AN ACT relating to education; requiring that a performance framework for a charter school be incorporated into the charter contract; revising provisions governing applications for authorization to sponsor charter schools by the board of trustees of a school district or a college or university within the Nevada System of Higher Education; revising the procedure for reviewing an application to form a charter school; setting forth requirements for the execution and renewal of charter contracts; setting forth the grounds for termination of a charter contract; revising provisions relating to the enrollment of pupils in charter schools; requiring the Department of Education to adopt regulations for the comprehensive review of sponsors of charter schools approved by the Department and for the revocation of the authorization to sponsor charter schools; making various other changes relating to charter schools; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

- 1 Existing law authorizes the formation and operation of charter schools. (NRS
- 2 386.490-386.610) **Section 3** of this bill requires that a written performance
- 3 framework for a charter school be incorporated into the charter contract executed
- 4 by the sponsor and the governing body of the charter school pursuant to **section 8**
- 5 of this bill. The performance framework must include performance indicators,

\* A B 2 0 5 R 1 \*

6 measures and metrics for: (1) the academic achievement and proficiency of pupils  
7 enrolled in the charter school and disparities in achievement among those pupils;  
8 (2) the attendance rate of pupils enrolled in the charter school and the percentage of  
9 pupils who reenroll from year-to-year; (3) the financial condition and sustainability  
10 of the charter school; (4) the performance of the governing body of the charter  
11 school; and (5) if the charter school enrolls pupils at the high school grade level, the  
12 rate of graduation of those pupils.

13 Existing law prescribes the circumstances under which the sponsor of a charter  
14 school is authorized to revoke the charter of a charter school. (NRS 386.535)  
15 **Section 3.5** of this bill requires the sponsor of a charter school to terminate the  
16 charter contract of the charter school if the charter school receives three  
17 consecutive annual ratings established as the lowest rating possible indicating  
18 underperformance of a public school, as determined by the Department of  
19 Education pursuant to the statewide system of accountability for public schools.  
20 The procedures in existing law setting forth notice and timelines for the termination  
21 of a charter contract do not apply to termination on these grounds. **Section 3.5** also  
22 provides that a rating of a charter school before July 1, 2013, pursuant to the  
23 statewide system of accountability, must not be included in the count of  
24 consecutive annual ratings for the purposes of determining whether termination is  
25 required.

26 Existing law authorizes the board of trustees of a school district or a college or  
27 university within the Nevada System of Higher Education to sponsor charter  
28 schools. (NRS 386.515) **Section 5** of this bill clarifies that, similar to the board of  
29 trustees of a school district, a college or university is required to submit an  
30 application to the Department to sponsor charter schools. Under existing law, the  
31 Department is also required to adopt regulations prescribing the process for  
32 submission of an application by the board of trustees of a school district for  
33 authorization to sponsor charter schools. (NRS 386.540) **Section 12** of this bill  
34 makes a college or university within the Nevada System of Higher Education  
35 subject to those regulations and requires the Department to adopt additional  
36 regulations prescribing: (1) the process and timeline for the review of an  
37 application for authorization to sponsor charter schools; (2) the process for the  
38 Department to conduct a comprehensive review of sponsors of charter schools  
39 approved by the Department at least once every 3 years; and (3) the process for the  
40 Department to continue or revoke the authorization of a board of trustees or a  
41 college or university to sponsor charter schools.

42 Existing law sets forth the process for review of an application to form a charter  
43 school by the proposed sponsor of the charter school. (NRS 386.525) **Section 7** of  
44 this bill requires the proposed sponsor to assemble a team of reviewers and to  
45 conduct a thorough evaluation of the application, including an in-person interview  
46 with the committee to form the charter school. Existing law further provides that a  
47 proposed sponsor may approve an application to form a charter school if the  
48 application is complete and complies with the applicable statutes and regulations.  
49 **Section 7** also requires that to approve an application, the proposed sponsor must  
50 determine that the applicant has demonstrated competence which will likely result  
51 in a successful opening and operation of the charter school.

52 Under existing law, if an application to form a charter school is approved by the  
53 proposed sponsor of the charter school, the charter school is issued a written charter  
54 for a term of 6 years. (NRS 386.527) **Section 8** removes the requirement for the  
55 issuance of a written charter and instead requires the proposed sponsor of the  
56 charter school and the governing body of the charter school to execute a charter  
57 contract for a term of 6 years.

