

Assembly Bill No. 136–Assemblywomen
Bilbray-Axelrod and Cohen

CHAPTER.....

AN ACT relating to intercollegiate athletics; adopting changes promulgated by the Uniform Law Commission to the Revised Uniform Athlete Agents Act (2015) relating to prohibited acts by athlete agents; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

The Revised Uniform Athlete Agents Act (2015), promulgated by the Uniform Law Commission, was enacted by the Nevada Legislature in 2017, replacing the Uniform Athlete Agents Act. (Chapter 398A of NRS; Assembly Bill No. 372, chapter 314, Statutes of Nevada 2017, at page 1708) Among other prohibited acts set forth in existing law, the Act currently provides that an athlete agent, with the intent to influence a student athlete or, if the athlete is a minor, a parent or guardian of the athlete to enter into an agency contract, may not take any of the following actions or encourage any other individual to take or assist any other individual in taking any of the following actions on behalf of the agent: (1) furnish anything of value to the athlete before the athlete enters into the contract; or (2) furnish anything of value to an individual other than the athlete or another registered athlete agent. (NRS 398A.400)

In 2019, the Uniform Law Commission approved amendments to the Revised Uniform Athlete Agents Act relating to prohibited acts of an athlete agent. This bill incorporates those amendments relating to prohibited acts into the Revised Uniform Athlete Agents Act and provides that an athlete agent may not furnish anything of value to a student athlete or another individual which may result in loss of eligibility of the athlete to participate in the athlete’s sport unless: (1) the agent notifies the athletic director of the educational institution at which the athlete is enrolled or intends to enroll, not later than 72 hours after giving the thing of value; and (2) the athlete or, if the athlete is a minor, a parent or guardian acknowledges in a record that receipt of the thing of value may result in the loss of the athlete’s eligibility to participate in the athlete’s sport.
