AN ACT relating to the Open Meeting Law; revising provisions governing periods devoted to public comment; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1       The Open Meeting Law requires that meetings of public bodies be open to the  
2       public, with limited exceptions. Under the Open Meeting Law, a public body is  
3       required to provide written notice of all such meetings, which must include an  
4       agenda with a period devoted to comments by the general public and discussion of  
5       those comments. However, a public body is prohibited from taking action upon a  
6       matter that is raised during such a period for public comment until the matter has  
7       been specifically included on an agenda and is denoted to be an item upon which  
8       the public body may take action. (NRS 241.020) This bill requires the public body,  
9       at a minimum, to provide periods devoted to public comment and discussion of any  
10      public comments as follows: (1) one period at the beginning of the meeting before  
11      any items on which action may be taken are heard by the public body and one  
12      period before the adjournment of the meeting; or (2) a period after each item on the  
13      agenda on which action may be taken is discussed by the public body, but before  
14      the public body takes action on the item.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1      **Section 1.** NRS 241.020 is hereby amended to read as follows:

2      241.020 1. Except as otherwise provided by specific statute,  
3 all meetings of public bodies must be open and public, and all  
4 persons must be permitted to attend any meeting of these public  
5 bodies. A meeting that is closed pursuant to a specific statute may  
6 only be closed to the extent specified in the statute allowing the  
7 meeting to be closed. All other portions of the meeting must be open  
8 and public, and the public body must comply with all other  
9 provisions of this chapter to the extent not specifically precluded by  
10 the specific statute. Public officers and employees responsible for  
11 these meetings shall make reasonable efforts to assist and  
12 accommodate persons with physical disabilities desiring to attend.

13     2. Except in an emergency, written notice of all meetings must  
14 be given at least 3 working days before the meeting. The notice  
15 must include:

1 person, the name of the person whose character, alleged misconduct  
2 or professional competence will be considered.

3 (5) If, during any portion of the meeting, the public body will

7 3. Minimum public notice is:

8 (a) Posting a copy of the notice at the principal office of the  
9 public body or, if there is no principal office, at the building in  
10 which the meeting is to be held, and at not less than three other  
11 separate, prominent places within the jurisdiction of the public body  
12 not later than 9 a.m. of the third working day before the meeting;  
13 and

14 (b) Providing a copy of the notice to any person who has  
15 requested notice of the meetings of the public body. A request for  
16 notice lapses 6 months after it is made. The public body shall inform  
17 the requester of this fact by enclosure with, notation upon or text  
18 included within the first notice sent. The notice must be:

19 (1) Delivered to the postal service used by the public body  
20 not later than 9 a.m. of the third working day before the meeting for  
21 transmittal to the requester by regular mail; or

22 (2) If feasible for the public body and the requester has  
23 agreed to receive the public notice by electronic mail, transmitted to  
24 the requester by electronic mail sent not later than 9 a.m. of the third  
25 working day before the meeting.

26 4. If a public body maintains a website on the Internet or its  
27 successor, the public body shall post notice of each of its meetings  
28 on its website unless the public body is unable to do so because of  
29 technical problems relating to the operation or maintenance of its  
30 website. Notice posted pursuant to this subsection is supplemental to  
31 and is not a substitute for the minimum public notice required  
32 pursuant to subsection 3. The inability of a public body to post  
33 notice of a meeting pursuant to this subsection as a result of  
34 technical problems with its website shall not be deemed to be a  
35 violation of the provisions of this chapter.

36 5. Upon any request, a public body shall provide, at no charge,  
37 at least one copy of:

38 (a) An agenda for a public meeting;

39 (b) A proposed ordinance or regulation which will be discussed  
40 at the public meeting; and

41 (c) Subject to the provisions of subsection 6, any other  
42 supporting material provided to the members of the public body for  
43 an item on the agenda, except materials:

2 or confidentiality agreement which relates to proprietary  
3 information;

4                   (2) Pertaining to the closed portion of such a meeting of the  
5 public body; or

6                   (3) Declared confidential by law, unless otherwise agreed to  
7 by each person whose interest is being protected under the order of  
8 confidentiality.

9      → The public body shall make at least one copy of the documents  
10 described in paragraphs (a), (b) and (c) available to the public at  
11 the meeting to which the documents pertain. As used in this  
12 subsection, “proprietary information” has the meaning ascribed to it  
13 in NRS 332.025.

14     6. A copy of supporting material required to be provided upon  
15 request pursuant to paragraph (c) of subsection 5 must be:

16       (a) If the supporting material is provided to the members of the  
17 public body before the meeting, made available to the requester at  
18 the time the material is provided to the members of the public body;  
19 or

20       (b) If the supporting material is provided to the members of the  
21 public body at the meeting, made available at the meeting to the  
22 requester at the same time the material is provided to the members  
23 of the public body.

24      → If the requester has agreed to receive the information and material  
25 set forth in subsection 5 by electronic mail, the public body shall, if  
26 feasible, provide the information and material by electronic mail.

27     7. A public body may provide the public notice, information  
28 and material required by this section by electronic mail. If a public  
29 body makes such notice, information and material available by  
30 electronic mail, the public body shall inquire of a person who  
31 requests the notice, information or material if the person will accept  
32 receipt by electronic mail. The inability of a public body, as a result  
33 of technical problems with its electronic mail system, to provide a  
34 public notice, information or material required by this section to a  
35 person who has agreed to receive such notice, information or  
36 material by electronic mail shall not be deemed to be a violation of  
37 the provisions of this chapter.

38     8. As used in this section, “emergency” means an unforeseen  
39 circumstance which requires immediate action and includes, but is  
40 not limited to:

41       (a) Disasters caused by fire, flood, earthquake or other natural  
42 causes; or

43       (b) Any impairment of the health and safety of the public.
