EXPLANATION – Matter in *bolded italics* is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to cannabis; establishing and revising certain requirements relating to the cultivation, growth or production of cannabis by certain persons; authorizing a sheriff and health authority to enforce certain provisions relating to the cultivation, growth and production of cannabis; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Existing law exempts a person who holds a valid registry identification card from state prosecution for certain acts relating to cannabis. After a medical cannabis dispensary opens in the county of residence of a person who holds a registry identification card, existing law prohibits such a person from cultivating, growing or producing cannabis unless: (1) the person was cultivating, growing or producing cannabis in accordance with state law on or before July 1, 2013; (2) all the medical cannabis dispensaries in the county of residence of the person close or are unable to supply the quantity or strain of cannabis necessary for the medical use of the person to treat his or her specific medical condition; (3) because of illness or lack of transportation, the person is unable reasonably to travel to a medical cannabis dispensary; or (4) no medical cannabis dispensary was operating within 25 miles of the residence of the person at the time the person first applied for his or her registry identification card. (NRS 678C.200)

**Section 1** of this bill requires a person who holds a valid registry identification card and wishes to cultivate, grow or produce cannabis pursuant to one of those exemptions to: (1) provide certain information to the sheriff of the county and the health authority having jurisdiction over the location in which the cannabis will be cultivated, grown or produced; and (2) consent to inspection by the sheriff and the health authority. **Section 1** also authorizes a sheriff and health authority to inspect the property where a person who holds a valid registry identification card

21 cultivates, grows or produces cannabis for compliance with certain provisions of  
22 existing law governing cannabis and to take certain actions if it is determined that  
23 the person is not in compliance with those provisions.

24 Existing law exempts a person who is 21 years of age or older from state  
25 prosecution for certain acts relating to cannabis. (NRS 678D.200) However, under  
26 existing law that exemption is subject to certain limitations. Existing law prohibits a  
27 person 21 years of age or older from cultivating cannabis within 25 miles of an  
28 adult-use cannabis retail store or under certain other conditions. (NRS 678D.310)  
29 Existing law also provides that the exemption from state prosecution applies only to  
30 the extent that the person cultivates, grows or produces not more than 6 cannabis  
31 plants: (1) within an enclosed area that is not in public view and which is equipped  
32 with certain security devices; and (2) at a residence or upon the grounds of a  
33 residence in which not more than 12 cannabis plants are cultivated, grown or  
34 produced. (NRS 678D.200)

35 **Section 2** of this bill revises the requirements relating to the cultivation, growth  
36 or production of cannabis with which a person who is 21 years of age or older must  
37 comply to remain subject to the exemption from state prosecution for certain acts  
38 relating to cannabis. **Section 2:** (1) reduces, from 6 to 4, the number of cannabis  
39 plants such a person may possess, deliver, cultivate, grow or produce; (2) requires  
40 the cultivation, growing or production of cannabis to be within a secure structure  
41 that is sealed in such a manner that no odor of cannabis may escape; and (3)  
42 reduces, from 12 to 8, the number of cannabis plants that may be at a residence or  
43 on the grounds of a residence where cannabis plants are cultivated, grown or  
44 produced.
