AN ACT relating to offenders; requiring the Department of Motor Vehicles to waive the fee for the administration of the examination required for the issuance of a noncommercial driver’s license for certain persons released from prison; requiring the Department to waive any fee that would otherwise be imposed against a person for the late renewal of a driver’s license if the late renewal resulted from the person being incarcerated; requiring the Department to reinstate free of charge a driver’s license or to provide an original or renewal driver’s license or an original or renewal identification card to certain persons released from prison in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law provides for the waiver of: (1) certain fees for furnishing a
2 duplicate driver’s license or a duplicate identification card to a person who was
3 released from prison, a county, city or town jail or a detention facility within the 90
4 days immediately preceding the person’s application for the driver’s license or
5 identification card; and (2) the cost of producing a photograph for a driver’s license
6 or an identification card. The person must reimburse the Department of Motor
7 Vehicles for certain portions of the fee if the vendor who produces the photograph
8 of the person for the license or identification card does not waive the cost it charges
9 the Department to produce the photograph. (NRS 483.417, 483.825) **Section 3** of
10 this bill requires the Department to waive the fees for: (1) furnishing an original or
11 renewal driver’s license; (2) reinstating a driver’s license; and (3) producing a
12 photograph for a driver’s license, including any reimbursement, if a person submits
13 documentation verifying the person was released from prison within the year

14 immediately preceding the person's application for a driver's license. **Section 3.5**
15 of this bill requires the Department to waive the fees for: (1) furnishing an original
16 identification card or for renewing an identification card; and (2) producing a
17 photograph for an identification card, including any reimbursement, if a person
18 submits documentation verifying the person was released from prison within the
19 year immediately preceding the person's application for an identification card.

20 Existing law authorizes the Department to require applicants for a driver's
21 license to submit to an examination. (NRS 483.330) The fee for administration of
22 the examination for a noncommercial driver's license is \$25. (NRS 483.410)
23 **Section 1** of this bill requires the Department to waive the fee for the examination
24 not more than one time for a person who submits documentation verifying the
25 person was released from prison within the immediately preceding year.

26 Under existing law, if the holder of a Nevada driver's license allows the license
27 to expire for a period of 30 days or more, the person is required to pay a penalty of
28 \$10 when renewing the license. (NRS 483.386, 483.410) Existing law provides an
29 exception to this penalty to a person whose license expires during a period of
30 suspension, but only if the person completes a renewal application within 30 days
31 after the date of eligibility for renewal. (NRS 483.386) **Section 2** of this bill
32 provides an additional exception to the penalty for any person whose license
33 expires during a period of incarceration, if the person submits documentation
34 verifying the person was released from prison within the immediately preceding
35 year and the person completes a renewal application within 1 year after his or her
36 release.
