EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to substance use disorders; creating the Statewide Substance Use Response Working Group; requiring the Working Group to review certain issues relating to substance misuse and substance use disorders; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Existing law requires the Division of Public and Behavioral Health of the Department of  
2 Health and Human Services to formulate a comprehensive state plan for programs for alcohol  
3 and other substance use disorders. (NRS 458.025) **Section 6** of this bill creates the Statewide  
4 Substance Use Response Working Group within the Office of the Attorney General, and  
5 **section 7** of this bill prescribes requirements for the operation of the Working Group. **Section**  
6 **10** of this bill requires the Working Group to comprehensively review various aspects of  
7 substance misuse and substance use disorders and programs and activities to combat substance  
8 misuse and substance use disorders in this State. **Section 10.5** of this bill requires the  
9 Department of Health and Human Services to annually report to the Working Group  
10 concerning the use of state and local money to address substance misuse and substance use  
11 disorders, and **section 10** requires the Working Group to study, evaluate and make  
12 recommendations concerning the use of that money. **Section 10** also requires the Working  
13 Group to submit annually a report of its recommendations to the Governor, the Attorney  
14 General, the Legislature and certain other entities.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN

1           6. A member of the Working Group who is an officer or employee of this  
2 State or a political subdivision of this State must be relieved from his or her  
3 duties without loss of regular compensation to prepare for and attend meetings of  
4 the Working Group and perform any work necessary to carry out the duties of the  
5 Working Group in the most timely manner practicable. A state agency or political  
6 subdivision of this State shall not require an officer or employee who is a member  
7 of the Working Group to:

8           (a) Make up the time he or she is absent from work to carry out his or her  
9 duties as a member of the Working Group; or

10           (b) Take annual leave or compensatory time for the absence.

11           7. As used in this section, "substance use disorder prevention coalition"  
12 means a coalition of persons and entities who possess knowledge and experience  
13 related to the prevention of substance misuse and substance use disorders in a  
14 region of this State.

15           Sec. 7. 1. At the first meeting of each calendar year, the Working Group  
16 shall elect from its members a Chair and a Vice Chair.

17           2. The Working Group shall meet at the call of the Chair or a majority of its  
18 members.

19           3. A majority of the members of the Working Group constitutes a quorum  
20 for the transaction of business, and a majority of a quorum present at any  
21 meeting is sufficient for any official action taken by the Working Group.

22           Sec. 8. (Deleted by amendment.)

23           Sec. 9. (Deleted by amendment.)

24           Sec. 10. 1. The Working Group shall:

25           (a) Leverage and expand efforts by state and local governmental entities to  
26 reduce the use of substances which are associated with substance use disorders,  
27 including, without limitation, heroin, other synthetic and non-synthetic opioids  
28 and stimulants, and identify ways to enhance those efforts through coordination  
29 and collaboration.

30           (b) Assess evidence-based strategies for preventing substance use and  
31 intervening to stop substance use, including, without limitation, the use of heroin,  
32 other synthetic and non-synthetic opioids and stimulants. Such strategies must  
33 include, without limitation, strategies to:

34           (1) Help persons at risk of a substance use disorder avoid developing a  
35 substance use disorder;

36           (2) Discover potentially problematic substance use in a person and  
37 intervene before the person develops a substance use disorder;

38           (3) Treat the medical consequences of a substance use disorder in a  
39 person and facilitate the treatment of the substance use disorder to minimize  
40 further harm; and

41           (4) Reduce the harm caused by substance use, including, without  
42 limitation, by preventing overdoses.

43           (c) Assess and evaluate existing pathways to treatment and recovery for  
44 persons with substance use disorders, including, without limitation, such persons  
45 who are members of special populations.

46           (d) Work to understand how residents of this State who are involved in the  
47 criminal justice system access supports for treatment of and recovery from  
48 substance use disorders at various points, including, without limitation, by  
49 reviewing existing diversion, deflection and reentry programs for such persons.

50           (e) Evaluate ways to improve and expand evidence-based or evidence-  
51 informed programs, procedures and strategies to treat and support recovery from  
52 opioid use disorder and any co-occurring substance use disorder, including,  
53 without limitation, among members of special populations.

