EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to constructional defects; revising the definition of “constructional defect”; providing that a claimant may not recover attorney’s fees as damages; requiring an attorney to obtain an affidavit from a claimant and file the affidavit with the court under certain circumstances; revising the statutes of repose regarding actions for damages resulting from certain deficiencies in construction; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 **Section 1** of this bill amends the existing definition of “constructional defect”
2 to provide that a constructional defect is a defect: (1) which presents an
3 unreasonable risk of injury to a person or property; or (2) which violates the law,
4 unless the workmanship exceeds the standards set forth in any applicable codes and
5 ordinances, which causes physical damages and which is not completed in a good
6 and workmanlike manner.
7 Existing law authorizes a claimant to recover reasonable attorney’s fees for a
8 claim for a constructional defect in certain circumstances. (NRS 40.655) **Section 2**
9 of this bill removes this provision. Existing law also requires an attorney for a
10 claimant to notify the claimant in writing of certain provisions of law relating to
11 constructional defects before the attorney takes any action on a claim for a
12 constructional defect. (NRS 40.688) **Section 3** of this bill revises this requirement
13 and instead provides that an attorney must obtain from a claimant a signed affidavit

14 stating that the claimant has been notified of certain provisions relating to
15 constructional defects. If the claimant is a representative of a homeowners'
16 association, **section 3** requires that the affidavit also attest that the claimant has
17 notified the units' owners on whose behalf the claim is brought of the provisions of
18 this section. **Section 3** also provides that in a subsequent action, the attorney must
19 file the affidavit with the court or the action will be dismissed.

20 Existing law generally limits the period in which an action for damages caused
21 by a deficiency in construction of improvements to real property may be
22 commenced after substantial completion of the improvement, unless the deficiency
23 is a result of willful misconduct or was fraudulently concealed. (NRS 11.202-
24 11.205) These periods of limitation are known as statutes of repose, and the period
25 set forth in each statute of repose during which an action must be commenced after
26 substantial completion of the improvement depends on the particular type of
27 deficiency in construction. **Section 4** of this bill reduces the period in the existing
28 statute of repose for a known deficiency in construction from 10 years after
29 substantial completion of the improvement to 3 years. **Section 5** of this bill reduces
30 the period in the existing statute of repose for a latent deficiency from 8 years after
31 substantial completion of the improvement to 4 years. **Section 6** of this bill reduces
32 the period in the existing statute of repose for a patent deficiency from 6 years after
33 substantial completion of the improvement to 3 years.

34 **Sections 4-6** also eliminate the existing provisions that allow such actions to be
35 commenced within 2 years after the date of an injury which occurs during the final
36 year of the particular period of limitation. **Section 7** of this bill provides that the
37 revised statutes of repose set forth in **sections 4-6** apply retroactively under certain
38 circumstances. **Section 7** also establishes a 1-year grace period during which a
39 person may commence an action pursuant to NRS 11.203, 11.204 or 11.205 if the
40 action accrued before October 1, 2013.
