AN ACT relating to the Legislature; providing for the creation of Joint Interim Standing Committees of the Legislature; specifying the powers and duties of the Joint Interim Standing Committees; repealing various statutory committees; repealing the Advisory Commission on the Administration of Justice and the subcommittee of the Advisory Commission; reassigning certain powers and duties of repealed statutory committees and the Advisory Commission to the Joint Interim Standing Committees; making various other changes relating to legislative activity during the interim between regular sessions of the Legislature; requiring the Commission to Study Governmental Purchasing to submit a biennial report to the Joint Interim Standing Committee on Legislative Operations and Elections; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law establishes various committees on which Legislators serve throughout the
2 biennium. (Chapter 218E of NRS, NRS 209.4817, 439B.200, 459.0085, 482.367004) Existing
3 law also creates the Advisory Commission on the Administration of Justice and the
4 Subcommittee on Criminal Justice Information Sharing. (NRS 176.0123, 176.01248) This bill
5 repeals several of those committees, the Advisory Commission and its subcommittee and
6 creates Joint Interim Standing Committees that parallel the standing committees established
7 by the Legislature during its regular biennial sessions. **Section 6** of this bill creates the
8 following Joint Interim Standing Committees: (1) Commerce and Labor; (2) Education; (3)
9 Government Affairs; (4) Growth and Infrastructure; (5) Health and Human Services; (6)
10 Judiciary; (7) Legislative Operations and Elections; (8) Natural Resources; and (9) Revenue.
11 **Section 6** also prescribes the manner of appointing the regular members and the alternate
12 members to the Joint Interim Standing Committees after the adjournment of each regular
13 session of the Legislature. **Section 7** of this bill provides for meetings of the Committees and
14 the compensation of the members. **Section 6** requires the Legislative Commission to select a
15 Chair and Vice Chair of each Committee. **Section 8** of this bill authorizes the Committees to
16 review matters within the jurisdiction of their corresponding standing committees from the
17 preceding regular session of the Legislature and to conduct studies directed by the Legislature

18 and the Legislative Commission, and requires the Committees to report to each regular session
19 of the Legislature. **Section 8** also: (1) requires the Joint Interim Standing Committee on
20 Health and Human Services, either as part of its regular work or through appointment of a
21 subcommittee, to evaluate and review issues relating to child welfare; (2) requires the Joint
22 Interim Standing Committee on the Judiciary, either as part of its regular work or through
23 appointment of a subcommittee, to evaluate and review issues relating to juvenile justice; and
24 (3) authorizes the Joint Interim Standing Committee on Legislative Operations and Elections
25 to evaluate and review issues relating to governmental purchasing. **Section 9** of this bill
26 makes the sections of existing law governing the supplemental powers of interim committees
27 applicable to the Joint Interim Standing Committees. (NRS 218E.110) **Section 47** of this bill
28 transfers the responsibilities of the Legislative Committee on Health Care to the Joint Interim
29 Standing Committee on Health and Human Services. (NRS 439B.227) **Section 50** of this bill
30 revises the designated members of this State to serve on the cooperating committee
31 established by the Multistate Highway Transportation Agreement to include the Chair and
32 Vice Chair of the Joint Interim Standing Committee on Growth and Infrastructure. (NRS
33 481A.020) **Section 51** of this bill modifies the composition of the Commission on Special
34 License Plates to include the members of the Joint Interim Standing Committee on Growth
35 and Infrastructure, with the three nonvoting members remaining on the Commission. (NRS
36 482.367004)

37 Existing law authorizes various statutory, interim and other committees to request the
38 drafting of a certain number of legislative measures for a regular session. (NRS 218D.160)
39 **Section 4** of this bill authorizes a Joint Interim Standing Committee, other than the Joint
40 Interim Standing Committee on Health and Human Services and the Joint Interim Standing
41 Committee on the Judiciary, to request the drafting of not more than 10 legislative measures.
42 **Section 4** also authorizes: (1) the Joint Interim Standing Committee on Health and Human
43 Services to request the drafting of not more than 15 legislative measures, at least 5 of which
44 must relate to matters relating to child welfare; and (2) the Joint Interim Standing Committee
45 on the Judiciary to request the drafting of not more than 15 legislative measures, at least 5 of
46 which must relate to matters relating to juvenile justice.

