AN ACT relating to domestic relations; authorizing one or more adults to petition a court for the adoption of a child; authorizing a court to waive the hearing on a petition for the adoption of a child in certain circumstances; requiring that additional information must be included in a petition for the adoption of a child who currently resides in the home of the petitioners; authorizing a court to determine that more than two people have a parent and child relationship with a child; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law establishes provisions governing the adoption of children. (NRS
2 127.010-127.186) Existing law authorizes any adult or married couple to petition a
3 court for the adoption of a child. (NRS 127.030) **Section 5.2** of this bill instead
4 provides that one or more adults may petition a court for the adoption of a child and
5 requires that each prospective adopting adult and legal parent seeking to retain his
6 or her parental rights be joined as a petitioner. **Section 5.2** also authorizes a court
7 to: (1) waive the hearing on a petition for the adoption of a child if the petitioner is
8 related to the child within the third degree of consanguinity; and (2) determine that
9 a child has a legal relationship with more than two petitioners. **Sections 5.1, 5.3-5.6**
10 and **5.7-5.85** of this bill make conforming changes to reflect that a child may have a
11 legal relationship with more than two parents.

12 Existing law requires that a petition for the adoption of a child who currently
13 resides in the home of the petitioners must contain certain information. (NRS
14 127.110) **Section 5.65** of this bill requires the petition also to include a statement
15 that there are no known signs that the child is currently experiencing victimization
16 from human trafficking, exploitation or abuse.
17 **Section 8** of this bill generally provides that, for the purposes of the Nevada
18 Revised Statutes, if more than two persons have a parent and child relationship with
19 a child pursuant to a prior court order, any reference to the parents of a child or a
20 parent of a child must be interpreted to include any person whom a court has
21 determined to be a parent of the child.
