AN ACT relating to Medicaid; establishing a program to provide  
structured family caregiving to certain recipients of  
Medicaid; and providing other matters properly relating  
thereto.

**Legislative Counsel’s Digest:**

Federal law authorizes a state to apply for a waiver that allows the state to  
receive financial contributions from the Federal Government toward the cost of  
providing certain home and community-based services for recipients of Medicaid  
who are elderly or disabled. (42 U.S.C. § 1396n(c)) Existing law requires the  
Department of Health and Human Services to apply for such a waiver covering  
certain home and community-based services for recipients of Medicaid with  
physical disabilities. (NRS 422.396)

**Section 1** of this bill requires the Department to apply to the United States  
Secretary of Health and Human Services to amend the home and community-based  
services waiver to include structured family caregiving for recipients of Medicaid  
suffering from dementia. **Section 1** requires that the Department include in its  
application to amend the waiver: (1) an authorization for the recipient of Medicaid  
to choose his or her caregiver and the residence where the recipient will receive the  
structured family caregiving; and (2) a requirement that the caregiver be or become  
an employee of an agency to provide personal care services in the home or an  
intermediary service organization and receive a daily stipend through that  
employer. **Section 1** also requires a caregiver to receive certain training. **Section 2**  
of this bill makes a conforming change to indicate that **section 1** will be

19 administered in the same manner as other provisions of existing law governing the  
20 State Plan for Medicaid.
