

Assembly Bill No. 238—Committee  
on Government Affairs

CHAPTER.....

AN ACT relating to local government finance; revising provisions concerning the refunding of municipal securities related to infrastructure projects in certain counties; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Since October 1, 1999, a county has been authorized, as part of a lending project under the County Bond Law, to acquire securities issued by a municipality located wholly or partially within the county: (1) to undertake one or more infrastructure projects; or (2) to refund those securities. In the latter case, a county's authority is limited to acquiring only those securities issued to refund municipal securities for infrastructure projects that were previously acquired by the county. (NRS 244A.0343, 244A.064) This bill partially eliminates this limitation on a county's authority in a county whose population is 100,000 or more but less than 700,000 (currently Washoe County) and thereby allows such a county to acquire securities that were issued by a water authority for water projects regardless of whether those securities are held by the county or another entity. However, such a county may only acquire those municipal securities issued for purposes of refunding if the initial securities for the water projects were issued by the municipality on or after October 1, 1999.

EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets [omitted material] is material to be omitted.
