

Assembly Bill No. 24—Committee on Transportation

CHAPTER.....

AN ACT relating to motor vehicles; providing for the limited issuance of special license plates to commemorate the 150th anniversary of Nevada’s admission into the Union; imposing a fee for the issuance or renewal of such license plates; revising provisions relating to the number of characters required to be contained on a license plate; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

This bill provides for the issuance of a special license plate to commemorate the 150th anniversary of Nevada’s admission into the Union. Existing law provides that the regular fees for the initial issuance and renewal of a special license plate are \$35 and \$10, respectively, exclusive of any additional fees which may be added to generate funds for a particular cause. (NRS 482.265) Unlike the fees set forth in existing law, the fee set forth in this bill for the initial issuance of a special license plate to commemorate the 150th anniversary (sesquicentennial) of Nevada’s admission into the Union is \$7.50 and there is no basic charge for the renewal of the special license plates, other than the fee that is required to be distributed to the Nevada Cultural Affairs Foundation. Existing law also requires \$35 of the fee received by the Department of Motor Vehicles for the initial issuance of a special license plate, exclusive of any additional fees which may be added to generate funds for a particular cause, to be deposited in the State Highway Fund for credit to the Revolving Account for the Issuance of Special License Plates. (NRS 482.1805) This bill requires the Department to deposit the \$7.50 received for the initial issuance of the sesquicentennial license plate with the State Treasurer for credit to that Revolving Account. This bill also requires that an annual report concerning the revenues received and expenditures made in connection with the issuance of the commemorative license plates be submitted to the Director of the Legislative Counsel Bureau, and provides that in no event may the commemorative license plates be issued by the Department after October 31, 2016. For a person who is a Legislator of this State, this bill allows the commemorative license plates to be combined with special legislative license plates issued to the Legislator pursuant to NRS 482.374.

This bill also provides that the additional fees collected for the issuance of the plate must be deposited in the State General Fund. The State Treasurer is required to distribute those additional fees, on a quarterly basis, to the Nevada Cultural Affairs Foundation. This bill exempts these special license plates from: (1) the provisions that require a minimum number of applications for the plates; (2) the requirement that the Commission on Special License Plates approve or disapprove the plates; and (3) the limit on the number of separate designs of special license plates that may be issued by the Department at any one time.

Section 5 of this bill deletes the requirement that a redesign of license plates ordered by the Director of the Department: (1) be in colors that are predominately blue and silver; and (2) contain letters and numbers that are of the same size. **Sections 6 and 11-19** of this bill delete the requirement that a license plate contain a certain finite number of characters and provide instead that the Director will determine the number of characters to be contained on each license plate.
