AN ACT relating to industrial insurance; revising provisions governing the length of a program of vocational rehabilitation and job placement assistance; revising provisions governing the circumstances under which a program of vocational rehabilitation may be extended; increasing the amount of lump sum payments in lieu of vocational rehabilitation services; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law: (1) requires a vocational rehabilitation counselor to develop a plan for a program of vocational rehabilitation, including job placement assistance, for each injured employee who is eligible for vocational rehabilitation services; (2) sets forth a maximum allowable duration of 6 months for the program and job placement assistance; and (3) prohibits the appeal of the determination of an insurer to authorize or deny a third program of vocational rehabilitation. (NRS 616C.555)

Section 1 of this bill: (1) increases from 6 months to 24 months the maximum allowable length of job placement assistance for an injured employee who is physically capable of returning to work or who has existing marketable skills; (2) requires a planned length of 24 months for a program of vocational rehabilitation for an injured employee upon whose ability to work the treating physician or chiropractor has imposed permanent restrictions; and (3) eliminates the prohibition on the appeal of the determination of an insurer to authorize or deny a third program of vocational rehabilitation.

Existing law: (1) sets forth the circumstances under which a program for vocational rehabilitation may be extended; (2) limits the total length of such a program, based on the percentage of permanent physical impairment of the injured employee; and (3) prohibits the appeal of the determination of an insurer to grant or deny an extension of a program. (NRS 616C.560) **Section 2** of this bill: (1)

20 provides that a program for vocational rehabilitation may be extended by the
21 insurer or by order of a hearing officer or appeals officer; (2) eliminates the limits
22 on the total length of a program; and (3) eliminates the prohibition on the appeal of
23 the determination of an insurer to grant or deny an extension of a program.

24 Existing law requires any payment of compensation in a lump sum in lieu of
25 the provision of vocational rehabilitation services to be not less than 40 percent of
26 the maximum rehabilitation maintenance due to the injured employee. (NRS
27 616C.595) **Section 3** of this bill increases that amount to 80 percent of the
28 maximum rehabilitation maintenance.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** NRS 616C.555 is hereby amended to read as
2 follows:

3 616C.555 1. A vocational rehabilitation counselor shall
4 develop a plan for a program of vocational rehabilitation for each
5 injured employee who is eligible for vocational rehabilitation
6 services pursuant to NRS 616C.590. The counselor shall work with
7 the insurer and the injured employee to develop a program that is
8 compatible with the injured employee's age, sex and physical
9 condition.

10 2. If the counselor determines in a written assessment
11 requested pursuant to NRS 616C.550 that the injured employee has
12 existing marketable skills, the plan must consist of job placement
13 assistance only. When practicable, the goal of job placement
14 assistance must be to aid the employee in finding a position which
15 pays a gross wage that is equal to or greater than 80 percent of the
16 gross wage that the employee was earning at the time of his or her
17 injury. An injured employee must not receive job placement
18 assistance for more than ~~{6}~~ 24 months after the date on which the
19 injured employee was notified that he or she is eligible only for job
20 placement assistance because:

21 (a) The injured employee was physically (a) capable of returning to
22 work; or

23 (b) It was determined that the injured employee had existing
24 marketable skills.

25 3. If the counselor determines in a written assessment
26 requested pursuant to NRS 616C.550 that the injured employee does
27 not have existing marketable skills, the plan must consist of a
28 program which trains or educates the injured employee and provides
29 job placement assistance. Except as otherwise provided in NRS
30 616C.560, *the plan must provide for the length of* such a program

17 regular business operations and from which the employee will gain
18 skills that would generally be transferable to a job with another
19 employer.

20 6. A program of vocational rehabilitation must not commence
21 before the treating physician or chiropractor, or an examining
22 physician or chiropractor determines that the injured employee is
23 capable of safely participating in the program.

24 7. If, based upon the opinion of a treating or an examining
25 physician or chiropractor, the counselor determines that an injured
26 employee is not eligible for vocational rehabilitation services, the
27 counselor shall provide a copy of the opinion to the injured
28 employee, the injured employee's employer and the insurer.

29 8. A plan for a program of vocational rehabilitation must be
30 signed by a certified vocational rehabilitation counselor.

31 9. If an initial program of vocational rehabilitation pursuant to
32 this section is unsuccessful, an injured employee may submit a
33 written request for the development of a second program of
34 vocational rehabilitation which relates to the same injury. An insurer
35 shall authorize a second program for an injured employee upon
36 good cause shown.

37 10. If a second program of vocational rehabilitation pursuant to
38 subsection 9 is unsuccessful, an injured employee may submit a
39 written request for the development of a third program of vocational
40 rehabilitation which relates to the same injury. The insurer, with the
41 approval of the employer who was the injured employee's employer
42 at the time of his or her injury, may authorize a third program for the
43 injured employee. If such an employer has terminated operations,
44 the employer's approval is not required for authorization of a third

9 not be waived.

10 (4) That acceptance by the injured employee of payment of

12 rehabilitation services extinguishes the right of the injured employee
13 to receive such services.

14 4. Except as otherwise provided in NRS 616C.580, any
15 payment of compensation in a lump sum in lieu of the provision of
16 vocational rehabilitation services must not be less than ~~40~~ 80
