1 for:

2 (1) a network of behavioral health providers,
3 which shall form a partnership with another entity to submit a
4 contract with a duration of at least two years for
5 collaborative approval pursuant to Paragraph (2) of Subsection
6 F of Section 9-7-6.4 NMSA 1978 to provide behavioral health
7 services and to manage care as a regional behavioral health
8 entity pursuant to Paragraph (5) of Subsection B of Section
9 9-7-6.4 NMSA 1978;

10 (2) a partnership between the network of
11 behavioral health providers and another entity to establish a
12 behavioral health entity that shall entail the network of
13 providers having at least fifty-one percent control of the
14 behavioral health entity; and

15 (3) a pilot project design that establishes
16 the behavioral health entity to meet criteria for licensure as
17 a risk-bearing entity by the insurance division of the public
18 regulation commission.

19 B. By November 1, 2011, the interagency behavioral
20 health purchasing collaborative shall coordinate with the
21 behavioral health entity established pursuant to Subsection A
22 of this section to designate what region or regions of the
23 state the entity will serve and conduct a readiness review to
24 ensure that the entity will have the staff, resources,

1 components in place to fully implement the pilot project and
2 successfully deliver behavioral health services in the area to
3 be served by January 1, 2012.

4 C. The interagency behavioral health purchasing
5 collaborative shall amend its existing contract with the
6 current statewide entity to provide, during the period of the
7 pilot project's operation, for the exclusive implementation of
8 the pilot project in designated areas of the state.

9 D. If necessary, the interagency behavioral health
10 purchasing collaborative shall seek federal approval of a state
11 plan amendment or medicaid waiver to carry out the provisions
12 of this section.
