- (b) plan, approved by the department, to increase affordability of healthy food for low-income households;
- (6) the applicant's plan to allocate at least thirty percent of food retail space for the sale of perishable foods, if the loan or grant sought is for a grocery store; and
- (7) the applicant's plan to use the grant or loan to expand capacity for the sale of perishable foods, if the loan or grant is not for a grocery store.
- E. In addition to the requirements provided in Subsection D of this section, to be eligible for a loan or grant pursuant to this section, an applicant shall demonstrate to the equitable food-oriented development advisory board that the project for which funding is sought will primarily serve underserved low-income or moderate-income communities.
- SECTION 5. [NEW MATERIAL] HEALTHY FOOD FINANCING FUND.-The "healthy food financing fund" is created as a nonreverting
 fund in the state treasury. The department shall administer
 the fund. The fund consists of appropriations, gifts, grants,
 donations and income from investment of the fund. Money in the
 fund is subject to appropriation by the legislature for the
 purpose of making grants and loans pursuant to the Healthy Food
 .218276.5

Financing Act and for administration of that act. Money in the fund shall be disbursed on warrants of the secretary of finance and administration pursuant to vouchers signed by the secretary of economic development. Not more than ten percent of the fund shall be used for administration of the Healthy Food Financing Act.

SECTION 6. [NEW MATERIAL] EQUITABLE FOOD-ORIENTED DEVELOPMENT ADVISORY BOARD--MEMBERSHIP--POWERS AND DUTIES.--

- A. The "equitable food-oriented development advisory board" is created and is administratively attached to the department. The board consists of five members appointed by the secretary of economic development. Board members shall serve three-year terms. The secretary shall appoint members that are:
- (1) low- or moderate-income farmers, food entrepreneurs, value-added food producers and food retailers from low- or moderate-income communities; and
 - (2) members of a socially disadvantaged group.
- B. A majority of the members of the equitable food-oriented development advisory board constitutes a quorum for the transaction of business. The board shall elect a chair from among its members.
- C. The equitable food-oriented development advisory board shall meet quarterly to review applications for grants and loans from eligible applicants pursuant to the Healthy Food .218276.5

Financing Act and make recommendations to the department on loans or grants to be made from the healthy food financing fund, including the applicants for which loans or grants are recommended, the amounts of the recommended loans or grants and the projects for which the loans or grants are recommended. The board shall additionally provide findings to the department regarding eligibility of the applicants for which the loans or grants are recommended.

- D. In determining which applicants and projects to recommend to the department for grants or loans, the equitable food-oriented development advisory board shall consider:
- (1) the applicant's demonstrated capacity to implement a proposed project, including the likelihood that the project will be economically self-sustaining;
- (2) the economic need in the community where the proposed project will be located;
- (3) the availability of healthy food in the community where the proposed project will be located;
- (4) the degree to which the proposed project will economically impact an underserved community, including the degree to which jobs will be created or retained in that community that provide employees with a living wage that adjusts to compensate for inflation, paid sick leave, careerbuilding opportunities that help employees develop networks and skills, provide access to training and mentorship and

- the degree to which the applicant will participate in state and local health initiatives to provide information about nutrition and wellness to members of the public;
- (7) the degree to which the proposed project will promote sales of fresh produce;
- (8) the degree to which the proposed project will promote sales of fresh produce grown in New Mexico; and
- the degree to which the proposed project will promote sales of fresh produce grown in healthy soil, using practices that enhance the soil's continuing capacity to function as a biological system, increase its organic matter and improve its structure and water- and nutrient-holding capacity.
- The equitable food-oriented development advisory board may give priority to applicants who are members of a socially disadvantaged group.
- [NEW MATERIAL] RULEMAKING.--The department SECTION 7. shall issue rules necessary to administer the provisions of the Healthy Food Financing Act.
- [NEW MATERIAL] REPORTING AND ACCOUNTABILITY.--SECTION 8. .218276.5

The	department	shall:
THE	department	SHall.

- A. establish monitoring and accountability mechanisms for projects receiving financing; and
- B. provide a report before December 1 of each year to the legislative health and human services committee describing the:
- (1) applicants and projects that received grants and loans pursuant to the Healthy Food Financing Act during the previous fiscal year;
- (2) applicants and projects for which loans are outstanding at the time of each report;
- (3) effects of the healthy food financing program on job creation, job security and community health; and
- (4) recommendations of the equitable foodoriented development advisory board.

SECTION 9. APPROPRIATION.--Two hundred thousand dollars (\$200,000) is appropriated from the general fund to the healthy food financing fund for expenditure in fiscal year 2022 and subsequent fiscal years for the purposes of the Healthy Food Financing Act. Any unexpended or unencumbered balance remaining at the end of a fiscal year shall not revert to the general fund.

SECTION 10. EFFECTIVE DATE.--The effective date of the provisions of this act is July 1, 2021.
