EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to public works; revising provisions relating to preferences in bidding for contracts for certain public works projects; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law requires that a contractor, applicant to serve as a construction
2 manager at risk or design-build team that wishes to receive a preference in bidding
3 for a contract for a public work submit an affidavit to the public body sponsoring or
4 financing the public work certifying that: (1) at least 50 percent of all workers
5 employed on the public work will hold a valid Nevada driver’s license or
6 identification card; (2) all vehicles used primarily for the public work will be either
7 registered in this State or partially apportioned to this State; (3) at least 50 percent
8 of all design professionals working on the public work will hold a valid Nevada
9 driver’s license or identification card; (4) at least 25 percent of the suppliers of the
10 materials used for the public work will be located in this State unless the public
11 body requires the acquisition of materials or equipment that cannot be obtained
12 from a supplier located in this State; and (5) certain records will be maintained and
13 made available for inspection within this State. (NRS 338.0117) **Section 1** of this
14 bill revises the requirements for such a preference in bidding by: (1) limiting the
15 requirement for design professionals to design-build teams; and (2) eliminating the
16 requirement that a percentage of suppliers of the materials used for the public work
17 be located in this State. **Section 1** clarifies that the driver’s licenses and
18 identification cards used to satisfy the statutory requirements must be issued by the
19 Department of Motor Vehicles of the State of Nevada. **Section 1** requires a
20 contractor to meet those requirements only if the contractor was awarded the
21 contract for a public work as a result of the preference in bidding. **Section 1**
22 restricts who can file a written objection alleging a violation of those requirements
23 to only persons who submitted a bid on the public work.

24 Existing law prohibits a contractor from being qualified to bid on certain state
25 and local public works if the contractor has failed to comply with certain
26 requirements within the preceding year for a contract for a public work that cost
27 more than \$25,000,000 and prohibits a contractor who has failed to comply with
28 certain requirements for a contract for a public work which exceeds \$5,000,000
29 from receiving a preference in bidding for public works for 5 years. (NRS
30 338.1379, 338.1382, 338.1389, 338.1415, 338.147, 408.333) **Sections 4-8** of this
31 bill instead condition those prohibitions on a material breach of a contract for a
32 public work which exceeds \$25,000,000 or \$5,000,000, as applicable.

33 **Section 9** of this bill provides that the revised requirements for a preference in
34 bidding on a contract for a public work apply to any public work that is first
35 advertised for bid after July 1, 2013. **Section 9** also declares that any contract for
36 such a public work that fails to comply with this bill is void.

3 proof or substantiating evidence, the public body shall dismiss the
4 objection and the public body or its authorized representative may
5 proceed immediately to award the contract. If the public body
6 determines that the objection is accompanied by the required proof
