

Assembly Bill No. 185—Assemblywoman Mosca

Joint Sponsor: Senator Buck

CHAPTER.....

AN ACT relating to education; revising provisions relating to the enrollment of pupils in charter schools; requiring school districts, charter schools and university schools for profoundly gifted pupils to take certain measures to accommodate a pupil who plans to transfer to the school district or school or leave the school district or school because of the documented pending military transfer of a parent or guardian; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a charter school to give preference in enrollment to certain children before enrolling children who are otherwise eligible for enrollment. (NRS 388A.456) **Section 1** of this bill authorizes a charter school to give the same preference to a child who has a parent or legal guardian who is a member of the military.

The Interstate Compact on Educational Opportunity for Military Children requires member states, including Nevada, to take certain measures to facilitate the enrollment and continued education of pupils who are children of military families and who transfer into this State. (NRS 388F.010) Existing law also requires the superintendent of a school district or his or her designee to make reasonable efforts to accommodate a pupil who transfers to a public school in the district due to the military transfer of the parent or legal guardian of the pupil. (NRS 388F.070) **Section 1.5** of this bill additionally requires the governing body of a charter school or university school for profoundly gifted pupils to make such reasonable efforts. **Section 1.5** requires those reasonable efforts to include authorizing such a pupil to enroll in the school and participate in any application or lottery process necessary to be eligible for such enrollment: (1) at the same time as pupils who reside in the school district or near the charter school or university school, as applicable; and (2) in the same manner as pupils who reside in the school district or near the charter school or university school, as applicable, or remotely using electronic means, regardless of whether such means are generally authorized for other pupils. **Section 1.5** authorizes such a pupil to: (1) use the address of a military installation to which a parent or legal guardian of the pupil has a documented pending military transfer as the address of the pupil for all purposes relating to enrollment until the pupil notifies the public school of the actual address at which the pupil will reside in the appropriate attendance area; and (2) specify an additional address solely for the purpose of receiving correspondence. **Section 1.5** also requires the superintendent of a school district or the superintendent's designee or the governing body of a charter school or university school for profoundly gifted pupils to make reasonable efforts to accommodate a pupil who plans to leave the school during the school year because of the documented pending military transfer of the parent or legal guardian of the pupil. **Section 1.5** requires those efforts to include: (1) authorizing and assisting the pupil to complete the requirements for the current school year through a program of distance education, if such a program is available; and (2) cooperating with any school or school district to which the pupil plans to transfer.

Section 1.5 requires a pupil who enrolls in a public school, charter school or university school for profoundly gifted pupils for all or part of a school year pursuant to the provisions of this bill to provide proof of residency before the beginning of the next school year if the pupil plans to enroll in the school for the next school year.

(c) Is a child of a person:

(2) Who is a member of the committee to form the charter school;

(3) Who is a member of the governing body of the charter school; or

(4) Who resides on or is employed on the federal military installation, if the charter school is located on a federal military installation;

(d) Is enrolled at a charter school with which the charter school has an articulation agreement, approved by the sponsor, providing for priority enrollment.

(f) At the time his or her application is submitted, is enrolled in a public school of a school district with an enrollment that is more than 25 percent over the public school's intended capacity, as reported on the list maintained by the school district pursuant to subsection 4. If a charter school enrolls pupils who are enrolled in such a public school before enrolling other pupils who are eligible for enrollment, the charter school must enroll such pupils who reside

within 2 miles of the charter school before enrolling other such pupils.

(g) At the time his or her application is submitted, is enrolled in a public school that received an annual rating established as one of the two lowest ratings possible indicating underperformance of a public school, as determined by the Department pursuant to the statewide system of accountability for public schools for the most recent school year for which the public school received an annual rating. If a charter school enrolls pupils who are enrolled in such a public school before enrolling other pupils who are eligible for enrollment, the charter school must enroll such pupils who reside within 2 miles of the charter school before enrolling other such pupils.

If space is available after the charter school enrolls pupils pursuant to this paragraph, the charter school may enroll children who reside outside the school district but within 2 miles of the charter school if the charter school is located within an area that the sponsor determines includes a high percentage of children who are at risk.

(i) Has a parent or legal guardian who is a member of the military.

2. If more pupils described in this section who are eligible apply for enrollment than the number of spaces available, the charter school shall determine which applicants to enroll pursuant to this section on the basis of a lottery system.

3. A lottery held pursuant to subsection 2 must be held not sooner than 45 days after the date on which a charter school begins accepting applications for enrollment unless the sponsor of the charter school determines there is good cause to hold it sooner.

4. Each school district shall create and maintain a list which specifies for each public school of the school district, the maximum enrollment capacity for each school, the actual number of pupils enrolled at each school and the percentage by which enrollment at each school exceeds the intended enrollment capacity, if applicable. Each school district shall post the list on the Internet website maintained by the school district as soon as practicable after the count of pupils is completed pursuant to NRS 387.1223 but not later than November 1 of each year.