1           (f) *Examine support systems and programs for persons who are in recovery*  
2 *from opioid use disorder and any co-occurring substance use disorder.*

3           (g) *Make recommendations to entities including, without limitation, the State*  
4 *Board of Pharmacy, professional licensing boards that license practitioners,*  
5 *other than veterinarians, the State Board of Health, the Division, the Governor*  
6 *and the Legislature, to ensure that controlled substances are appropriately*  
7 *prescribed in accordance with the provisions of NRS 639.2391 to 639.23916,*  
8 *inclusive.*

9           (h) *Examine qualitative and quantitative data to understand the risk factors*  
10 *that contribute to substance use and the rates of substance use and substance use*  
11 *disorders, focusing on special populations.*

12           (i) *Develop strategies for local, state and federal law enforcement and public*  
13 *health agencies to respond to and prevent overdoses and plans for implementing*  
14 *those strategies.*

15           (j) *Study the efficacy and expand the implementation of programs to:*

16               (1) *Educate youth and families about the effects of substance use and*  
17 *substance use disorders; and*

18               (2) *Reduce the harms associated with substance use and substance use*  
19 *disorders while referring persons with substance use disorders to evidence-based*  
20 *treatment.*

21           (k) *Recommend strategies to improve coordination between local, state and*  
22 *federal law enforcement and public health agencies to enhance the*  
23 *communication of timely and relevant information relating to substance use and*  
24 *reduce duplicative data collection and research.*

25           (l) *Evaluate current systems for sharing information between agencies*  
26 *regarding the trafficking and distribution of legal and illegal substances which*  
27 *are associated with substance use disorders, including, without limitation, heroin,*  
28 *other synthetic and non-synthetic opioids and stimulants.*

29           (m) *Study the effects of substance use disorders on the criminal justice*  
30 *system, including, without limitation, law enforcement agencies and correctional*  
31 *institutions.*

32           (n) *Study the sources and manufacturers of substances which are associated*  
33 *with substance use disorders, including, without limitation, heroin, other*  
34 *synthetic and non-synthetic opioids and stimulants, and methods and resources*  
35 *for preventing the manufacture, trafficking and sale of such substances.*

36           (o) *Study the effectiveness of criminal and civil penalties at preventing the*  
37 *misuse of substances and substance use disorders and the manufacture,*  
38 *trafficking and sale of substances which are associated with substance use*  
39 *disorders, including, without limitation, heroin, other synthetic and non-synthetic*  
40 *opioids and stimulants.*

41           (p) *Evaluate the effects of substance use disorders on the economy of this*  
42 *State.*

43           (q) *Study, evaluate and make recommendations to the Department of Health*  
44 *and Human Services concerning the use of the money described in section 10.5*  
45 *of this act to address substance use disorders, with a focus on:*

46               (1) *The use of the money described in subsections 1, 2 and 3 of section*  
47 *10.5 of this act to supplement rather than supplant existing state or local*  
48 *spending;*

49               (2) *The use of the money described in section 10.5 of this act to support*  
50 *programs that use evidence-based interventions;*

51               (3) *The use of the money described in section 10.5 of this act to support*  
52 *programs for the prevention of substance use disorders in youth;*

1           (4) *The use of the money described in section 10.5 of this act to improve*  
2 *racial equity; and*

3           (5) *Reporting by state and local agencies to the public concerning the*  
4 *funding of programs to address substance misuse and substance use disorders.*

5           2. *On or before January 31 of each year, the Working Group shall:*

6           (a) *Compile a report which includes, without limitation, recommendations*  
7 *for the establishment, maintenance, expansion or improvement of programs to*  
8 *address substance misuse and substance use disorders based on the evaluations*  
9 *conducted pursuant to subsection 1; and*

10           (b) *Submit the report to the Governor, the Attorney General, the Advisory*  
11 *Commission on the Administration of Justice, any other entities deemed*  
12 *appropriate by the Attorney General and the Director of the Legislative Counsel*  
13 *Bureau for transmittal to:*

14           (1) *During an even-numbered year, the Legislative Committee on Health*  
15 *Care and the Interim Finance Committee; or*

16           (2) *During an odd-numbered year, the next regular session of the*  
17 *Legislature.*

18           3. *As used in this section:*

19           (a) *“Practitioner” has the meaning ascribed to it in NRS 639.0125.*

20           (b) *“Special populations” includes, without limitation:*

21           (1) *Veterans, elderly persons and youth;*

22           (2) *Persons who are incarcerated, persons who have committed*  
23 *nonviolent crimes primarily driven by a substance use disorder and other persons*  
24 *involved in the criminal justice or juvenile justice systems;*
