AN ACT relating to food establishments; allowing farms to hold farm-to-fork events in certain circumstances without being considered a food establishment for purposes of inspections by the health authority and other regulations; requiring such farms to register with the health authority; providing a similar exemption from requirements applicable to a food establishment for certain farms which manufacture or prepare certain food items for sale or which offer or display such food items under certain circumstances; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 Existing law requires a person to obtain a permit to operate a food  
2 establishment and to comply with various other requirements in the operation of the  
3 food establishment. (NRS 446.870) Existing law defines the term “food  
4 establishment” for those purposes and specifically excludes certain entities from the  
5 definition, including private homes where the food that is prepared or manufactured  
6 in the home is not provided for compensation or other consideration of any kind.  
7 (NRS 446.020)

8       **Section 5** of this bill adds to the list of entities that are excluded from the  
9 definition of “food establishment” a farm holding a farm-to-fork event. **Section 2** of  
10 this bill defines the term “farm-to-fork event” as an event where prepared food  
11 from a farm is provided for immediate consumption by paying guests at the farm.

12   **Section 3** of this bill authorizes a farm to hold a farm-to-fork event provided that:  
13   (1) any rabbit meat or poultry served is raised and prepared on the farm, and is  
14   butchered and processed on the farm pursuant to certain permit and inspection  
15   requirements of NRS; (2) other food items served are prepared from ingredients  
16   substantially produced on the farm; and (3) each guest is provided with and  
17   acknowledges receipt of a notice which states that no inspection was conducted by  
18   a state or local health department of the farm or the food to be consumed, except as  
19   to the butchering and processing of the meat or poultry. **Section 3.5** requires a farm  
20   that wishes to hold farm-to-fork events to register with the health authority by  
21   providing certain information and paying a fee. The health authority is prohibited  
22   from inspecting the farm, except in certain circumstances. **Section 5** also adds to  
23   the list of entities that are excluded from the definition of "food establishment" a  
24   farm that manufactures or prepares certain food items for sale or which offers or  
25   displays for sale or serves those food items under certain circumstances. **Section 4**  
26   of this bill specifies which food items qualify a farm for that exemption.
