**Legislative Counsel’s Digest:**

1 Existing law provides that if a person is lawfully arrested and detained, other  
2 than for a violation of certain acts which constitute engaging in cruelty to animals,  
3 and the county, city or local government impounds any animal owned or possessed  
4 by the person, the county, city or local government may under certain  
5 circumstances, within 10 days after the arrest: (1) allow another person who is able  
6 to provide adequate care and shelter to care temporarily for the animal; or (2) take

7 possession of the animal. Existing law requires the State to create and maintain a  
8 written notice which: (1) informs the person or the public that an animal owned or  
9 possessed by the person may have been impounded; (2) provides the current  
10 contact information of each animal shelter in each county, city or other local  
11 government responsible for impounding the animal; (3) is made available in certain  
12 languages; (4) is provided to each county or city jail or detention facility; and (5) is  
13 posted in a conspicuous place in each county or city jail or detention facility. (NRS  
14 171.1539) **Section 1** of this bill requires the State Department of Agriculture to  
15 create the written notice. **Section 1** requires each county or city jail or detention  
16 facility to: (1) post the written notice in a conspicuous place in the county or city  
17 jail or detention facility; and (2) maintain the written notice.

18 Existing law authorizes any board of county commissioners or governing body  
19 of a city to designate certain persons, including animal control officers, to prepare,  
20 sign and serve written citations on persons accused of violating a county or city  
21 ordinance. (NRS 171.17751) **Section 1.3** of this act authorizes an animal control  
22 officer employed or officially designated by a board of county commissioners or  
23 governing body of a city to prepare, sign and serve written citations on persons to  
24 enforce existing law that prohibits: (1) leaving a pet unattended in a parked or  
25 standing motor vehicle in certain situations; and (2) cruelty to animals. **Section 1.3**  
26 provides that such an animal control officer may include an employee of an animal  
27 shelter who is officially designated by a board of county commissioners or  
28 governing body of a city to enforce such existing laws.

29 If a person is lawfully arrested for instigating or attending fights between  
30 animals or for torturing, overdriving, injuring or abandoning an animal and an  
31 animal owned or possessed by the person is impounded by the county, city or other  
32 local government in connection with the arrest, existing law requires certain notices  
33 to be provided to the person, including notice of his or her right to request a hearing  
34 to determine whether the person is the owner of the animal and whether the person  
35 is able to provide adequate care and shelter to the animal. Existing law requires a  
36 person to request such a hearing within 5 days after receipt of the notice. If the  
37 person makes such a request, existing law requires the court to hold such a hearing  
38 within 15 judicial days after receiving notice of the request. (NRS 574.203) **Section**  
39 **3** of this bill requires that a notice of the right to request a hearing also be provided  
40 if the person is lawfully issued a citation for such violations and clarifies that the  
41 hearing occurs in a court of competent jurisdiction. **Section 2** of this bill similarly  
42 makes a conforming change to clarify that the hearing occurs in a court of  
43 competent jurisdiction. Furthermore, **section 3** provides that the hearing is to  
44 determine by clear and convincing evidence whether the person who is issued a  
45 citation or arrested for the violations: (1) is the owner of the impounded animal;  
46 and (2) is able and fit to provide adequate care and shelter to the animal. **Section 3**  
47 additionally provides that any evidence derived from testimony made during a  
48 hearing is inadmissible during certain subsequent proceedings, except for the  
49 purposes of impeachment or rebuttal. **Section 1.7** of this bill provides that a  
50 municipal court has jurisdiction over such hearings.

51 Existing law provides that, if a person who has received a notice of his or her  
52 right to request a hearing does not request a hearing or the owner of the impounded  
53 animal has not been identified within 5 days of the arrest, the county, city or other  
54 local government shall transfer ownership of the animal to an animal rescue  
55 organization, animal shelter or another person who is able to provide adequate care  
56 and shelter to the animal. (NRS 574.203) **Section 3** authorizes the animal rescue  
57 organization, animal shelter or person to whom the ownership of the animal is  
58 transferred to sell the animal at auction, humanely destroy the animal or continue to  
59 care for the animal, as the organization, shelter or person sees fit.
