AN ACT relating to crimes; establishing a procedure when certain offenses are decriminalized to ensure certain actions are taken with respect to any person previously convicted of the offense; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 **Section 1** of this bill provides that when an offense is decriminalized, as soon
2 as practicable, the Central Repository for Nevada Records of Criminal History is
3 required to: (1) identify persons convicted of the offense before the offense was
4 decriminalized; (2) notify such persons in writing; (3) destroy any physical or
5 electronic record of criminal history in its possession relating to the conviction; and
6 (4) notify any agency of criminal justice that has custody of any physical or
7 electronic record of criminal history relating to the conviction. **Section 1** also
8 requires an agency of criminal justice that receives such a notice from the Central
9 Repository, as soon as practicable after receiving such a notice, to destroy any
10 physical or electronic record of criminal history in its possession relating to the
11 conviction. Additionally, **section 1** provides that the conviction and all proceedings
12 recounted in the record of criminal history are deemed never to have occurred, and
13 the person convicted of the offense may properly answer accordingly to any inquiry
14 concerning the conviction and the events and proceedings relating to the
15 conviction. Finally, **section 1** provides that the person convicted of the offense is
16 immediately restored to all civil rights if the person’s civil rights previously have
17 not been restored and the person has not been convicted of another offense for

18 which the person's civil rights are not yet eligible for restoration. **Section 1** does
19 not apply to a traffic offense. **Section 2** of this bill makes a conforming change.
20 **Section 3** of this bill provides that the requirements of this bill apply to
21 offenses that were decriminalized before, on and after July 1, 2019.
