16 impose these same notification requirements on public and private schools.  
17 **Sections 1, 3 and 4** further provide that any notice of an immunization exemption

19 exempt from the immunization requirement. **Section 5** of this bill requires that, on  
20 or before October 1, 2017, each public school, private school, accommodation  
21 facility or child care facility in this State provide notice to a parent or guardian of
