EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to service animals; making certain provisions relating to service animals and service animals in training applicable only when the animal is a dog or a miniature horse; revising provisions governing the use of a service animal by a person with a disability; allowing an employer to determine whether it is reasonable to allow an employee to keep a service animal that is a miniature horse at the place of employment; allowing a place of public accommodation or common carrier to determine whether it is reasonable to admit a service animal or service animal in training that is a miniature horse; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law defines: (1) “service animal” as an animal that has been trained to
2 assist or accommodate a person with a disability; and (2) “service animal in
3 training” as an animal that is being trained to assist or accommodate a person with a
4 disability. (NRS 426.097, 426.099) Federal regulations: (1) define “service animal”
5 as a dog that is individually trained to do work or perform tasks for the benefit of a
6 person with a disability; and (2) require a place of public accommodation to make
7 reasonable modifications to allow the use of a miniature horse that is individually
8 trained to do work or perform tasks for the benefit of a person with a disability. (28
9 C.F.R. §§ 35.104, 35.136, 36.104, 36.302) **Sections 1 and 2** of this bill revise the
10 definition of the terms “service animal” and “service animal in training” to include
11 only dogs and miniature horses trained or being trained to do work or perform tasks

* A B 1 5 7 R 1 *

12 for the benefit of a person with a disability. Because those terms are incorporated in
13 other provisions of existing law, only dogs and miniature horses will be considered
14 service animals for the purposes of provisions of existing law that: (1) require
15 certain emergency management plans and plans for emergency operations to
16 address the needs of persons with service animals; (2) authorize only a blind, deaf
17 or physically disabled person to use a service animal; (3) require persons to take
18 precautions to avoid accident or injury to a person using a service animal; (4)
19 prohibit interfering with, beating or killing a service animal; (5) prohibit
20 fraudulently misrepresenting an animal as a service animal; (6) require sterilization
21 of certain pets that are not service animals; (7) require an employer to allow an
22 employee to keep a service animal with him or her; and (8) require a place of public
23 accommodation or a common carrier to admit a service animal or a service animal
24 in training. (NRS 414.095, 414.097, 426.510, 426.515, 426.695, 426.790, 426.805,
25 426.810, 484B.290, 574.600-574.660, 613.330, 651.075, 704.145, 706.366)

26 Existing federal regulations require a public entity or a place of public
27 accommodation to make accommodations to permit the use of a service animal by a
28 person with any disability. (28 C.F.R. §§ 35.136, 36.302) Existing law in Nevada:
29 (1) authorizes a person who is blind, deaf or has a physical disability to use a
30 service animal; and (2) provides that the failure of such a person to use a service
31 animal may be admissible as evidence of contributory negligence in certain
32 personal injury actions. (NRS 426.510, 426.515) **Sections 2.3 and 2.7** of this bill
33 revise those provisions of existing law to include a person with any type of
34 disability.

35 **Sections 3-6** of this bill provide that an employer is not required to allow an
36 employee to keep a service animal that is a miniature horse with him or her, and a
37 place of public accommodation or common carrier is not required to admit a service
38 animal or service animal in training that is a miniature horse, if it would be
39 unreasonable to comply, using criteria for determining reasonableness set forth in
40 federal regulations.
