7 478, Statutes of Nevada 2011 and section 2 of chapter 391, Statutes
8 of Nevada 2013 and unless otherwise declared by law to be
9 confidential, all public books and public records of a governmental
10 entity must be open at all times during office hours to inspection by
11 any person, and may be fully copied or an abstract or memorandum
12 may be prepared from those public books and public records. Any
13 such copies, abstracts or memoranda may be used to supply the
14 general public with copies, abstracts or memoranda of the records or
15 may be used in any other way to the advantage of the governmental
16 entity or of the general public. This section does not supersede or in
17 any manner affect the federal laws governing copyrights or enlarge,
18 diminish or affect in any other manner the rights of a person in any
19 written book or record which is copyrighted pursuant to federal law.

20 2. A governmental entity may not reject a book or record
21 which is copyrighted solely because it is copyrighted.

22 3. A governmental entity that has legal custody or control of a
23 public book or record shall not deny a request made pursuant to
24 subsection 1 to inspect or copy or receive a copy of a public book or
25 record on the basis that the requested public book or record contains
26 information that is confidential if the governmental entity can
27 redact, delete, conceal or separate, including, without limitation,
28 electronically, the confidential information from the information
29 included in the public book or record that is not otherwise
30 confidential.

31 4. If requested, a governmental entity shall provide a copy of a
32 public record in an electronic format by means of an electronic
33 medium. Nothing in this subsection requires a governmental entity
34 to provide a copy of a public record in an electronic format or by
35 means of an electronic medium if:

- 36 (a) The public record:
- 37 (1) Was not created or prepared in an electronic format; and
 - 38 (2) Is not available in an electronic format; or
- 39 (b) Providing the public record in an electronic format or by
40 means of an electronic medium would:
- 41 (1) Give access to proprietary software; or
 - 42 (2) Require the production of information that is confidential
43 and that cannot be redacted, deleted, concealed or separated from
44 information that is not otherwise confidential.

1 5. An officer, employee or agent of a governmental entity who
2 has legal custody or control of a public record:

3 (a) Shall not refuse to provide a copy of that public record in the
4 medium that is requested because the officer, employee or agent has
5 already prepared or would prefer to provide the copy in a different
6 medium.

7 (b) Except as otherwise provided in NRS 239.030, shall, upon
8 request, prepare the copy of the public record and shall not require
9 the person who has requested the copy to prepare the copy himself
10 or herself.

15 **Sec. 17.** 1. This section becomes effective upon passage and
