RELATING TO TAXATION; CHANGING PROCEDURES FOR ADJUSTING CERTAIN DISTRIBUTIONS AND TRANSFERS TO MUNICIPALITIES AND COUNTIES; ALLOWING THE TAXATION AND REVENUE DEPARTMENT TO, IN CERTAIN CIRCUMSTANCES, REVEAL TO LOCAL GOVERNMENTS A RANGE OF GROSS RECEIPTS TAXES PAID BY TAXPAYERS FROM BUSINESS LOCATIONS ATTRIBUTABLE TO THOSE LOCAL GOVERNMENTS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

SECTION 1. Section 7-1-6.15 NMSA 1978 (being Laws 1983, Chapter 211, Section 20, as amended) is amended to read:

"7-1-6.15. ADJUSTMENTS OF DISTRIBUTIONS OR TRANSFERS TO MUNICIPALITIES OR COUNTIES.—

A. The provisions of this section apply to:

(1) any distribution to a municipality pursuant to Section 7-1-6.4, 7-1-6.36 or 7-1-6.46 NMSA 1978;

(2) any transfer to a municipality with respect to any local option gross receipts tax imposed by that municipality;

(3) any transfer to a county with respect to any local option gross receipts tax imposed by that county;

(4) any distribution to a county pursuant to Section 7-1-6.16 or 7-1-6.47 NMSA 1978;

(5) any distribution to a municipality or a county of gasoline taxes pursuant to Section 7-1-6.9 NMSA
1978;

(6) any transfer to a county with respect to any tax imposed in accordance with the Local Liquor Excise Tax Act;

(7) any distribution to a county from the county government road fund pursuant to Section 7-1-6.26 NMSA 1978;

(8) any distribution to a municipality of gasoline taxes pursuant to Section 7-1-6.27 NMSA 1978; and

(9) any distribution to a municipality of compensating taxes pursuant to Section 7-1-6.55 NMSA 1978.

B. Before making a distribution or transfer specified in Subsection A of this section to a municipality or county for the month, amounts comprising the net receipts shall be segregated into two mutually exclusive categories. One category shall be for amounts relating to the current month, and the other category shall be for amounts relating to prior periods. The total of each category for a municipality or county shall be reported each month to that municipality or county. If the total of the amounts relating to prior periods is less than zero and its absolute value exceeds the greater of one hundred dollars ($100) or an amount equal to twenty percent of the average distribution or transfer amount for that municipality or county, then the following procedures shall be carried out:
(1) all negative amounts relating to any period prior to the three calendar years preceding the year of the current month, net of any positive amounts in that same time period for the same taxpayers to which the negative amounts pertain, shall be excluded from the total relating to prior periods. Except as provided in Paragraph (2) of this subsection, the net receipts to be distributed or transferred to the municipality or county shall be adjusted to equal the amount for the current month plus the revised total for prior periods; and

(2) if the revised total for prior periods determined pursuant to Paragraph (1) of this subsection is negative and its absolute value exceeds the greater of one hundred dollars ($100) or an amount equal to twenty percent of the average distribution or transfer amount for that municipality or county, the revised total for prior periods shall be excluded from the distribution or transfers and the net receipts to be distributed or transferred to the municipality or county shall be equal to the amount for the current month.

C. The department shall recover from a municipality or county the amount excluded by Paragraph (2) of Subsection B of this section. This amount may be referred to as the "recoverable amount".

D. Prior to or concurrently with the distribution
or transfer to the municipality or county of the adjusted net receipts, the department shall notify the municipality or county whose distribution or transfer has been adjusted pursuant to Paragraph (2) of Subsection B of this section:

(1) that the department has made such an adjustment, that the department has determined that a specified amount is recoverable from the municipality or county and that the department intends to recover that amount from future distributions or transfers to the municipality or county;

(2) that the municipality or county has ninety days from the date notice is made to enter into a mutually agreeable repayment agreement with the department;

(3) that if the municipality or county takes no action within the ninety-day period, the department will recover the amount from the next six distributions or transfers following the expiration of the ninety days; and

(4) that the municipality or county may inspect, pursuant to Section 7-1-8.9 NMSA 1978, an application for a claim for refund that gave rise to the recoverable amount, exclusive of any amended returns that may be attached to the application.

E. No earlier than ninety days from the date notice pursuant to Subsection D of this section is given, the department shall begin recovering the recoverable amount from
a municipality or county as follows:

(1) the department may collect the recoverable amount by:

(a) decreasing distributions or transfers to the municipality or county in accordance with a repayment agreement entered into with the municipality or county; or

(b) except as provided in Paragraphs (2) and (3) of this subsection, if the municipality or county fails to act within the ninety days, decreasing the amount of the next six distributions or transfers to the municipality or county following expiration of the ninety-day period in increments as nearly equal as practicable and sufficient to recover the amount;

(2) if, pursuant to Subsection B of this section, the secretary determines that the recoverable amount is more than fifty percent of the average distribution or transfer of net receipts for that municipality or county, the secretary:

(a) shall recover only up to fifty percent of the average distribution or transfer of net receipts for that municipality or county; and

(b) may, in the secretary's discretion, waive recovery of any portion of the recoverable amount, subject to approval by the state board of finance; and
(3) if, after application of a refund claim, audit adjustment, correction of a mistake by the department or other adjustment of a prior period, but prior to any recovery of the department pursuant to this section, the total net receipts of a municipality or county for the twelve-month period beginning with the current month are reduced or are projected to be reduced to less than fifty percent of the average distribution or transfer of net receipts, the secretary may waive recovery of any portion of the recoverable amount, subject to approval by the state board of finance.

