"60-1A-14. TESTING SPECIMENS.--

14

A. The commission shall adopt rules applying to  
the handling of pre- and post-race, out-of-competition and  
necropsy testing of blood serum plasma, urine or other  
appropriate test samples identified by the commission to be  
taken from racehorses, following guidelines that meet or  
exceed the standards established in model rules published by  
the association of racing commissioners international,  
incorporated, or a successor organization or, if none, by  
another nationally recognized organization that has published  
substantially similar guidelines that are generally accepted  
in the horse racing industry as determined by the commission.
