

Assembly Bill No. 100–Committee  
on Government Affairs

CHAPTER.....

AN ACT relating to wildfires; authorizing the State Forester Firewarden to enter into a cooperative agreement with federal, state and local agencies to create a fire board of directors; revising the duties of the State Forester Firewarden; creating the Wildland Fire Protection Program; authorizing the Commissioner of Insurance to create an insurance incentive program related to wildfires; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Existing law sets forth various powers and duties of the State Forester Firewarden related to forest and watershed management and the protection of forests and other lands from fire. (NRS 472.040) Existing law further authorizes the State Forester Firewarden, under certain circumstances, to enter into: (1) cooperative agreements with the Federal Government for the purpose of securing cooperation in forest management and the protection of the forest and watershed areas of Nevada from fire; and (2) certain other agreements that will otherwise promote and encourage forest management and the protection from fire of forest or other lands having an inflammable cover. (NRS 472.050)

**Section 2** of this bill authorizes the State Forester Firewarden to enter into a cooperative agreement with federal, state and local agencies for the purpose of creating a fire board of directors to ensure that agencies in this State work collaboratively to, without limitation: (1) determine and plan for best practices for wildfire suppression tactics and needs; (2) facilitate communication among the agencies when a wildfire occurs; and (3) develop policies that ensure a safe and effective response to a wildfire.

**Section 4** of this bill requires the State Forester Firewarden to work collaboratively with and provide technical assistance to federal, state and local agencies and property owners to: (1) identify and mitigate the risks of wildfire to life, property and ecosystems; (2) restore and maintain landscape resiliency; (3) create and maintain fire-adapted communities and ignition-resistant communities; and (4) improve and support safe and effective responses to wildfires.

Existing law authorizes any fire protection district and boards of county commissioners to enter into cooperative agreements with the State Forester Firewarden, other counties, rangeland fire protection associations and other organizations and individuals to prevent and suppress outdoor fires. (NRS 472.060)

**Section 3** of this bill creates the Wildland Fire Protection Program in the Division of Forestry of the State Department of Conservation and Natural Resources and authorizes the State Forester Firewarden to enter into cooperative agreements with fire protection districts and boards of county commissioners to participate in the Wildland Fire Protection Program.

Existing law authorizes, under certain circumstances, the State Forester Firewarden to provide meals to employees of the Division who are involved in emergency fire fighting. (NRS 472.110) **Section 5** of this bill authorizes, under certain circumstances, the State Forester Firewarden to also provide meals to employees of the Division who are involved in critical natural resource projects.

Existing law authorizes the State Forester Firewarden to prohibit or restrict certain activities on any lands within the jurisdiction of the State Forester Firewarden when a danger to public safety or natural resources exists because of conditions which create a high risk of fire. (NRS 472.510) **Section 6** of this bill requires the State Forester Firewarden to cooperate and collaborate with the relevant federal, state and local agencies in prohibiting or restricting such activities.

**Sections 7 and 8** of this bill make conforming changes to indicate the placement of **sections 2 and 3** in the Nevada Revised Statutes.

**Section 9** of this bill authorizes the Commissioner of Insurance to create a program for insurers to provide incentives to promote and encourage property owners to take measures to mitigate the risk of property loss or damage caused by wildfire. If the Commissioner creates such a program, the Commissioner is required to consult with the State Forester Firewarden in determining the mitigation measures that will be included in the program.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** Chapter 472 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

**Sec. 2.** *The State Forester Firewarden, with the approval of the Director of the State Department of Conservation and Natural Resources, may enter into a cooperative agreement with federal, state and local agencies for the purpose of creating a fire board of directors to ensure, without limitation, that agencies in this State work collaboratively to:*

*1. Determine and plan for best practices for wildfire suppression tactics and needs;*

*2. Facilitate communication among the agencies when a wildfire occurs; and*

*3. Develop policies that ensure a safe and effective response to a wildfire.*

**Sec. 3.** *1. The Wildland Fire Protection Program is hereby created in the Division of Forestry of the State Department of Conservation and Natural Resources to provide wildfire protection and resources throughout this State.*

