State facilities, including but not limited
to State offices, State health facilities and State prisons. The monies appropriated
50 from the Energy Efficiency Project Fund shall be repaid to the Energy Efficiency
Project Fund by the department receiving such monies as follows: of the amounts
52 hereinabove appropriated in this Act to each department receiving monies from the
Energy Efficiency Project Fund, there is hereby appropriated for deposit in the
54 Energy Efficiency Project Fund an amount equivalent to the annual repayment due
to the Energy Efficiency Project Fund or the actual savings achieved, whichever is
56 greater.

58 b. Block Grant Program. Block Grant monies received by the State under ARRA are hereby
appropriated as follows:

- 2 (1) \$4,160,700 to the Office of Energy Savings in the Department of the Treasury for

government which are not eligible to receive directly from the federal government
6 funds under the Block Grant Program.

Labor and Workforce Development shall consider consistent with applicable federal law a
formal association of community based organizations to be a "local consortium" for the
10 purposes of receiving funding for the delivery of English as a Second Language or Civics
education/training.

12 In order to permit flexibility in the handling of appropriations and ensure the timely payment of
claims to providers of medical services, amounts may be transferred among accounts in the
14 Children's System of Care Services program classification. Amounts may also be
transferred to and from various items of appropriation within the General Medical Services
16 program classification of the Division of Medical Assistance and Health Services in the
Department of Human Services and the Children's System of Care Services program
18 classification in the Department of Children and Families. All such transfers are subject to
the approval of the Director of the Division of Budget and Accounting. Notice thereof shall
20 be provided to the Legislative Budget and Finance Officer on the effective date of the
approved transfer.

22 The federal grant funds hereinabove appropriated are subject to the following condition: in the
event that the agency receiving the funds from the federal government enters into an
24 agreement with another agency as the subgrantee of such federal funds, the funds may be
transferred to such subgrantee agency, subject to the approval of the Director of the Division
26 of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and
Finance Officer on the effective date of the approved transfer.

28 Notwithstanding the provisions of any law or regulation to the contrary, in order to permit
flexibility in the management of federal grant funds, amounts appropriated or transferred
30 from such federal funds to State departments as subgrantees of other State departments may
be transferred back to an item of appropriation in the original grant recipient department
32 upon completion of the funded activity, subject to the approval of the Director of the
Division of Budget and Accounting. Notice thereof shall be provided to the Legislative
34 Budget and Finance Officer on the effective date of the approved transfer.

36 Notwithstanding the provisions of any law or regulation to the contrary, the federal funds
hereinabove appropriated to the Department of Transportation are subject to the following
38 condition: in order to ensure the continued flow of necessary federal funds for important
State and local transportation projects, in the event the Federal Highway Administration
(FHWA) objects to the form of the department's request for submission of competitive bids
40 or to the form or contents of related grant agreements funded with federal funds, the
department shall make any changes to such requests or contracts as may be determined by
42 the FHWA to be necessary to comply with federal law; and any other department, agency
or authority affected by such action is required to take any further actions required in order
44 for it to be in accordance with the changes required by FHWA.

46 In order to permit flexibility in the handling of appropriations and ensure the timely payment of

6 3. There are appropriated, subject to allotment by the Director of the Division of Budget and
Accounting, the following: amounts required to refund amounts credited to the State Treasury
8 which do not represent State revenue; amounts received representing insurance to cover losses
by fire and other casualties and the unexpended balance at the end of the preceding fiscal year

30 any arbitrage earnings to the federal government.

32 8. There are appropriated from the General Fund, subject to the approval of the Director of
the Division of Budget and Accounting, such amounts as are necessary to pay interest, at the
34 average rate of earnings during the fiscal year from the State's general investments, to those

36 insufficient resources to accrue and pay the interest expense on such borrowing.

