Legislative Counsel’s Digest:

1 Existing federal law provides for individual retirement accounts and individual retirement
2 annuities by which persons may save money for retirement under favorable income tax
3 treatment. (26 U.S.C. §§ 408, 408A) This bill establishes the Nevada Employee Savings Trust
4 under the direction of a board of trustees with the power to establish a similar program and to
5 encourage private employees to establish such accounts.
6 **Section 19** of this bill creates the Board of Trustees of the Nevada Employee Savings
7 Trust and establishes its membership. **Section 20** of this bill establishes certain powers and
8 duties of the Board. In particular, **section 20** authorizes and empowers the Board to: (1)
9 design, establish and operate the Nevada Employee Savings Trust Program; and (2) adopt

10 regulations, rules and procedures for the establishment and operation of the Program and to
11 take such other actions necessary or desirable to establish and operate the Program.

12 **Section 21** of this bill requires the State Treasurer to provide staff support to the Board
13 within the limits of appropriations and authorizes the State Treasurer to provide administrative
14 support to the Board.

15 **Section 22** of this bill provides that an act or undertaking of the Board does not constitute
16 a debt of the State of Nevada, or any political subdivision thereof, or a pledge of the full faith
17 and credit of the State of Nevada, or of any political subdivision thereof, and is payable solely
18 from the assets controlled by the Board. **Section 22** also prohibits the Board from imposing
19 any obligations on the State or pledging the credit of the State.

20 **Section 23** of this bill establishes certain attributes that the Board must include in the
21 Program, including: (1) that covered employers must automatically enroll all covered
22 employees in the Program or in a similar program offered by a trade association or chamber of
23 commerce, unless a covered employee opts out of the Program or, if applicable, the similar
24 program offered by a trade association or chamber of commerce; (2) that contributions to a
25 covered employee's Individual Retirement Account must be withheld from the employee's
26 compensation at the rate set by the Board unless the employee elects not to contribute or to
27 contribute at a different rate; (3) that a covered employee may withdraw contributions to meet
28 a financial or other emergency; and (4) that the Board must prepare informational materials,
29 disclosure statements, forms and instructions concerning the Program for distribution by
30 covered employers to covered employees.

31 **Section 24** of this bill creates the Nevada Employee Savings Trust Administrative Fund
32 in the State Treasury, specifies the sources of money that must be deposited in the Fund and
33 requires the Board to use money in the Fund solely to pay the administrative costs and
34 expenses of the Board and the Program.

35 **Section 25** of this bill authorizes the Board to borrow money or enter into certain long-
36 term procurement contracts with financial providers until the Board determines that the
37 Program is financially self-sustaining.

38 **Section 26** of this bill creates the Nevada Employee Savings Trust as an instrumentality
39 of the State and requires the Board to appoint a Trustee of the Trust. **Section 26** requires that
40 the assets of all Individual Retirement Accounts established by covered employees through
41 the Program be allocated to the Trust and invested, managed and administered for the
42 exclusive purposes of providing benefits to the covered employees and defraying the
43 reasonable expenses of the Board, Program and Trust. **Section 26** also establishes certain
44 investment guidelines and practices.

45 **Section 27** of this bill provides that, except to the extent necessary to administer the
46 Program, personal information relating to individual participants in the Program and
47 information relating to individual accounts established or maintained through the Program is
48 confidential and must be maintained as confidential, unless the person who provides the
49 information or is the subject of the information expressly agrees in writing to the disclosure of
50 the information.

51 **Section 28** of this bill provides a grant of immunity from civil liability to covered
52 employers for the consequences of various decisions made by employees or the Board in
53 connection with the Program, including, for example, an employee's decision to participate in
54 or opt out of the Program, an investment decision made by the participant or the Board or a
55 loss, failure to realize a gain or other adverse consequence incurred by a person as a result of
56 participating in the Program. **Section 28** also provides that a covered employer or other
57 employer must not be deemed to be a fiduciary in relation to the Program.

