Legislative Counsel’s Digest:

1 Existing law requires the State Board of Health to provide, and the State Registrar of
2 Vital Statistics to carry out, a system for the registration of births and deaths in this State.
3 (NRS 440.120) Existing law requires the State Registrar, and authorizes certain other entities,
4 to issue a certified copy of a certificate of birth to an applicant if the applicant meets certain
5 requirements. (NRS 440.175, 440.650) Existing law prohibits: (1) the State Registrar from
6 charging a fee for a certified copy of a record of birth to a homeless person who submits on a
7 form prescribed by the State Registrar a statement signed under penalty of perjury that the
8 person is homeless; and (2) another person or governmental organization from charging a fee for
9 a certified or official copy of a certificate of birth to a homeless person who submits a
10 signed affidavit on a form prescribed by the State Registrar stating that the person is homeless.
11 (NRS 440.175, 440.700) Existing law prohibits the State Registrar from requiring the signed
12 statement that a person is homeless to be notarized. (NRS 440.700) **Section 1** of this bill: (1)
13 requires a homeless person who wishes to obtain a certified or official copy of a certificate of
14 birth from a person or governmental organization, other than the State Registrar, to submit a
15 statement signed under penalty of perjury that the person is homeless rather than a signed
16 affidavit; and (2) prohibits such a person or governmental entity from requiring that such a
17 signed statement be notarized.

18 **Sections 1 and 2** of this bill require the State Registrar and other entities who issue
19 certified or official copies of birth certificates to notify an applicant for a certified or official
20 copy of a birth certificate upon determining that required documents are missing from the
21 application. If the applicant is homeless, **sections 1 and 2** require the State Registrar or other

22 entity to allow the applicant at least 30 days after the notice was provided to submit the
23 missing documents.

24 Existing law allows certain residents or seasonal residents of this State who do not hold a
25 valid driver's license or identification card to apply for an identification card in this State.
26 (NRS 483.810-483.890) Existing law requires the Department of Health and Human Services
27 to establish and administer the Nevada Housing Crisis Response System to provide certain
28 types of assistance to persons who are transient, at imminent risk of homelessness or
29 homeless. (NRS 422A.680) **Section 3** of this bill requires the System to collaborate with the
30 Department of Motor Vehicles to facilitate assistance to persons in crisis who wish to apply
31 for such an identification card.

32 Existing law requires the Department of Motor Vehicles to waive, not more than one
33 time, all fees and costs for the issuance of an original or duplicate identification card to a
34 homeless child or youth less than 25 years of age. (NRS 483.825) **Section 4** of this bill
35 removes the limitation that such fees and costs may be waived only once, thus requiring the
36 Department to waive all fees and costs for the issuance of any identification card issued to a
37 homeless child or youth less than 25 years of age.

38 Existing law requires an applicant for an identification card to provide to the Department
39 of Motor Vehicles: (1) proof of his or her full legal name and age; and (2) if he or she has
40 been issued a social security number, proof of that social security number. (NRS 483.850,
41 483.860) **Section 5** of this bill removes the requirement to provide proof of a social security
42 number for any applicant who is a homeless child or youth less than 25 years of age. **Section**
43 **6** of this bill authorizes an applicant who is a homeless child or youth less than 25 years of age
44 to prove his or her legal name and age by providing : (1) a school identification card that
45 meets certain requirements.

46 ~~Section 7 of this bill requires each county whose population is 100,000 or more (currently~~
47 ~~Clark and Washoe Counties), during the 2023-2024 legislative interim, to: (1) develop a~~
48 ~~strategic plan to address homelessness in the county and the cities or towns within the county;~~
49 ~~(2) submit the plan to the Joint Interim Standing Committee on Health and Human Services;~~
50 ~~and (3) present the contents of the plan at a meeting of the Committee.]; and (2) an~~
51 ~~unofficial transcript from the respective school that contains the date of birth of the~~
52 ~~applicant.~~
