Any such copies, abstracts or memoranda may be used to supply the general public with copies, abstracts or memoranda of the records or may be used in any other way to the advantage of the governmental entity or of the general public. This section does not supersede or in any manner affect the federal laws governing copyrights or enlarge, diminish or affect in any other manner the rights of a person in any written book or record which is copyrighted pursuant to federal law.

- 2. A governmental entity may not reject a book or record which is copyrighted solely because it is copyrighted.
- 3. A governmental entity that has legal custody or control of a public book or record shall not deny a request made pursuant to subsection 1 to inspect or copy or receive a copy of a public book or record on the basis that the requested public book or record contains information that is confidential if the governmental entity can redact, delete, conceal or separate, including, without limitation, electronically, the confidential information from the information included in the public book or record that is not otherwise confidential.
- 4. If requested, a governmental entity shall provide a copy of a public record in an electronic format by means of an electronic medium. Nothing in this subsection requires a governmental entity to provide a copy of a public record in an electronic format or by means of an electronic medium if:
 - (a) The public record:
 - (1) Was not created or prepared in an electronic format; and
 - (2) Is not available in an electronic format; or
- (b) Providing the public record in an electronic format or by means of an electronic medium would:
 - (1) Give access to proprietary software; or
- (2) Require the production of information that is confidential and that cannot be redacted, deleted, concealed or separated from information that is not otherwise confidential.
- 5. An officer, employee or agent of a governmental entity who has legal custody or control of a public record:
- (a) Shall not refuse to provide a copy of that public record in the medium that is requested because the officer, employee or agent has already prepared or would prefer to provide the copy in a different medium.
- (b) Except as otherwise provided in NRS 239.030, shall, upon request, prepare the copy of the public record and shall not require

the person who has requested the copy to prepare the copy himself or herself.

- **Sec. 4.** Chapter 439A of NRS is hereby amended by adding thereto a new section to read as follows:
- 1. The Department shall develop and make available to the Board of Medical Examiners and the State Board of Osteopathic Medicine an electronic data request to be completed by an applicant for the renewal of a license as a physician or a biennial registration pursuant to NRS 630.267. The electronic data request must solicit from each such applicant the following information:
- (a) Whether the applicant is employed by a hospital or an entity owned by a health system or practices independently from a hospital or an entity owned by a health system;
- (b) If the applicant is employed by a hospital or an entity owned by a health system, the name of the hospital or the entity and the health system that owns the entity, as applicable;
- (c) If the applicant is employed by an entity other than a hospital or an entity owned by a health system, the name of the legal entity which owns the practice and any assumed or fictitious name of that entity;
- (d) Whether the applicant practices as a solo practitioner or with at least one other physician;
- (e) If the applicant practices with at least one other physician, the number of other physicians with which the applicant practices and the specialty areas of those physicians;
- (f) The number of locations at which the physician practices; and
- (g) If the applicant practices with at least one other physician, the number of locations at which the physicians in the group practice.
- 2. The Department shall collect and maintain the information collected pursuant to subsection 1. Such information is confidential and any reporting of the information maintained pursuant to this section by the Department must be in an aggregate form that does not reveal the identity of any physician.
- **Sec. 5.** 1. This section becomes effective upon passage and approval.
 - 2. Sections 1 to 4, inclusive, of this act become effective:
- (a) Upon passage and approval for the purpose of adopting any regulations and performing any other preparatory administrative tasks that are necessary to carry out the provisions of this act; and
 - (b) On October 1, 2021, for all other purposes.
