Corrections, Parole, and Probation

CHAPTER.....

AN ACT relating to criminal records; revising provisions governing the dissemination of records of criminal history from the Central Repository for Nevada Records of Criminal History pursuant to name-based searches conducted by a service within the Central Repository; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law establishes within the Central Repository for Nevada Records of Criminal History a service to conduct a name-based search of records of criminal history of an employee, prospective employee, volunteer or prospective volunteer. (NRS 179A.103) This bill authorizes an employment screening service which has entered into a contract with the Central Repository to inquire about, obtain and provide those records of criminal history to the employer or volunteer organization if the service maintains records of its dissemination of the records of criminal history. This bill also removes the limitation that only allowed employers in this state to use the services so that out of state employers also have access.