F. No later than ninety days from the date notice pursuant to Subsection D of this section is given, the department shall provide the municipality or county adequate opportunity to review an application for a claim for refund that gave rise to the recoverable amount, exclusive of any amended returns that may be attached to the application, pursuant to Section 7-1-8.9 NMSA 1978.

G. On or before September 1 of each year beginning in 2016, the secretary shall report to the state board of finance and the legislative finance committee the total recoverable amount waived pursuant to Subparagraph (b) of Paragraph (2) and Paragraph (3) of Subsection E of this section for each municipality and county in the prior fiscal year.

H. The secretary is authorized to decrease a
distribution or transfer to a municipality or county upon
being directed to do so by the secretary of finance and
administration pursuant to the State Aid Intercept Act or to
redirect a distribution or transfer to the New Mexico finance
authority pursuant to an ordinance or a resolution passed by
the county or municipality and a written agreement of the
municipality or county and the New Mexico finance authority.
Upon direction to decrease a distribution or transfer or
notice to redirect a distribution or transfer to a
municipality or county, the secretary shall decrease or
redirect the next designated distribution or transfer, and
succeeding distributions or transfers as necessary, by the
amount of the state distributions intercept authorized by the
secretary of finance and administration pursuant to the State
Aid Intercept Act or by the amount of the state distribution
intercept authorized pursuant to an ordinance or a resolution
passed by the county or municipality and a written agreement
with the New Mexico finance authority. The secretary shall
transfer the state distributions intercept amount to the
municipal or county treasurer or other person designated by
the secretary of finance and administration or to the New
Mexico finance authority pursuant to written agreement to pay
the debt service to avoid default on qualified local revenue
bonds or meet other local revenue bond, loan or other debt
obligations of the municipality or county to the New Mexico
finance authority. A decrease to or redirection of a
distribution or transfer pursuant to this subsection that
arose:

(1) prior to an adjustment of a distribution
or transfer of net receipts creating a recoverable amount owed
to the department takes precedence over any collection of any
recoverable amount pursuant to Paragraph (2) of Subsection B
of this section, which may be made only from the net amount of
the distribution or transfer remaining after application of
the decrease or redirection pursuant to this subsection; and

(2) after an adjustment of a distribution or
transfer of net receipts creating a recoverable amount owed to
the department shall be subordinate to any collection of any
recoverable amount pursuant to Paragraph (2) of Subsection B
of this section.

I. Upon the direction of the secretary of finance
and administration pursuant to Section 9-6-5.2 NMSA 1978, the
secretary shall temporarily withhold the balance of a
distribution to a municipality or county, net of any decrease
or redirected amount pursuant to Subsection H of this section
and any recoverable amount pursuant to Paragraph (2) of
Subsection B of this section, that has failed to submit an
audit report required by the Audit Act or a financial report
required by Subsection F of Section 6-6-2 NMSA 1978. The
amount to be withheld, the source of the withheld distribution
and the number of months that the distribution is to be withheld shall be as directed by the secretary of finance and administration. A distribution withheld pursuant to this subsection shall remain in the tax administration suspense fund until distributed to the municipality or county and shall not be distributed to the general fund. An amount withheld pursuant to this subsection shall be distributed to the municipality or county upon direction of the secretary of finance and administration.

J. As used in this section:

(1) "amounts relating to the current month" means any amounts included in the net receipts of the current month that represent payment of tax due for the current month, correction of amounts processed in the current month that relate to the current month or that otherwise relate to obligations due for the current month;

(2) "amounts relating to prior periods" means any amounts processed during the current month that adjust amounts processed in a period or periods prior to the current month regardless of whether the adjustment is a correction of a department error or due to the filing of amended returns, payment of department-issued assessments, filing or approval of claims for refund, audit adjustments or other cause;

(3) "average distribution or transfer"
"amount" means the following amounts; provided that a
distribution or transfer that is negative shall not be used in
calculating the amounts:

(a) the annual average of the total
amount distributed or transferred to a municipality or county
in each of the three twelve-month periods preceding the
current month;
(b) if a distribution or transfer to a
municipality or county has been made for less than three
years, the total amount distributed or transferred in the year
preceding the current month; or
(c) if a municipality or county has not
received distributions or transfers of net receipts for twelve
or more months, the monthly average of net receipts
distributed or transferred to the municipality or county
preceding the current month multiplied by twelve;
(4) "current month" means the month for
which the distribution or transfer is being prepared; and
(5) "repayment agreement" means an agreement
between the department and a municipality or county under
which the municipality or county agrees to allow the
department to recover an amount determined pursuant to
Paragraph (2) of Subsection B of this section by decreasing
distributions or transfers to the municipality or county for
one or more months beginning with the distribution or transfer
to be made with respect to a designated month. No interest shall be charged."
