

CHAPTER.....

AN ACT relating to motor vehicles; establishing requirements for the permitting of a motor vehicle that is operated on the highways of this State for a business purpose within this State; requiring that such a motor vehicle complies with certain provisions; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, certain nonresident owners of motor vehicles that are used in this State for a gainful purpose must register such motor vehicles in this State. (NRS 482.385) **Section 1** of this bill requires a nonresident who is not a natural person, owns a vehicle of a type subject to registration in this State and allows that vehicle to be operated in this State for business purposes within this State to obtain a nonresident business permit for the motor vehicle within 10 days after the commencement of such operation of the vehicle. Such a permit would require the payment of a fee, is nontransferable and is valid for 1 year. **Section 1** also requires such a motor vehicle to comply with the registration, insurance and emissions testing requirements, if any, of the out-of-state location where the nonresident is a resident. If the location where the nonresident is a resident does not require emissions testing, **section 1** requires such a motor vehicle to undergo emissions testing as if it were the vehicle of a Nevada resident. The provisions of **section 1** do not apply to certain motor carriers or apportioned vehicles or vehicles that are leased or rented to lessees by short-term lessors.