*2. The State Forester Firewarden, with the approval of the Director of the State Department of Conservation and Natural Resources, may enter into cooperative agreements with any fire protection district or board of county commissioners to participate in the Wildland Fire Protection Program.*

*3. The Wildland Fire Protection Program may provide fire protection districts and boards of county commissioners who enter into the agreement to participate in the Wildland Fire Protection*

*Program with resources for wildfire protection, firefighting and recovery, including, without limitation, technical assistance and labor, when available, to reduce the risk of wildfires in high to extreme wildfire risk areas and to reduce the cost of suppressing wildfires.*

**Sec. 4.** NRS 472.040 is hereby amended to read as follows:

472.040 1. The State Forester Firewarden shall:

(a) Supervise or coordinate all forestry and watershed work on state-owned and privately owned lands, including fire control, in Nevada, working with federal agencies, private associations, counties, towns, cities or private persons.

(b) Administer all fire control laws and all forestry laws in Nevada outside of townsite boundaries, and perform any other duties designated by the Director of the State Department of Conservation and Natural Resources or by state law.

(c) Assist and encourage county or local fire protection districts to create legally constituted fire protection districts where they are needed and offer guidance and advice in their operation.

(d) Designate the boundaries of each area of the State where the construction of buildings on forested lands creates such a fire hazard as to require the regulation of roofing materials.

(e) Adopt and enforce regulations relating to standards for fire retardant roofing materials to be used in the construction, alteration, change or repair of buildings located within the boundaries of fire hazardous forested areas.

(f) Purchase communication equipment which can use the microwave channels of the state communications system and store this equipment in regional locations for use in emergencies.

(g) Administer money appropriated and grants awarded for fire prevention, fire control and the education of firefighters and award grants of money for those purposes to fire departments and educational institutions in this State.

(h) Determine the amount of wages that must be paid to offenders who participate in conservation camps and who perform work relating to fire fighting and other work projects of conservation camps.

(i) Cooperate with the State Fire Marshal in the enforcement of all laws and the adoption of regulations relating to the prevention of fire through the management of vegetation in counties located within or partially within the Lake Tahoe Basin and the Lake Mead Basin.

(j) Assess the codes, rules and regulations which are adopted by other agencies that have specific regulatory authority within the

Lake Tahoe Basin and the Lake Mead Basin, and which are not subject to the authority of a state or local fire agency, for consistency with fire codes, rules and regulations.

(k) Ensure that any adopted regulations are consistent with those of fire protection districts created pursuant to chapter 318 or 474 of NRS.

(l) Upon the request of the State Engineer, review a plan submitted with an application for the issuance of a temporary permit pursuant to NRS 533.436.

*(m) Work collaboratively with and provide technical assistance to federal, state and local agencies and property owners to:*

*(1) Identify and mitigate the risks of wildfire to life, property and ecosystems;*

*(2) Restore and maintain landscape resiliency;*

*(3) Create and maintain fire-adapted communities and ignition-resistant communities; and*

*(4) Improve and support safe and effective responses to wildfire.*

2. The State Forester Firewarden in carrying out the provisions of this chapter may:

(a) Appoint paid foresters and firewardens to enforce the provisions of the laws of this State respecting forest and watershed management or the protection of forests and other lands from fire, subject to the approval of the board of county commissioners of each county concerned.

(b) Appoint suitable citizen-wardens. Citizen-wardens serve voluntarily except that they may receive compensation when an emergency is declared by the State Forester Firewarden.

(c) Appoint, upon the recommendation of the appropriate federal officials, resident officers of the United States Forest Service and the United States Bureau of Land Management as voluntary firewardens. Voluntary firewardens are not entitled to compensation for their services.

(d) Appoint certain paid foresters or firewardens to be arson investigators.

(e) Employ, with the consent of the Director of the State Department of Conservation and Natural Resources, clerical assistance, county and district coordinators, patrol officers, firefighters, and other employees as needed, and expend such sums as may be necessarily incurred for this purpose.

(f) Purchase, or acquire by donation, supplies, material, equipment and improvements necessary to fire protection and forest and watershed management.