58 Existing law sets forth the procedures for renewal and revocation of written  
59 charters. (NRS 386.530, 386.535) **Section 9** of this bill removes the written charter  
60 and instead prescribes the procedure for renewal of a charter contract, which

\* A B 2 0 5 R 1 \*

61 includes a requirement that the sponsor provide the charter school with a written  
62 report summarizing the charter school's performance during the term of the charter  
63 contract. **Section 10** of this bill prescribes the grounds for termination of a charter  
64 contract, which includes the ground that the charter school has persistently  
65 underperformed, as measured by the performance framework developed for the  
66 charter school.

67 Existing law provides that a charter school dedicated to providing educational  
68 programs and opportunities to pupils who are at risk may enroll a child who is the  
69 child of a full-time employee of the charter school before enrolling pupils who are  
70 otherwise eligible for enrollment. **Section 17** of this bill removes the provision that  
71 such a charter school must serve at-risk pupils and instead authorizes any charter  
72 school to, before enrolling children who are otherwise eligible for enrollment,  
73 enroll a child if the child is the child of: (1) an employee of the charter school; (2) a  
74 member of the committee to form the charter school; or (3) a member of the  
75 governing body of the charter school.

76 **Section 19** of this bill revises requirements for the annual report that the  
77 sponsor of a charter school is required to provide to the Department of Education  
78 by including a summary evaluating the performance of the charter school, as  
79 measured by the performance framework, and by removing the requirement that the  
80 sponsor of the charter school include a description of the administrative support and  
81 services provided by the sponsor. (NRS 386.610)

30 **Sec. 17.** NRS 386.580 is hereby amended to read as follows:

31 386.580 1. An application for enrollment in a charter school  
32 may be submitted to the governing body of the charter school by the  
33 parent or legal guardian of any child who resides in this State.  
34 Except as otherwise provided in this subsection and subsection 2, a  
35 charter school shall enroll pupils who are eligible for enrollment in  
36 the order in which the applications are received. If the board of  
37 trustees of the school district in which the charter school is located  
38 has established zones of attendance pursuant to NRS 388.040, the  
39 charter school shall, if practicable, ensure that the racial composition  
40 of pupils enrolled in the charter school does not differ by more than  
41 10 percent from the racial composition of pupils who attend public  
42 schools in the zone in which the charter school is located. If a  
43 charter school is sponsored by the board of trustees of a school  
44 district located in a county whose population is 100,000 or more,  
45 except for a program of distance education provided by the charter

1 school, the charter school shall enroll pupils who are eligible for  
2 enrollment who reside in the school district in which the charter  
3 school is located before enrolling pupils who reside outside the  
4 school district. Except as otherwise provided in subsection 2, if  
5 more pupils who are eligible for enrollment apply for enrollment in  
6 the charter school than the number of spaces which are available,  
7 the charter school shall determine which applicants to enroll  
8 pursuant to this subsection on the basis of a lottery system.

9 2. Before a charter school enrolls pupils who are eligible for  
10 enrollment, a charter school ~~{that is dedicated to providing~~  
11 ~~educational programs and opportunities to pupils who are at risk}~~  
12 may enroll a child who:

14 school;

15 (b) Was enrolled, *free of charge and* on the basis of a lottery  
16 system, in a prekindergarten program at the charter school or any  
17 other early childhood educational program affiliated with the charter

26 meets the eligibility for enrollment prescribed by the charter school  
27 for that particular category; or

28 (e) Resides within the school district and within 2 miles of the  
29 charter school if the charter school is located in an area that the  
30 sponsor of the charter school determines includes a high percentage  
31 of children who are at risk. If space is available after the charter  
32 school enrolls pupils pursuant to this paragraph, the charter school  
33 may enroll children who reside outside the school district but within  
34 2 miles of the charter school if the charter school is located within  
35 an area that the sponsor determines includes a high percentage of  
36 children who are at risk.

37 ➔ If more pupils described in this subsection who are eligible apply  
38 for enrollment than the number of spaces available, the charter  
39 school shall determine which applicants to enroll pursuant to this  
40 subsection on the basis of a lottery system.

41 3. Except as otherwise provided in subsection 8, a charter  
42 school shall not accept applications for enrollment in the charter  
43 school or otherwise discriminate based on the:

44 (a) Race;

45 (b) Gender;

- 1 (c) Religion;
- 2 (d) Ethnicity; or
- 3 (e) Disability,
- 4 ↪ of a pupil.

5 4. If the governing body of a charter school determines that the  
6 charter school is unable to provide an appropriate special education  
7 program and related services for a particular disability of a pupil  
8 who is enrolled in the charter school, the governing body may  
9 request that the board of trustees of the school district of the county  
10 in which the pupil resides transfer that pupil to an appropriate  
11 school.

