EXPLANATION – Matter in *bolded italics* is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to cannabis; requiring the Cannabis Compliance Board to create an electronic database containing certain information relating to the testing of cannabis and cannabis products by a cannabis independent testing laboratory; setting forth certain requirements for the database; requiring the Board to adopt certain regulations concerning the administration of the database; requiring the Board to submit to the Legislature a biennial report containing certain information relating to the database; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law requires the Cannabis Compliance Board to establish standards for
2 and certify one or more cannabis independent testing laboratories to test cannabis
3 and cannabis products that are to be sold in this State. (NRS 678B.290) This bill
4 requires the Board to develop, implement and maintain an electronic database
5 whereby the public may obtain information relating to testing conducted on
6 cannabis and cannabis products by cannabis independent testing laboratories that
7 has been collected through computer software used for the seed-to-sale tracking of
8 cannabis and cannabis products. This bill requires the database to contain the final
9 results of all testing performed on cannabis or a cannabis product by a cannabis
10 independent testing laboratory which have been collected through computer
11 software used for the seed-to-sale tracking of cannabis and cannabis products. This
12 bill also requires the database to be electronically secure and accessible to the
13 public and to present the information contained in the database in a format that is
14 exportable. This bill further requires the Board to adopt certain regulations

15 concerning the administration of the database. Finally, this bill requires the Board
16 to submit to the Legislature a biennial report which includes certain information
17 relating to the database.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** (Deleted by amendment.)

2 **Sec. 2.** (Deleted by amendment.)

3 **Sec. 3.** Chapter 678B of NRS is hereby amended by adding
4 thereto a new section to read as follows:

5 *1. The Board shall develop, implement and maintain an*
6 *electronic database whereby the public may obtain information*
7 *relating to testing conducted on cannabis and cannabis products*
8 *by cannabis independent testing laboratories which has been*
9 *collected through computer software used for the seed-to-sale*
10 *tracking of cannabis and cannabis products. Such a database*
11 *must:*

12 *(a) Contain the final results of all testing performed on*
13 *cannabis or a cannabis product by a cannabis independent testing*
