AN ACT relating to insurance; requiring the establishment of an open enrollment period for a policy of insurance which provides for the payment of certain expenses which are not covered by Medicare; prohibiting an insurer issuing such a policy from taking certain actions during the open enrollment period; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing federal law establishes the Medicare program, which is a public health
2 insurance program for persons 65 years of age and older and specified persons with
3 disabilities who are under 65 years of age. (42 U.S.C. §§ 1395 et seq.) Existing
4 state law authorizes the Commissioner of Insurance to adopt regulations relating to
5 the form, content and sale of policies of insurance which provide for the payment of
6 expenses which are not covered by Medicare. (NRS 687B.430) **Sections 1, 3 and 4**
7 of this bill require an insurer offering a policy of insurance which provides for the
8 payment of expenses which are not covered by Medicare, including the Public
9 Employees’ Benefits Program and any local government that provides such a policy
10 for its employees, to offer an open enrollment period for persons covered by such
11 policies, during which the insurer is prohibited from placing certain restrictions on
12 the issuance of such a policy. **Section 2** of this bill makes a conforming change to

13 apply the provisions of **section 1** to nonprofit hospital and medical or dental service
14 corporations that issue such policies.
