Legislative Counsel’s Digest:

1 Existing law provides that a person, firm, association or agency who willfully or

3 circumstances, be liable for the expenses incurred in extinguishing the fire or meeting the
4 emergency to the federal, state, county or municipal agency which incurred those expenses.
5 (NRS 472.540, 474.550) **Sections 1 and 2** of this bill: (1) revise the circumstances under
6 which a person, firm, association or agency may be liable for such expenses to remove the

9 or agency may also be liable for the expenses incurred in extinguishing a fire or meeting an
10 emergency by a city agency or general improvement district created to furnish fire
11 protection.

12 **Sections 3-5** of this bill authorize , with certain exceptions, the governing body of a
13 county, city or general improvement district created to furnish fire protection to bring an
14 action against a person, firm, association or agency that is responsible for willfully or
15 negligently causing a wildfire to recover any expenses incurred in extinguishing the
16 wildfire and reasonable attorney’s fees and litigation expenses.