47 Existing law: (1) prescribes the membership of the Commission to Study Governmental
48 Purchasing; (2) requires the Commission to meet not less than quarterly to study practices in
49 governmental purchasing and laws relating thereto; and (3) requires the Commission to make
50 recommendations to the Legislature with respect to those laws. (NRS 332.215) **Section 31.5**
51 of this bill requires the Commission to submit a biennial report to the Joint Interim Standing
52 Committee on Legislative Operations and Elections that includes any recommendations of the
53 Commission for legislation relating to governmental purchasing.

54 **Section 55** of this bill repeals the Advisory Commission on the Administration of Justice,

36 **Sec. 13.** NRS 218E.500 is hereby amended to read as follows:

37 218E.500 The Legislature finds and declares that:

38 1. Policies and issues relating to public lands and state sovereignty as
39 impaired by federal ownership of land are matters of continuing concern to this
40 State.

41 2. This concern necessarily includes an awareness that all federal statutes,
42 policies and regulations which affect the management of public lands are likely to
43 have extensive effects within the State and must not be ignored or automatically
44 dismissed as beyond the reach of the state's policymakers.

45 3. Experience with federal regulations relating to public lands has
46 demonstrated that the State of Nevada and its citizens are subjected to regulations
47 which sometimes are unreasonable, arbitrary, beyond the intent of the Congress or
48 the scope of the authority of the agency adopting them and that as a result these
49 regulations should be subjected to legislative review and comment, and judicially
50 tested where appropriate, to protect the rights and interests of the State and its
51 citizens.

52 4. Other western states where public lands comprise a large proportion of the
53 total area have shown an interest in matters relating to public lands and those states,

1 along with Nevada, have been actively participating in cooperative efforts to
2 acquire, evaluate and share information and promote greater understanding of the
3 issues. Since Nevada can both contribute to and benefit from such interstate
4 activities, it is appropriate that a ~~committee~~ *Joint Interim Standing Committee* on
5 matters relating to public lands be assigned primary responsibility for participating

38 general, unrestricted uses will increase by a rate that is greater than the combined
39 rate of inflation and the growth of enrollment in the public schools in this State in
40 the immediately preceding biennium, an amount of money in the State General
41 Fund for transfer to the State Education Fund for the subsequent biennium which is

35 to paragraph (a), is insufficient to fund the multiplier for each category of pupils, in
36 which event the Governor must recommend the remaining money in the State
37 Education Fund, excluding the Education Stabilization Account or any account
38 created pursuant to subsection 5 of NRS 387.1212, be used to provide a multiplier

8 appropriate. If the Governor includes in the proposed executive budget
9 recommendations pursuant to this subsection, the recommendations must be
10 accompanied by such recommendations for legislation as the Governor determines

12 this State is determined.

13 6. As used in this section, "rate of inflation" means the percentage of increase
14 or decrease in the Consumer Price Index for All Urban Consumers, West Region

28 carrying out the Pupil-Centered Funding Plan.

29 (c) Review the statewide base per pupil funding amount, the adjusted base per

31 each category of pupils appropriated by law pursuant to NRS 387.1214 for each
32 biennium and recommend any revisions the Commission determines to be
33 appropriate to create an optimal level of funding for the public schools in this State,
34 including, without limitation, by recommending the creation or elimination of one
35 or more categories of pupils to receive additional weighted funding. If the
36 Commission makes a recommendation pursuant to this paragraph which would
37 require more money to implement than was appropriated from the State Education
38 Fund in the immediately preceding biennium, the Commission shall also identify a
39 method to fully fund the recommendation within 10 years after the date of the
40 recommendation.

41 (d) Review the laws and regulations of this State relating to education, make
42 recommendations to the ~~Legislative~~ *Joint Interim Standing* Committee on
43 Education for any revision of such laws and regulations that the Commission
44 determines would improve the efficiency or effectiveness of public education in
