Legislative Counsel’s Digest:

- 1 Existing law defines the term “foster home” to mean a home that receives,
- 2 nurtures, supervises and ensures routine educational services and medical, dental
- 3 and mental health treatment for children. (NRS 424.014) Existing law requires the
- 4 Division of Child and Family Services of the Department of Health and Human
- 5 Services to adopt regulations to establish requirements for the licensure of foster
- 6 homes. (NRS 424.020) **Section 3** of this bill authorizes the parent or guardian of a
- 7 child to execute a power of attorney to delegate to another person all power
- 8 regarding health care, support, custody and property of the child, except for the
- 9 power to consent to the marriage or adoption of the child, without having the child
- 10 enter the child welfare system. **Section 3** authorizes such a delegation of power for:
- 11 (1) a period during which the care and custody of the child is entrusted to a child
- 12 care institution; (2) a period expiring 30 days after the parent or guardian returns
- 13 from active duty in certain uniformed services; or (3) in all other cases, a period of

14 not longer than 12 months. **Section 3** provides that a parent or guardian who
15 executes such a power of attorney remains responsible for any act or omission of
16 the person to whom power is delegated with respect to the affairs, property and
17 person of the child. **Section 3** provides that a child who is the subject of such a
18 power of attorney is not a foster child, and **section 2** of this bill provides that a
19 person to whom power is delegated is not required to obtain a license as a foster
20 family or to operate a foster home. **Section 1** of this bill prohibits a provider of
21 foster care from providing overnight or regular and continuous care and supervision
22 to a child who is the subject of such a power of attorney while also providing care
23 to a child placed in the foster home by the agency which provides child welfare
24 services or the order of a juvenile court.

25 Existing law requires a court to hold an adjudicatory hearing on a petition
26 alleging that a child is in need of protection. (NRS 432B.530) **Section 4** of this bill
27 authorizes the agency which provides child welfare services to: (1) upon a finding
28 that the allegations in the petition have been established, refer the parent or
29 guardian of the child to a community-based organization that provides respite care,
30 voluntary guardianship or other support services for families in crisis; or (2) upon a
31 finding that the allegations in the petition have not been established, provide the
32 parent or guardian of the child with information concerning such an organization.
