

Assembly Bill No. 156—Assemblymen Titus, Roberts, Ellison;
McArthur, Thomas, Tolles and Wheeler

CHAPTER.....

AN ACT relating to the Nevada National Guard; authorizing the Board of Regents of the University of Nevada to waive certain fees for a spouse or child of a member of the active Nevada National Guard who has reenlisted under certain circumstances; requiring the Adjutant General to perform certain duties relating to waivers granted, assigned or reassigned to members and eligible persons; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes the Board of Regents of the University of Nevada to waive registration fees and laboratory fees for active members of the Nevada National Guard who attend a school within the Nevada System of Higher Education as a full-time or part-time student. (NRS 396.544) This bill authorizes a member of the active Nevada National Guard who has reenlisted to: (1) assign the waiver to his or her spouse or child in lieu of using the waiver himself or herself during that period of reenlistment; and (2) reassign a waiver if the spouse or child to whom the waiver was assigned does not use the waiver to attend a school within the System as a full-time or part-time student. This bill authorizes a member of the active Nevada National Guard to assign or reassign a waiver upon reenlistment, regardless of whether the member used a waiver to attend a school within the System before he or she reenlisted. This bill also provides that a waiver that has been assigned or reassigned may only be used: (1) by one eligible person for each period of reenlistment of a member; and (2) for credits applicable toward the course work required for the award of an associate’s degree, baccalaureate degree or certificate.

Existing law requires a member to whom a waiver is granted to maintain a certain grade point average. (NRS 396.544) This bill imposes the same requirement on a person to whom a waiver is assigned or reassigned.

Existing law requires the Adjutant General, who is the Commander of the Nevada National Guard and the Director of the Office of the Military, to verify the membership of a person who is seeking or has been granted a waiver upon request of the Board of Regents. (NRS 412.048, 396.544) This bill requires the Adjutant General to: (1) maintain a record of any waiver that has been granted, assigned or reassigned and the person to whom the waiver was assigned or reassigned; and (2) before the beginning of each semester, certify in writing to the Board of Regents that a waiver has been properly assigned or reassigned to the person seeking to use the waiver to attend a school within the System.