12 5. Except as otherwise provided in this subsection, upon the  
13 request of a parent or legal guardian of a child who is enrolled in a  
14 public school of a school district or a private school, or a parent or  
15 legal guardian of a homeschooled child, the governing body of the  
16 charter school shall authorize the child to participate in a class that  
17 is not otherwise available to the child at his or her school or  
18 homeschool or participate in an extracurricular activity at the charter  
19 school if:

20 (a) Space for the child in the class or extracurricular activity is  
21 available;

22 (b) The parent or legal guardian demonstrates to the satisfaction  
23 of the governing body that the child is qualified to participate in the  
24 class or extracurricular activity; and

25 (c) The child is a homeschooled child and a notice of intent of a  
26 homeschooled child to participate in programs and activities is filed  
27 for the child with the school district in which the child resides for  
28 the current school year pursuant to NRS 392.705.

29 ↪ If the governing body of a charter school authorizes a child to  
30 participate in a class or extracurricular activity pursuant to this  
31 subsection, the governing body is not required to provide  
32 transportation for the child to attend the class or activity. A charter  
33 school shall not authorize such a child to participate in a class or  
34 activity through a program of distance education provided by the  
35 charter school pursuant to NRS 388.820 to 388.874, inclusive.

36 6. The governing body of a charter school may revoke its  
37 approval for a child to participate in a class or extracurricular  
38 activity at a charter school pursuant to subsection 5 if the governing  
39 body determines that the child has failed to comply with applicable  
40 statutes, or applicable rules and regulations. If the governing body  
41 so revokes its approval, neither the governing body nor the charter  
42 school is liable for any damages relating to the denial of services to  
43 the child.

44 7. The governing body of a charter school may, before  
45 authorizing a homeschooled child to participate in a class or

1 extracurricular activity pursuant to subsection 5, require proof of the  
2 identity of the child, including, without limitation, the birth  
3 certificate of the child or other documentation sufficient to establish  
4 the identity of the child.

5 8. This section does not preclude the formation of a charter  
6 school that is dedicated to provide educational services exclusively  
7 to pupils:

8 (a) With disabilities;

9 (b) Who pose such severe disciplinary problems that they  
10 warrant a specific educational program, including, without  
11 limitation, a charter school specifically designed to serve a single  
12 gender that emphasizes personal responsibility and rehabilitation; or  
13 (c) Who are at risk.

14 ↪ If more eligible pupils apply for enrollment in such a charter  
15 school than the number of spaces which are available, the charter  
16 school shall determine which applicants to enroll pursuant to this  
17 subsection on the basis of a lottery system.

18 **Sec. 18.** NRS 386.595 is hereby amended to read as follows:

19 386.595 1. All employees of a charter school shall be deemed  
20 public employees.

21 2. The governing body of a charter school may make all  
22 decisions concerning the terms and conditions of employment with  
23 the charter school and any other matter relating to employment with  
24 the charter school. In addition, the governing body may make all  
25 employment decisions with regard to its employees pursuant to NRS  
26 391.311 to 391.3197, inclusive, unless a collective bargaining  
27 agreement entered into by the governing body pursuant to chapter  
28 288 of NRS contains separate provisions relating to the discipline of  
29 licensed employees of a school.

30 3. Upon the request of the governing body of a charter school,  
31 the board of trustees of a school district shall, with the permission of  
32 the licensed employee who is seeking employment with the charter  
33 school, transmit to the governing body a copy of the employment  
34 record of the employee that is maintained by the school district. The  
35 employment record must include, without limitation, each  
36 evaluation of the licensed employee conducted by the school district  
37 and any disciplinary action taken by the school district against the  
38 licensed employee.

39 4. Except as otherwise provided in this subsection, if the  
40 ~~written~~ charter *contract* of a charter school is ~~revoked~~  
41 *terminated* or if a charter school ceases to operate as a charter  
42 school, the licensed employees of the charter school must be  
43 reassigned to employment within the school district in accordance  
44 with the applicable collective bargaining agreement. A school

1 district is not required to reassign a licensed employee of a charter  
2 school pursuant to this subsection if the employee:

3 (a) Was not granted a leave of absence by the school district to  
4 accept employment at the charter school pursuant to subsection 5;

5 (b) Was granted a leave of absence by the school district and did  
6 not submit a written request to return to employment with the school  
7 district in accordance with subsection 5; or

8 (c) Does not comply with or is otherwise not eligible to return to  
9 employment pursuant to subsection 6, including, without limitation,  
10 the refusal of the licensed employee to allow the school district to  
11 obtain the employment record of the employee that is maintained by  
12 the charter school.

