

Assembly Bill No. 213—Committee on Judiciary

CHAPTER.....

AN ACT relating to gaming; authorizing the Nevada Gaming Commission to adopt regulations relating to the issuance of a preliminary finding of suitability; revising provisions relating to investigations and the initiation of complaints by the State Gaming Control Board; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Nevada Gaming Commission to require a finding of suitability of a person under certain circumstances. (NRS 463.162) **Section 1** of this bill authorizes the Commission to adopt regulations relating to the issuance of a preliminary finding of suitability.

Existing law requires the State Gaming Control Board to make investigations and to initiate a hearing by filing a complaint with the Commission if the Board is satisfied that a license, registration, finding of suitability, pari-mutuel license or prior approval by the Commission of any transaction for which approval was required or permitted should be limited, conditioned, suspended or revoked. (NRS 463.310) **Section 2** of this bill clarifies that the Board may, after an investigation, initiate a hearing by filing a complaint with the Commission if the Board is satisfied that a person or entity which is licensed, registered, found suitable or found preliminarily suitable or which previously obtained approval for which Commission approval was required or permitted should be fined.