38 9. In addition to the amounts hereinabove appropriated, such additional amounts as may be

22 17. The following transfer of appropriations rules are in effect for the current fiscal year:
a. To permit flexibility in the handling of appropriations, any department or agency that
24 receives an appropriation by law, may, subject to the provisions of this section, or unless
otherwise provided in this act, apply to the Director of the Division of Budget and Accounting
for permission to transfer funds from one item of appropriation to a different item of
26 appropriation. For the purposes of this section, "item of appropriation" means the spending
authority identified by an organization code, appropriation source, and program code, unique
28 to the item. If the director consents to the transfer, the amount transferred shall be credited by
the director to the designated item of appropriation and notice thereof shall be provided to the
Legislative Budget and Finance Officer on the effective date of the approved transfer. However,
30 the director, after consenting thereto, shall submit the following transfer requests to the
Legislative Budget and Finance Officer for legislative approval or disapproval unless otherwise
32 provided in this act:

34 (1) Requests for the transfer of State and other nonfederal funds, in amounts greater than
\$300,000, to or from any item of appropriation;

36 (2) Requests for the transfer of State and other nonfederal funds, in amounts greater than
\$50,000, to or from any Special Purpose account, as defined by major object 5, or Grant
38 account, as defined by major object 6, within an item of appropriation, from or to a different
item of appropriation;

40 (3) Requests for the transfer of State and other nonfederal funds, in amounts greater than
\$50,000, to or from any Special Purpose or Grant account in which the identifying
42 organization code, appropriation source, and program code, remain the same, provided that
the transfer would effect a change in the legislative intent of the appropriations;

44 (4) Requests for the transfer of State funds, in amounts greater than \$50,000, between items
of appropriation in different departments or between items of appropriation in different
46 appropriation classifications herein entitled as Direct State Services, Grants-In-Aid, State
Aid, Capital Construction and Debt Service;

48 (5) Requests for the transfer of federal funds, in amounts greater than \$300,000, from one
item of appropriation to another item of appropriation, if the amount of the transfer to an
50 item in combination with the amount of the appropriation to that item would result in an
amount in excess of the appropriation authority for that item, as defined by the program
52 class;

54 (6) Requests for such other transfers as are appropriate in order to ensure compliance with
the legislative intent of this act.

56 b. The Joint Budget Oversight Committee or its successor may review all transfer requests
submitted for legislative approval and may direct the Legislative Budget and Finance Officer to
approve or disapprove any such transfer request. Transfers submitted for legislative approval
58 pursuant to paragraph (4) of subsection a. of this section shall be made only if approved by the
Legislative Budget and Finance Officer at the direction of the committee.

2 c. The Legislative Budget and Finance Officer shall approve or disapprove requests for the
transfer of funds submitted for legislative approval within 10 working days of the physical
4 receipt thereof and shall return them to the director. If any provision of this act or any
supplement thereto requires the Legislative Budget and Finance Officer to approve or disapprove
6 requests for the transfer of funds, the request shall be deemed to be approved by the Legislative
Budget and Finance Officer if, within 20 working days of the physical receipt of the request, the
8 officer has not disapproved the request and so notified the requesting officer. However, this
time period shall not pertain to any transfer request under review by the Joint Budget Oversight
Committee or its successor, provided notice of such review has been given to the director.

10 d. No amount appropriated for any capital improvement shall be used for any temporary
purpose except extraordinary snow removal or extraordinary transportation maintenance, subject
12 to the approval of the Director of the Division of Budget and Accounting. However, an amount
from any appropriation for an item of capital improvement may be transferred to any other item
14 of capital improvement subject to the approval of the director, and, if in an amount greater than
\$300,000, subject to the approval of the Legislative Budget and Finance Officer.

16 e. The provisions of subsections a. through d. of this section shall not apply to
appropriations made to the Legislative or Judicial branches of State government. To permit
18 flexibility in the handling of these appropriations, amounts may be transferred to and from the
various items of appropriation by the appropriate officer or designee with notification given to
20 the director on the effective date thereof.

22 f. Notwithstanding any provisions of this section to the contrary, transfers to and from the
Special Purpose appropriation to the Governor for emergency or necessity under the Other
24 Interdepartmental Accounts program classification and transfers from the appropriations to the
various accounts in the category of Salary Increases and Other Benefits, both in the
