AN ACT relating to elections; requiring the Secretary of State to allow an elector with a disability to register to vote and a registered voter with a disability to request and cast an absent ballot using the system of approved electronic transmission established for certain uniformed military and overseas voters; setting forth certain requirements for such an elector or registered voter to use the system of approved electronic transmission; revising the deadline by which certain uniformed military and overseas voters may submit an application to register to vote or a request for a military-overseas ballot; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law requires the Secretary of State to establish a system of approved
2 electronic transmission through which certain uniformed military and overseas
3 voters may register to vote, apply for a military-overseas ballot and cast a military-
4 overseas ballot. (NRS 293D.200) **Section 1** of this bill requires the Secretary of
5 State to allow the system of approved electronic transmission to be used by: (1) an
6 elector with a disability to register to vote; and (2) a registered voter with a
7 disability to apply for and cast an absent ballot. **Section 1** also requires the system
8 of approved electronic transmission to allow such an elector or registered voter to
9 provide his or her digital or electronic signature on any document or other material
10 that is necessary for the elector to register to vote or the registered voter to apply
11 for and cast an absent ballot. **Section 1** further requires the Secretary of State to
12 prescribe procedures to be used by local elections officials in accepting, handling
13 and counting absent ballots received from a registered voter with a disability using
14 the system of approved electronic transmission.

15 **Sections 2-12** of this bill make conforming changes related to allowing the use
16 of the system of approved electronic transmission by an elector with a disability to

17 register to vote and a registered voter with a disability to request and cast an absent
18 ballot.

19 Existing law authorizes certain uniformed military and overseas voters to: (1)
20 use a federal postcard application or the application's electronic equivalent to apply
21 to register to vote; or (2) use the declaration accompanying the federal write-in
22 absentee ballot to apply to register to vote simultaneously with the submission of
23 the federal write-in absentee ballot if the application or the declaration, as
24 applicable, is received by the appropriate elections official by the seventh day
25 before the election. (NRS 293D.230) Existing law further authorizes certain
26 uniformed military and overseas voters to submit an application for a military-
27 overseas ballot by the seventh day before the election. (NRS 293D.300, 293D.310)
28 Existing law also requires a military-overseas ballot to be received by the
29 appropriate local elections official not later than the close of the polls. (NRS
30 293D.400) **Sections 13-16** of this bill provide that the deadline for certain
31 uniformed military and overseas voters to: (1) submit a federal postcard application
32 or the application's electronic equivalent to apply to register to vote; (2) submit the
33 federal write-in absentee ballot and register to vote simultaneously using the
34 declaration accompanying the federal write-in absentee ballot; or (3) apply for a
35 military-overseas ballot and return the military-overseas ballot to the appropriate
36 local elections official is the time set for closing the polls on election day pursuant
37 to NRS 293.273, which is currently 7 p.m. As a result of the changes made by
38 **sections 13-16**, a person with a disability may also use the system of approved
39 electronic transmission to register to vote, request an absent ballot and cast an
40 absent ballot until the time set for closing the polls on election day.

23 (b) If at least two employees in the office of the county clerk
24 believe there is a reasonable question of fact as to whether the
25 signature used for the absent ballot matches the signature of the

27 confirm whether the signature used for the absent ballot belongs to
28 the voter.

29 2. For purposes of subsection 1:

30 (a) There is a reasonable question of fact as to whether the
31 signature used for the absent ballot matches the signature of the
32 voter if the signature used for the absent ballot differs in multiple,
33 significant and obvious respects from the signatures of the voter
34 available in the records of the county clerk.

35 (b) There is not a reasonable question of fact as to whether the
36 signature used for the absent ballot matches the signature of the
37 voter if:

38 (1) The signature used for the absent ballot is a variation of
39 the signature of the voter caused by the substitution of initials for
40 the first or middle name or the use of a common nickname and it

42 respects from the signatures of the voter available in the records of
43 the county clerk; or

1 (2) There are only slight dissimilarities between the signature
2 used for the absent ballot and the signatures of the voter available in

25 4. If the county clerk determines when checking the signature
26 used for the absent ballot that the absent voter failed to affix his or
27 her signature or failed to affix it in the manner required by law for
28 the absent ballot or that there is a reasonable question of fact as to
29 whether the signature used for the absent ballot matches the
30 signature of the voter, but the voter is otherwise entitled to cast
31 the absent ballot, the county clerk shall contact the voter and advise
32 the voter of the procedures to provide a signature or a confirmation
33 that the signature used for the absent ballot belongs to the voter, as

43 the absent ballot matches the signature of the voter, in order to:

44 (a) Contact the voter;

1 (b) Allow the voter to provide a signature or a confirmation that
2 the signature used for the absent ballot belongs to the voter, as
3 applicable; and

4 (c) After a signature or a confirmation is provided, as applicable,
5 ensure the absent ballot is delivered to the appropriate election
6 board or the absent ballot central counting board, as applicable.

10 (a) Mail;

11 (b) Telephone, if a telephone number for the voter is available in

41 to NRS 293.485, the county clerk shall issue a voter registration
42 card to the voter.

43 8. If a person or an elector submits an application to preregister
44 or register to vote or an affidavit described in paragraph (c) of
45 subsection 1 of NRS 293.507 that contains any handwritten

1 additions, erasures or interlineations, the county clerk may object to
2 the application if the county clerk believes that because of such
3 handwritten additions, erasures or interlineations, the application is

6 the elector is not eligible to vote pursuant to NRS 293.485, as
7 applicable. If the county clerk objects pursuant to this subsection, he