13 5. The board of trustees of a school district shall grant a leave  
14 of absence, not to exceed 3 years, to any licensed employee who is  
15 employed by the board of trustees who requests such a leave of  
16 absence to accept employment with a charter school. After the first  
17 school year in which a licensed employee is on a leave of absence,  
18 the employee may return to a comparable teaching position with the  
19 board of trustees. After the third school year, a licensed employee  
20 shall either submit a written request to return to a comparable  
21 teaching position or resign from the position for which the  
22 employee's leave was granted. The board of trustees shall grant a  
23 written request to return to a comparable position pursuant to this  
24 subsection even if the return of the licensed employee requires the  
25 board of trustees to reduce the existing workforce of the school  
26 district. The board of trustees is not required to accept the return of  
27 the licensed employee if the employee does not comply with or is  
28 otherwise not eligible to return to employment pursuant to  
29 subsection 6, including, without limitation, the refusal of the  
30 licensed employee to allow the school district to obtain the  
31 employment record of the employee that is maintained by  
32 the charter school. The board of trustees may require that a request  
33 to return to a comparable teaching position submitted pursuant to  
34 this subsection be submitted at least 90 days before the employee  
35 would otherwise be required to report to duty.

36 6. Upon the request of the board of trustees of a school district,  
37 the governing body of a charter school shall, with the permission of  
38 the licensed employee who is granted a leave of absence from the  
39 school district pursuant to this section, transmit to the school district  
40 a copy of the employment record of the employee that is maintained  
41 by the charter school before the return of the employee to  
42 employment with the school district pursuant to subsection 4 or 5.  
43 The employment record must include, without limitation, each  
44 evaluation of the licensed employee conducted by the charter school  
45 and any disciplinary action taken by the charter school against the

1 licensed employee. Before the return of the licensed employee, the  
2 board of trustees of the school district may conduct an investigation  
3 into any misconduct of the licensed employee during the leave of  
4 absence from the school district and take any appropriate  
5 disciplinary action as to the status of the person as an employee of  
6 the school district, including, without limitation:

7 (a) The dismissal of the employee from employment with the  
8 school district; or

9 (b) Upon the employee's return to employment with the school  
10 district, documentation of the disciplinary action taken against the  
11 employee into the employment record of the employee that is  
12 maintained by the school district.

13 7. If a school district conducts an investigation pursuant to  
14 subsection 6:

15 (a) The licensed employee is not entitled to return to  
16 employment with the school district until the investigation is  
17 complete; and

18 (b) The investigation must be conducted within a reasonable  
19 time.

20 8. A licensed employee who is on a leave of absence from a  
21 school district pursuant to this section:

22 (a) Shall contribute to and be eligible for all benefits for which  
23 the employee would otherwise be entitled, including, without  
24 limitation, participation in the Public Employees' Retirement  
25 System and accrual of time for the purposes of leave and retirement.

26 (b) Continues, while the employee is on leave, to be covered by  
27 the collective bargaining agreement of the school district only with  
28 respect to any matter relating to his or her status or employment  
29 with the district.

30 ➤ The time during which such an employee is on a leave of absence  
31 and employed in a charter school does not count toward the  
32 acquisition of permanent status with the school district.

33 9. Upon the return of a teacher to employment in the school  
34 district, the teacher is entitled to the same level of retirement, salary  
35 and any other benefits to which the teacher would otherwise be  
36 entitled if the teacher had not taken a leave of absence to teach in a  
37 charter school.

38 10. An employee of a charter school who is not on a leave of  
39 absence from a school district is eligible for all benefits for which  
40 the employee would be eligible for employment in a public school,  
41 including, without limitation, participation in the Public Employees'  
42 Retirement System.

43 11. For all employees of a charter school:

44 (a) The compensation that a teacher or other school employee  
45 would have received if he or she were employed by the school

1 district must be used to determine the appropriate levels of  
2 contribution required of the employee and employer for purposes of  
3 the Public Employees' Retirement System.

4 (b) The compensation that is paid to a teacher or other school  
5 employee that exceeds the compensation that the employee would  
6 have received if he or she were employed by the school district must  
7 not be included for the purposes of calculating future retirement  
8 benefits of the employee.

9 12. If the board of trustees of a school district in which a  
10 charter school is located manages a plan of group insurance for its  
11 employees, the governing body of the charter school may negotiate  
12 with the board of trustees to participate in the same plan of group  
13 insurance that the board of trustees offers to its employees. If the  
14 employees of the charter school participate in the plan of group  
15 insurance managed by the board of trustees, the governing body of  
16 the charter school shall:

17 (a) Ensure that the premiums for that insurance are paid to the  
18 board of trustees; and

19 (b) Provide, upon the request of the board of trustees, all  
20 information that is necessary for the board of trustees to provide the  
21 group insurance to the employees of the charter school.