58 **Section 29** of this bill absolves the State and any employee or officer thereof, the Board
59 and any member of the Board or employee thereof and the Program from any responsibility or
60 civil liability for the actions of certain other persons in connection with the Program,
61 including, for example, a person's failure to comply with provisions of the Internal Revenue
62 Code, the payment of benefits or a loss, failure to realize a gain or other adverse consequence
63 incurred by a person as a result of participating in the Program. **Section 29** also provides that
64 the debts, contracts and obligations of the Board, Program or Trust are not the debts, contracts
65 and obligations of the State, and neither the faith and credit nor the taxing power of the State
66 is pledged directly or indirectly to the payment of the debts, contracts and obligations of the
67 Board, Program or Trust.

68 **Section 30** of this bill provides that members of the Board, the Trustee and certain other
69 persons involved in the administration of the Trust are fiduciaries with respect to the
70 participants in the Program.

71 **Section 31** of this bill prohibits members of the Board, its staff and persons who serve as
72 administrators of the Program from engaging in certain financial transactions in connection
73 with the Program.

74 **Section 32** of this bill requires the Board to obtain an annual independent audit of the
75 Board, Program and Trust and to annually submit audited financial reports to the Governor,
76 State Controller and Legislature.

77 **Section 35** of this bill requires, with certain exceptions, the Board to establish the
78 Program and implement its provisions so that covered employees are able to make
79 contributions to an Individual Retirement Account through the Program beginning on July 1,
80 2025. **Section 35** further authorizes the Board to implement the Program in phases but if the
81 Board does so, the first phase must not begin before July 1, 2025.

82 **Section 34.5** of this bill makes an appropriation to the Office of the State Treasurer for
83 costs related to the administration of the Program.

8 35, 38 and 41 of chapter 478, Statutes of Nevada 2011 and section 2 of chapter 391,
9 Statutes of Nevada 2013 and unless otherwise declared by law to be confidential,
10 all public books and public records of a governmental entity must be open at all
11 times during office hours to inspection by any person, and may be fully copied or
12 an abstract or memorandum may be prepared from those public books and public
13 records. Any such copies, abstracts or memoranda may be used to supply the
14 general public with copies, abstracts or memoranda of the records or may be used
15 in any other way to the advantage of the governmental entity or of the general
16 public. This section does not supersede or in any manner affect the federal laws
17 governing copyrights or enlarge, diminish or affect in any other manner the rights
18 of a person in any written book or record which is copyrighted pursuant to federal
19 law.

20 2. A governmental entity may not reject a book or record which is
21 copyrighted solely because it is copyrighted.

22 3. A governmental entity that has legal custody or control of a public book or
23 record shall not deny a request made pursuant to subsection 1 to inspect or copy or
24 receive a copy of a public book or record on the basis that the requested public
25 book or record contains information that is confidential if the governmental entity
26 can redact, delete, conceal or separate, including, without limitation, electronically,
27 the confidential information from the information included in the public book or
28 record that is not otherwise confidential.

29 4. If requested, a governmental entity shall provide a copy of a public record
30 in an electronic format by means of an electronic medium. Nothing in this
31 subsection requires a governmental entity to provide a copy of a public record in an
32 electronic format or by means of an electronic medium if:

33 (a) The public record:

34 (1) Was not created or prepared in an electronic format; and

35 (2) Is not available in an electronic format; or

36 (b) Providing the public record in an electronic format or by means of an
37 electronic medium would:

38 (1) Give access to proprietary software; or

39 (2) Require the production of information that is confidential and that
40 cannot be redacted, deleted, concealed or separated from information that is not
41 otherwise confidential.

42 5. An officer, employee or agent of a governmental entity who has legal
43 custody or control of a public record:

44 (a) Shall not refuse to provide a copy of that public record in the medium that
45 is requested because the officer, employee or agent has already prepared or would
46 prefer to provide the copy in a different medium.

