AN ACT relating to criminal procedure; authorizing a forensic facility to transport or request assistance from law enforcement in transporting a person on conditional release to the forensic facility under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law provides a procedure for a court to modify or terminate the
2 conditional release of certain persons found to be incompetent to stand trial or be
3 sentenced after such a person violates a condition of the release from commitment.
4 (NRS 178.464) This bill authorizes a forensic facility supervising a person on
5 conditional release to, without obtaining a court order, take the person into
6 protective custody and transport the person to the forensic facility or request that a
7 law enforcement agency take the person into protective custody and transport the
8 person to the forensic facility supervising the person if the forensic facility has
9 probable cause to believe that the person violated a condition of the release from
10 commitment and is a danger to himself or herself or others. This bill also requires
11 that, not later than 3 days after the person is taken into protective custody and
12 transported to the forensic facility, the court must hold a hearing to determine
13 whether to continue, modify or terminate the conditional release of the person,
14 unless the hearing is continued upon agreement by the counsel for the person and
15 the prosecuting attorney.