(g) With the approval of the Director of the State Department of Conservation and Natural Resources and the State Board of Examiners, purchase or accept the donation of real property to be used for lookout sites and for other administrative, experimental or demonstration purposes. No real property may be purchased or accepted unless an examination of the title shows the property to be free from encumbrances, with title vested in the grantor. The title to the real property must be examined and approved by the Attorney General.

(h) Expend any money appropriated by the State to the Division of Forestry of the State Department of Conservation and Natural Resources for paying expenses incurred in fighting fires or in emergencies which threaten human life.

3. The State Forester Firewarden, in carrying out the powers and duties granted in this section, is subject to administrative supervision by the Director of the State Department of Conservation and Natural Resources.

**Sec. 5.** NRS 472.110 is hereby amended to read as follows:

472.110 The State Forester Firewarden may provide meals to employees of the Division of Forestry of the State Department of Conservation and Natural Resources who are involved in emergency fire fighting *or critical natural resource projects* if the State Forester Firewarden determines that it is impractical for the employees to eat at home because of their duties in that emergency **or on that assignment.**

**Sec. 6.** NRS 472.510 is hereby amended to read as follows:

472.510 1. The State Forester Firewarden may prohibit or restrict the following activities on any lands within the jurisdiction of the State Forester Firewarden when a danger to public safety or natural resources exists because of conditions which create a high risk of fire:

(a) The operation in an area of timber, brush or grass of a motor vehicle or other item of equipment powered by a motor:

(1) If the motor does not have a spark arrestor as required by law; or

(2) If the operator does not have in his or her possession an ax, shovel and at least 1 gallon of water;

(b) The operation in an area of timber, brush or grass of a motor vehicle off an existing paved, gravel or dirt road;

(c) The smoking of tobacco or other substances in any place other than a motor vehicle or an area cleared of flammable vegetation;

(d) Setting an open fire in any place other than in a fireplace located in an established picnic area or campground; or

(e) Other activities, if specified in regulations adopted by the State Forester Firewarden and the prohibition or restriction is related to reducing a high risk of fire,

↳ but these prohibitions and restrictions do not apply in established campgrounds or picnic areas, beaches or places of habitation or to travel on state or federal highways.

2. The State Forester Firewarden shall make a public announcement and post signs in any area where the State Forester Firewarden has prohibited or restricted any activities.

3. The State Forester Firewarden shall, upon finding that a danger to public safety or to natural resources no longer exists, make known to the public the end of any prohibition or restriction in that area.

4. *The State Forester Firewarden shall cooperate and collaborate with the relevant federal, state and local agencies in prohibiting or restricting activities pursuant to this section.*

5. The provisions of this section apply only to specified prohibitions or restrictions and do not confer upon the State Forester Firewarden the power to prohibit access to land.

~~[5.]~~ 6. Any person violating any of the provisions of ~~[this section]~~ *subsection 1* is guilty of a misdemeanor.

**Sec. 7.** NRS 474.167 is hereby amended to read as follows:

474.167 The board of directors of a county fire protection district shall cooperate with the State Forester Firewarden and other agencies as provided in NRS 472.040 to 472.090, inclusive, *and sections 2 and 3 of this act* to prevent and suppress fires in wild lands, and may contribute suitable amounts of money from the sums raised as provided in NRS 474.200 for that purpose to cooperating agencies, or may receive contributions from other agencies to be spent for that purpose.

**Sec. 8.** NRS 474.490 is hereby amended to read as follows:

474.490 The board of fire commissioners shall cooperate with the State Forester Firewarden and other agencies as provided in NRS 472.040 to 472.090, inclusive, *and sections 2 and 3 of this act* to prevent and suppress fires in wild lands, and may contribute suitable amounts of money from the sums raised as provided in NRS 474.510 for that purpose to cooperating agencies, or may receive contributions from other agencies to be spent for that purpose.

**Sec. 9.** Chapter 679B of NRS is hereby amended by adding thereto a new section to read as follows:

*1. The Commissioner may create a program for insurers to provide incentives to promote and encourage property owners to take measures to mitigate the risk of property loss or damage caused by wildfire.*

*2. If the Commissioner creates a program pursuant to subsection 1, the Commissioner must consult with the State Forester Firewarden in determining the mitigation measures that that will be included in the program.*

**Sec. 10.** This act becomes effective on July 1, 2021.