47 (b) Except as otherwise provided in NRS 239.030, shall, upon request, prepare
48 the copy of the public record and shall not require the person who has requested the
49 copy to prepare the copy himself or herself.

50 **Sec. 34.5.** 1. There is hereby appropriated from the State General Fund to
51 the Office of the State Treasurer for costs related to the administration of the
52 Nevada Employee Savings Trust Program established pursuant to section 20 of this
53 act the following sums:

1 For the Fiscal Year 2023-2024..... \$669,491
2 For the Fiscal Year 2024-2025..... \$535,074

3 2. The Office of the State Treasurer shall repay the sums appropriated by
4 subsection 1 as soon as the Office has received sufficient money for the operation
5 of the Program.

6 3. Any balance of the sums appropriated by subsection 1 remaining at the end
7 of the respective fiscal years must not be committed for expenditure after June 30
8 of the respective fiscal years by the entity to which the appropriation is made or any
9 entity to which money from the appropriation is granted or otherwise transferred in
10 any manner, and any portion of the appropriated money remaining must not be
11 spent for any purpose after September 20, 2024, and September 19, 2025,
12 respectively, by either the entity to which the money was appropriated or the entity
13 to which the money was subsequently granted or transferred, and must be reverted
14 to the State General Fund on or before September 20, 2024, and September 19,
15 2025, respectively.

16 **Sec. 35.** 1. Except as otherwise provided in this section, the Board of
17 Trustees of the Nevada Employee Savings Trust created by section 19 of this act
18 shall establish the Nevada Employee Savings Trust Program pursuant to section 20
19 of this act and implement its provisions so that covered employees are able to make
20 contributions to an Individual Retirement Account through the Program beginning
21 on July 1, 2025.

22 2. The Board may implement the Program in phases so that the ability of
23 covered employees to contribute to an Individual Retirement Account through the
24 Program first applies on different dates for different employees based on the
25 number of employees employed by the covered employer. If the Board implements
26 the Program in phases pursuant to this subsection, the first phase must not begin
27 before July 1, 2025.

28 3. The Board shall not implement the Program if, and to the extent that, it
29 determines that the Program is preempted by the Employee Retirement Income
30 Security Act of 1974, 29 U.S.C. §§ 1001 et seq. If the Board determines that one or
31 more provisions of the Program are preempted by Employee Retirement Income
32 Security Act of 1974, the Board shall implement the remaining provisions of the
33 Program to the extent practicable.

34 4. The Board shall not implement a provision of the Program that authorizes
35 an arrangement by which an employer facilitates access for an employee to
36 contribute to an Individual Retirement Account by means of payroll deduction if
37 the Board determines that the arrangement is an employee pension benefit plan
38 within the meaning of section 3(2) of the Employee Retirement Income Security
39 Act of 1974, 29 U.S.C. § 1002(2).

40 **Sec. 36.** As soon as practicable on or after the effective date of this section,
41 the Governor, Majority Leader of the Senate and Speaker of the Assembly shall
42 appoint the members of the Board of Trustees of the Nevada Employee Savings
43 Trust pursuant to section 19 of this act.

44 **Sec. 37.** The provisions of subsection 1 of NRS 218D.380 do not apply to
45 any provision of this act which adds or revises a requirement to submit a report to
46 the Legislature.

47 **Sec. 38.** 1. This section and section 36 of this act become effective upon
48 passage and approval.

49 2. Section 34.5 of this act becomes effective on July 1, 2023.

50 3. Sections 1 to 34, inclusive, 35 and 37 of this act, become effective:

51 (a) Upon passage and approval for the purpose of adopting any regulations and
52 performing any other preparatory administrative tasks that are necessary to carry
53 out the provisions of this act; and

- 1 (b) On July 1, 2025, for all other purposes.
